C. Moerdler introduced Chairwoman Ginty.

Chairwoman Ginty addressed the Board regarding the rental of a facility for the Hebrew Home ULURP Public Hearing. Due to the fact that the original Hebrew Home Hearing was not conforming, a second hearing would have to be held between May 7th and June 11th. There was a lot of pressure as to where the meeting would be held so Chairwoman Ginty spoke with Board Members regarding locations large enough and with parking; there was no other choice but to go to the Riverdale Temple. The Riverdale Temple charges a lease fee. After speaking with Land Use Chair, Chuck Moerdler, they decided it was best to hold the meeting at the Hebrew Home. At this point, Chairwoman Ginty addressed the issue with the Officers.

Chairwoman Ginty reported that Community Associate, Lydia Hernandez resigned. District Manager, Ciara Gannon and Secretary, Lisa Daub will work together in the hiring process. District Manager Gannon stated that she and Lisa are working with BP office to finalize job description, once this is done ads will be placed in local newspapers. They will accept resumes until August 31, 2018 and then the interviews will commence.

Chairwoman Ginty reported that Treasurer, Amy Joy Robateau resigned from the Community Board. Chairwoman Ginty stated that the Board is sorry to lose a member and officer. According to the Board's by-laws, the vacancy created shall be filled by the board no later than second regular meeting following the creation of the vacancy. In September, this will be on the agenda and nominations will come from the floor. A memo will be sent out to the board with this information.

C. Moerdler asked if the neighbors have been notified to this proposal. District Manager Gannon stated that the Community Board Office sent out notification ten days prior to the meeting. One neighbor was in attendance at the meeting.

C. Moerdler asked how much land would be paved and if it was permeable or semi permeable. Ms Lu. Stated that stone pavers would be installed and they would permeable.

B. Fanuzzi reported that West 263 Street is subject to flooding and there is a concern that the stone pavers will increase flooding and run off and asked what the applicant plans to do in order to make up for this impact. Ms. Lu stated that it is a minimal impact of eight percent and that shrubs would be planted so that water could be collected.

B. Bender asked about figure on application: 45% of trees on site are impacted. Ms. Lu stated that no trees are impacted because the roots and trees will be protected.

Harvey Kempton, a representative for the homeowner of 370 W. 253 Street was in attendance and reported that there was not enough time to review the plans. Mr. Kempton stated that this is an important issue because the two homes are very close together.

C. Moerdler asked if this can be tabled until the September Land Use Committee meeting to be held on September 4th. The full board meets on September 12 and will vote on this item at that meeting. C.
