The Board of Directors
New York City Transitional Finance Authority

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the New York City Transitional Finance Authority (the "Authority") as of and for the year ended June 30, 2009, and have issued our report thereon dated September 25, 2009.

In connection with our audit, nothing came to our attention that caused us to believe that the Authority had not complied, in all material respects, with the Authority's Investment Guidelines. However, the objective of our audit of the financial statements was not to provide an opinion on overall compliance with the Investment Guidelines. Accordingly, we do not express such an opinion.

This report is intended solely for the information and use of the Authority's Audit Committee, Board of Directors and management and is not intended to be and should not be used by anyone other than those specified parties.
