- 17 – NYS Assemblyman Mark Gjonaj: Assemblyman Gjonaj welcomed everyone back from the summer recess. He talked about the relief effort being coordinated by his office, Assemblyman Benedetto, Senator Klein and Congressman Crowley. He mentioned the Hutchinson River Parkway DOT study for a ramp from the Hutchinson River Parkway. Another topic he discussed was 2800 Bruckner Boulevard and added that there is a lack of information and lack of transparency; all the electeds will be vigilant in keeping an eye on this building. If it is discovered that the stated purpose of the building is other than what has been discussed, the money flow will be choked.
