Re: Trade Waste Advisory Board

Dear licensees/registrants:

Since its formation, the Trade Waste Advisory Board has been a tremendous success in providing a forum for discussion of mutually significant issues within the trade waste industry. In order to build on the good work already done, the Commission would like to hear from all sectors of the trade waste carting industry in the city. To that end, the Commission is opening potential membership on the Board to all licensed and registered haulers, including paper shredders, grease haulers and construction and demolition debris haulers.

Interested parties should submit, by December 9, 2009, their name and the company they represent to Peter Willumsen-Friedman at:  
[PWillumsen-Friedman@bic.nyc.gov](mailto:PWillumsen-Friedman@bic.nyc.gov).

Very truly yours,

A handwritten signature in black ink that reads "Michael J. Mansfield" with a long, sweeping flourish extending to the right.
