**AGENDA**

1. Introductions
2. Review of [January](#) and [March](#) 2022 Meeting Minutes
3. GUEST: Anthony Orefice, New York City Department of Sanitation
  - a. Questions for Mr. Orefice by the Committee
    - i. Where does the goal of zero waste by 2030 stand with the new administration?
    - ii. Can the Department pursue a public awareness campaign to address concerns about illegal dumping? This could look like posters and/or mailers about trash dumping being illegal and its negative impacts on the community. There's some precedence for this with the Parks Department.
  - b. Specific concerns from constituents
    - i. Difficulty in requesting new public trash cans
    - ii. Confusion about who's picking up trash around Bronx Park East (Sanitation or Parks)
    - iii. Sanitation isn't taking action when there is illegal dumping and evidence is found in the waste (but not on video). Can Sanitation be empowered to act in those cases?
4. Gallery Session (Public Input)
5. Old Business
  - a. The need additional board members assigned to the committee
  - b. Request from the public to pursue reduced alternate side parking on commercial strips
  - c. Having someone from DDC as a future guest to give an update on progress of the Pelham Parkway Reconstruction Project
