

SERVICE UPDATE

Local Law 87 of 2009: Energy Efficiency Report Must be Filed by a Registered Design Professional

Beginning January 1, 2022, an Energy Efficiency Report (EER) must be submitted to the Department of Buildings by a registered design professional. Registered energy auditors and retro-commissioning agents who are not registered design professionals may continue to submit an EER to DOB until their registrations expire or until December 31, 2021, whichever is earlier. Registrations will not be renewed once expired.

[Title 1 of the Rules of the City of New York § 103-07\(c\)](#), which allows non-RDPs to register as approved agents and submit an EER before December 31, 2021, provides details on who can submit an EER after December 31, 2021.

For information on the requirements and how to submit an EER, visit the [Energy Audits & Retro Commissioning page](#) on DOB's website.

Email LL87Questions@buildings.nyc.gov for questions.

General assistance with Local Law 87 of 2009 is available via the **NYC Sustainability Help Center**, Monday through Friday, 9:00 am to 5:00 pm by calling (212) 566-5584 or by emailing Help@NYCsustainability.org.
