## Conduct Statement

Community Board 11 meetings should be held in a professional and hostile free environment.

The following guidelines are applicable to members of the public, Community Board 11, and Community Board 11 staff:

- Any personal attacks against a board member, staff member, member of the public, or elected official or their representative at any particular meeting will result in the individual being asked to leave the meeting and could result in the meeting's closure.
- Any inappropriate outburst during any meeting may result in the individual(s) being asked to leave. If outbursts or attacks continue, this may be considered disturbing the peace, and authorities may be summoned. If the meeting is held remotely, the person will be muted or expelled for the remainder.
- All public speakers must address and face Community Board 11 members with their concerns.
- Electioneering for a position other than an officer of the Community Board is prohibited.
