Important Notice

Ed Koch Queensboro Bridge

Manhattan/Queens **Community Boards No. 8M, No. 1Q & No. 2Q** **July 2016**

From July 26 through August 27, the NYC Department of Transportation Division of Bridges will close one lane at a time in the early-morning hours on the Manhattan-bound Lower Roadway of the Ed Koch Queensboro Bridge for repairs of the asphalt wearing surface. Also, ongoing preventive maintenance will require single-lane closures in both directions on Tuesday, July 26 (Lower Roadways) and Wednesday, July 27 (Upper Roadways, bicycle path/walkway) from 10:00 p.m. until 4:00 a.m. the next morning. One lane and the bicycle path and walkway will remain passable at all times.

Single-Lane Closures: July 26 – August 27

Surface Repairs: Manhattan-Bound Lower Roadway

Tuesdays – Saturdays, 12:01 a.m.–5:00 a.m.

Cleaning and Lubrication: Both Directions

Upper Roadways: Tues, 7/26, 10:00 p.m.–4:00 a.m.

Lower Roadways: Wed, 7/27, 10:00 p.m.–4:00 a.m.

Bike/Ped Path Narrowed: Wed, 7/27, 10:00 p.m.–4:00 a.m.

Anne Koenig of the Office of Community Affairs is available to provide information about this project at 212-839-6307 or AKoenig@dot.nyc.gov. For all NYC non-emergency services, including inquiries regarding NYCDOT construction projects, dial 311. Be prepared to give your name, the borough of the project, and a return phone number.
