

Are you looking for a construction job?

Skilled Build Construction Training and Recruitment is looking for North Brooklyn residents for our construction training program!

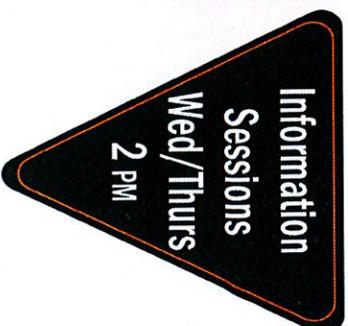

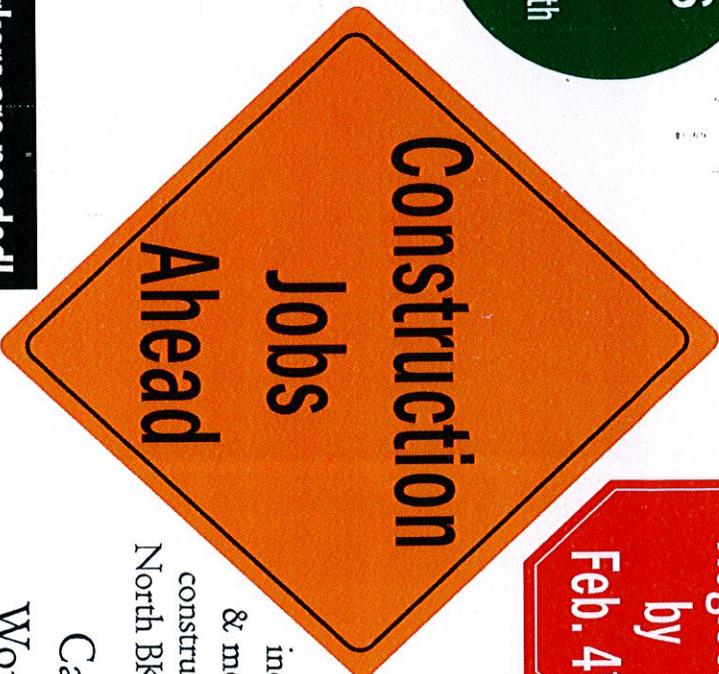

Construction
Training & Recruitment

- Training candidates should have:
- prior physical work experience
 - at least an 8th grade math and reading level
 - be substance-free
 - committed to safety
 - ready to work in a physically demanding industry

Experienced union and non-union construction workers are needed!

Our 5-week training leads to credentials that are industry recognized! & more importantly to a local construction job in the growing North BKLYN construction industry!
