

Early Learn Centers

In order to make an informed choice about the best daycare placement for your child, you are encouraged to visit any daycare center(s) you are considering. Daycare centers are operated by a variety of different sponsors, including religious and charitable organizations. If, after selecting a daycare provider, you are dissatisfied with the services for any reason, you have the right to request an alternate placement - call 311 and explain that you are currently receiving ACS Child Care services, but are dissatisfied and would like to change service provider.
