February 27, 2014

**NYC Commercial Refuse  
CLEAN TRUCK WORKSHOP**

*Saving Green while Going Green –  
Economic Solutions for Cleaner Refuse Trucks*

---

You're Invited – RSVP Today!

**THURSDAY, FEBRUARY 27, 2014**

12 P.M. TO 5 P.M.

Brooklyn Army Terminal

140 58th Street Brooklyn, NY 11220

New York City private commercial waste haulers are invited to participate in a half-day workshop on how to green your fleets. Learn about the alternative fuel vehicle and exhaust retrofit technologies available for refuse collection, hear from public and private fleets on business best practices, and receive important information on FREE funding for new trucks and exhaust retrofits.

***Witness presentations from key industry partners on the benefits to transitioning cleaner, more efficient vehicles into a refuse fleet!***

**Workshop Highlights**

- ⇒ NYC's 2020 Phase Out of Refuse Trucks with Engines Model Year 2006 and Older
- ⇒ New Diesel, Alternative Fuel Vehicles and Exhaust Retrofits for Refuse Operations
- ⇒ Business Best Practices from Refuse Fleet Managers
- ⇒ \$33 Million in Incentives for Clean Vehicle Technologies for NYC Fleets
- ⇒ Vehicle and Technology Exhibits
- ⇒ Clean Refuse Technology Demonstrations
- ⇒ Free Lunch & Snacks

**[Click here to Register Online](#) or Call 212-676-6219**

**VENDORS – RSVP to Reserve Exhibit Space**

*The NYC Commercial Refuse Clean Truck Workshop is hosted by the New York City Economic Development Corporation (NYCEDC) and organized in partnership with the New York City Business Integrity Commission (NYCBIC), New York City Department of Transportation (NYCDOT), New York City Department of Sanitation (DSNY), New York State Energy Research and Development Authority (NYSERDA) and CALSTART.*
