Please Note:

1. **This is a very active operation with the use of very heavy machinery and jackhammering.**
2. **The parking lane on the N/S of West 13th Street will be eliminated as the construction moves along West 13th Street.**
3. **The parking lane on the S/S of West 12th Street from Hudson Street to 8th Avenue will be eliminated for the duration of the trunk water main installation as per DOT stipulations. No parking will be permitted.**
4. **The parking lane on 8th Avenue from West 12th Street to Jane Street (E/S) has been eliminated for the duration of the trunk water main installation as per DOT stipulations. No parking will be permitted.**
5. **There may be relocation of bike paths in certain areas; however they will be maintained at all times**
6. **If an operation was not started/completed in the previous week, it will remain on the schedule until complete**
7. **Test pits and roadway maintenance will require the use of heavy machinery and jackhammering**
8. **All equipment used on DDC projects are as per DEP codes and standards.**

Due to unforeseen conditions (weather, field conditions, etc.) it may become necessary to change some scheduled work locations and operations. For further information OR to be added to the email notification network, email Venicia Villafana at 8THAVECCL@gmail.com. Additionally, you can visit the NYCDDC website at www.nyc.gov/buildnyc or watch our video at www.nyc.gov/webuild.

During non-construction hours, please contact the New York City Government Services and information **Hotline at 311**.

We appreciate your patience during construction and thank you in advance for your cooperation.
