ANNUAL REPORT OF WORKERS' COMPENSATION CLAIMS OF NEW YORK CITY EMPLOYEES FOR CALENDAR YEAR 2010

ANNUAL REPORT OF WORKERS' COMPENSATION CLAIMS OF NEW YORK CITY EMPLOYEES FOR CALENDAR YEAR 2010

INTRODUCTION

Section 12-127 of the Administrative Code of The City of New York requires that a report concerning workers' compensation claims by City employees be compiled annually and be transmitted to the Mayor, the Comptroller, the Public Advocate and the Speaker of the Council.

This report contains a compilation of all workers' compensation claims indexed by the New York City Law Department during 2010. In accordance with Section 12-127, the report includes a breakdown of the expenses paid, a list of specific claims for each agency, as well as specific types and locations of injuries. This report also contains year-to-year comparisons of the information compiled from 2005 through 2010.

The report contains records for all entities whose workers' compensation claims are administered by the New York City Law Department: The City of New York, The New York City Health & Hospitals Corporation, The Department of Education of The City of New York, The City University of New York and the New York City Board of Elections. It should be noted that Uniformed Police Officers, Uniformed Firefighters, Uniformed Sanitation workers and pedagogical employees of the Department of Education are not covered by the Workers' Compensation Law.

The information for individual claims includes the date of injury (or disablement), the injured body part(s) and the location at which the injury occurred. The claims are grouped by agency. A blank entry following a date of injury indicates that the Law Department was not provided with information relating to the body part(s) and/or the location of the injury.

A summary of the costs incurred on these claims by each agency during 2010 is provided at the end of each section of the report. These costs include wage replacement, medical costs and penalties, as well as the overall costs. Also listed is the number of claims filed on behalf of each agency during the year.

In addition to the costs by agency, the administrative costs attributed to the Workers' Compensation Division of the Law Department were $5,255,545.00 during Fiscal Year 2010.
