Benchmarking Compliance Deadline Extended to June 1, 2021

Property owners who were required to submit their CY2020 benchmarking information by May 1, 2021, are required to submit a fully compliant report by June 1, 2021.

The 2021 Benchmarking compliance deadline for the 2020 calendar year data reporting has been extended. The 2020 calendar year data is now due no later than June 1, 2021.

The Mayor's Office of Long-Term Planning and Sustainability (OLTPS) has advised the Department of Buildings that compliance with Administrative Code §28-309.4 (Benchmarking Energy and Water Use) has been temporarily suspended until June 1, 2021 due to a technological deficiency. OLTPS has temporarily suspended this requirement pursuant to Administrative Code §28-309.6. The temporary suspension covers calendar year 2020 compliance, for which reporting had been due no later than May 1, 2021. Owners who do not submit a fully compliant report by June 1, 2021, will be subject to violations for each quarter they have been non-compliant.
