Dear Ms. Stetzer:

I am writing to inform you that we have received a request from Yo! Bus regarding expansion for their existing service in front of 2 Pike Street, at East Broadway.

There are two components of the expansion – an increase in service to additional destinations and an increase in operation time.

- The current service is to Boston and Philadelphia. The expanded service will include additional service to Boston and new service to Washington, DC.
- The existing authorization allows Yo Bus to operate 14 round trips per day. The expanded service would have a total of 28 daily round trips.
- The existing hours of operation are from 7am to 10pm. The expanded service would run from 7am to 12:30am.
- The existing bus stop is over 100' – which currently allows for one bus at a time. This length of bus stop will accommodate two buses at a time for pick-up/drop-off activity.

Please let me know if you have any questions. Thank you in advance for your input on this proposed service expansion.

Sincerely,

Luis Sanchez
