

The New York City Health Literacy Fellowship

Letter of Recommendation: Academic Reference

Please tell us about your relationship to the fellowship applicant and about his or her academic work. We would especially like your views on this student's intellectual abilities and work ethic, and any personal circumstances, unusual accomplishments, or obstacles overcome that make this student exceptional.

If submitted via email or fax, letters must be received by the Mayor's Office by March 25th, 2009. If submitted via US mail, letters must be post-marked by March 25th, 2009.
