

Outcome 5:**Low Repeat Maltreatment, Child's Borough Summary**

This outcome provides a measure of the child welfare system's success at keeping children from the borough of this report who have been found to be victims of abuse and/or neglect safe. This performance report presents the number of children named as victims in abuse/neglect reports that were indicated and the percent with repeat indicated investigations within a year and within six months. It then lists the number of children with repeat indicated investigations within one year after the initial case was left open with court ordered services or voluntary services or closed with no services. The second section of the report lists the number of children with determined investigations, indicated or unfounded, and the percent who were named in additional reports within one year of the determination. It then provides information concerning the determination of the subsequent report as it relates to that of the prior report.

¹ An indicated abuse/neglect report is a report that, upon investigation, was determined to have credible evidence of abuse or neglect.

² SCR refers to the State Central Register, which is the official repository for the receipt of calls reporting suspicion of abuse or neglect for the State of New York.

³ An unsubstantiated abuse/neglect report is a report that, upon investigation, was determined to lack credible evidence of abuse or neglect.

Outcome 5:**Low Repeat Maltreatment, Child's Community District Summary**

This outcome provides a measure of the child welfare system's success at keeping children who have been found to be victims of abuse and/or neglect safe. This performance report presents the number of children from the community district (CD) in the borough of this report named as victims in abuse/neglect reports that were indicated and the percent with repeat indicated investigations within a year and within six months. It then lists the number of children with repeat indicated investigations within one year after the initial case was left open with court ordered services or voluntary services or closed with no services. The second section of the report lists the number of children with determined investigations, indicated or unfounded, and the percent who were named in additional reports within one year of the determination. It then provides information concerning the determination of the subsequent report as it relates to that of the prior report.

¹ An indicated abuse/neglect report is a report that, upon investigation, was determined to have credible evidence of abuse or neglect.

² SCR refers to the State Central Register, which is the official repository for the receipt of calls reporting suspicion of abuse or neglect for the State of New York.

³ An unsubstantiated abuse/neglect report is a report that, upon investigation, was determined to lack credible evidence of abuse or neglect.

Outcome 5:

Low Repeat Maltreatment, Child's Community District Summary

This outcome provides a measure of the child welfare system's success at keeping children who have been found to be victims of abuse and/or neglect safe. This performance report presents the number of children from the community district (CD) in the borough of this report named as victims in abuse/neglect reports that were indicated and the percent with repeat indicated investigations within a year and within six months. It then lists the number of children with repeat indicated investigations within one year after the initial case was left open with court ordered services or voluntary services or closed with no services. The second section of the report lists the number of children with determined investigations, indicated or unfounded, and the percent who were named in additional reports within one year of the determination. It then provides information concerning the determination of the subsequent report as it relates to that of the prior report.
