Michael J. Mansfield
Commissioner/Chair

March 2, 2009

Dear Licensee:

As some of you may know, it was previously the practice of the Business Integrity Commission to assemble a trade waste advisory board to consult with the Commission on matters related to the trade waste industry. This board, which was comprised of licensed members of the trade waste industry, met with key members of the Commission staff and provided valuable insight into the industry.

At this time, the Commission would like to re-institute the above practice. The advisory board will allow the Commission to utilize the experience and expertise of members of the trade waste industry, and will provide important advice to the Commission on issues facing the industry. Members of the advisory board will attend meetings at the Commission's offices approximately once per month to offer input on issues within the industry, what changes might be appropriate, and to discuss proposed changes that the Commission is contemplating.

The trade waste advisory board will initially be comprised of eight members. These eight members will be selected by the Commission from among all those interested. Advisory board members will be rotated over time to ensure that as many voices as possible are heard.

Deputy Commissioner/General Counsel Eric Dorsch will be coordinating the formation of the advisory board. If you would like to be a member of the trade waste advisory board, or have any questions regarding it, please contact Eric Dorsch at: edorsch@bic.nyc.gov.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Mansfield" with a long, sweeping flourish extending to the right.

Michael J. Mansfield
Commissioner/Chair
