

## SERVICE NOTICE

### Final CY2022 Benchmarking Compliance Deadline of February 1, 2024 Extended to February 21, 2024

---

The final quarterly benchmarking compliance deadline for the 2022 calendar year data submission has been extended to February 21, 2024.

The Mayor's Office of Climate and Environmental Justice (MOCEJ) has advised the Department of Buildings that compliance with Administrative Code §28-309.4 (Benchmarking Energy and Water Use) by the last quarterly deadline of February 1, 2024, has been extended to February 21, 2024, due to a temporary upgrade in the utility's automatic data upload platform which resulted in the platform being read-only beginning January 9, 2024.

Owners who do not submit a fully compliant CY 2022 Benchmarking report by February 21, 2024, will be subject to violations.
