Important Notice

Replacement of the Willis Avenue Bridge

Over the Harlem River

Contract No. BRCR076	Community Board No's 1 Bronx and 11 Manhattan	August 2010

One Night Intermittent Full Closure
Major Deegan Expressway
Thursday, August 12, 2010*
1:00 a.m. to 5:00 a.m.

On Thursday, August 12, 2010 between the hours of 1:00 a.m. and 5:00 a.m., the New York City Department of Transportation will **close** the northbound and southbound Major Deegan Expressway for ***15 minute intervals*** between Exits 1 and 2 in the Bronx. The closures are required for removal of the temporary pedestrian bridge over the Major Deegan. Once the temporary bridge has been removed, the newly-constructed, permanent pedestrian sidewalk will open to the public. Closures scheduled for Wednesday, August 11 have been cancelled.

A detour has been established for the closures (*please see attached map*)

- Motorists travelling southbound on the Major Deegan will exit at Exit 2 and turn right onto Willis Avenue, left on Bruckner Boulevard, left on Saint Ann's Avenue, and right onto East 134th Street to access the entrance ramp for the RFK (Triborough) Bridge

- Motorists wishing to use the Bruckner Expressway should stay on Bruckner Boulevard

- Motorists travelling northbound on the Major Deegan will exit at Exit 1 and follow East 135th Street to the next entrance ramp to northbound Major Deegan which is located just past Willis Avenue

Construction signs will direct motorists along both detour routes, and Variable Message Boards in the area will alert motorists to the closures and detours in advance.

Any questions or comments may be directed to the community liaison:
