Holiday Safety
Tips**

Your safety is important. If approached by an armed person, give them what they want, try to remember as much about the person and call 911...

DO Park your car in a busy and well lit area.

DO Shop and travel with a companion.

Do Keep your windows rolled up and lock your car doors.

DO Be suspicious of anyone wanting to share money with you; it may be a con game.

Do Lock the doors to your house or apartment when you leave, even if its just to run to the mailbox.

DON'T Hang your purse from your shoulder. Carry it in your hand or as close to your body as possible. Never place your purse on the floor or in a baby carriage.

DON'T Carry large sums of money. Take only what you need or use a credit/debit card.

DON'T Give anyone your personal information, especially your pin number.

DON'T Fight if your purse is taken, there is: no belonging: worth getting hurt for.

OPPORTUNITIES FOR A BETTER TOMORROW

Building careers through confidence, discipline, and professionalism

Digital Career Path Job Training Program

New program starting this Fall!

Participants will learn the fundamentals of Internet business etiquette and explore the purposes of having an online identity through social networking. They will discover the building blocks of nearly all digital media content by learning to create and edit with Adobe Creative Suite which includes Photoshop, Illustrator and Flash, edit and manager video and audio files, blog and tag images, basic HTML coding and elements of graphic design
