Record of Variance Action

On November 10, 2015, the NYC Board of Correction voted to APPROVE the Department of Correction's request for a limited variance from BOC Minimum Standard 1-09(c)(1)(i), which requires that the Department provide at least two evening visits on Monday through Friday.

The Department is once again requesting that visits for Thanksgiving Day (November 26th) be conducted on a day schedule rather than an evening schedule. The Department believes that this one-day modification to the visit schedule will enhance the opportunity for visitors to visit inmates during this holiday while also benefitting the staff members who work the visit posts.
