NYC Urban Fellows 2013-2014

Celebrating Our City

The New York City Urban Fellows Program has introduced America's finest college graduates to local government and public service. This prestigious nine-month program combines full-time employment in City government with a comprehensive seminar series. The program deepens the participants' understanding of urban issues while inspiring them to continue making government more efficient and responsive. Urban Fellows are trained to be the public service leaders of tomorrow.
