4. Performed Con Edison Electrical Layouts on West 10th Street from 7th Ave. to Greenwich Ave. *In Progress*

5. Catch Basins Were Replaced in (Various Locations)

Special Needs
Individuals with special needs who may be uniquely impacted by this project should contact the project's Community Construction Liaison, as soon as possible, to make them aware of your situation. DDC will work with you to attempt to minimize the inconvenience as much as possible.

Preparation for the Installation of Con-Edison 12" Gas Main on West 10th St. and West Side of 7th Ave. South

Water Service Interruption
During the course of the project there will be service interruptions. To allow water replacement, the existing water service must be shut off by closing the valves at either end of the section. Advance notice will be given for all planned interruptions. Water service will be restored at the end of the work shift.

Community Construction Liaison (CCL)
The DDC has assigned **Diane Guskin**, with EnTech Engineering, as the Community Construction Liaison (CCL) for this project. Please contact **Diane** for any project related inquiries/concerns you may have:
Phone: 212-354-4905 Fax: 212-575-0745
Email: med617ccl@gmail.com
Field Office: 262 W 38th Street, Room 903, NY, NY 10018

Newsletter Distribution
Construction Newsletters for this project are distributed regularly within the project area and to Community Board#2–Manhattan.
