New York City Department of Consumer Affairs (“DCA”)**14 Days Left to File at a Free Tax Site Near You!**

In 14 days tax filing season will be over. Unless we act now, thousands of New Yorkers—approximately one in five—will miss out on thousands of dollars in tax credits, like the Earned Income Tax Credit (EITC) and other related credits, such as Child Care Tax Credit. These credits are some of the most effective tools we as a country have to fight poverty. To ensure that hardworking New Yorkers know about these important credits, the “DCA” is proud to announce they have increased spending on their annual tax credit awareness campaign and free tax preparation services **20-fold** compared to last year. **There are now over 200 sites across the five boroughs where New Yorkers can file their taxes for free.**

Here with-in **Bushwick** the **free tax prep site is located at:**

Grow Brooklyn-Bushwick

315 Grove Street—Bet.: Myrtle & Knickerbocker Avenues

Brooklyn, NY 11237

DCA offers two ways for New Yorkers to file their taxes safely and for free:

In Person: Annual incomes of \$53,000 or less (with children) or \$18,000 or less (no children)

Online: Annual income of \$60,000 or less. Go to nyc.gov/taxprep. The online service is **easy and secure**. Use a secure computer to protect your privacy.

For more information, you can visit nyc.gov/taxprep or call 311 and ask for tax preparation assistance.
