Façade Compliance Filings: Supporting Documents Now Viewable in the DOB NOW Public Portal

Beginning October 8, 2021, all supporting documents submitted with an accepted façade compliance filing in DOB NOW: *Safety* can be viewed by the public in the DOB NOW Public Portal. Supporting documents include photographs, plot plans, the TR6 Report, and the FISP1 and FISP2 forms.

To view the supporting documents submitted with a façade compliance filing, enter the address of the property, BIN, or Borough, Block, Lot in the DOB NOW Public Portal at www.nyc.gov/dobnow. Select the **SAFETY: Compliance Filings** tab and select **Façades** in the dropdown menu. Click on the **View** icon for any of the façade compliance filings on the property and then select the **Supporting Documents** tab.

Visit the [Façade Compliance page](#) on DOB's website for more information about façade compliance requirements.
