The meeting was called to order at 7:40 PM.

The minutes of December 19, 2017 were amending to reflect correction of error in the attendance of Judith Green who was listed at present but did not attend. The minutes were approved as amended.

Discussion was held on possible topics for future meetings. No decisions were made yet. Our hope is to have Councilman Andrew Cohen attend our meeting now that he is on the Education Committee at the City Council.

The letters to the schools pertaining to their requests for Office of Management and Budget (Community Board 8 -Budget 2019) will be sent out soon.

The Chair addressed the need for update to AP courses in Middle Schools. She read report which stated that 73% of students do not receive instruction.

The meeting was adjourned at 9:10 PM.

Respectfully submitted,
