

**Youth Committee Minutes  
Meeting of 4/28/06**

Meeting called to order at **12:05PM**

1. Budget priorities were discussed. The committee voted to maintain its request from FY 2007 and requests additional funding for a “homework help” program in CB 8.
2. The possibility of the committee applying for grant funds for a joint project was discussed. Chairman will inquire as to the legal side of the issue.
3. Vacancies on the neighborhood advisory board were discussed as a concern. The only elected official to have appointed a member to our board is Adolfo Carrion, Jr. The NAB currently has 4 members and 8 vacant seats. All interested and eligible candidates are urged to apply. For more information visit [www.nyc.gov](http://www.nyc.gov).
4. The possibility that an upcoming Riverdale Y capital project will result in the donation of weight-room equipment was brought up by the Chairman. A number of organizations were suggested as possible recipients of the equipment if it is available.
5. Sheryl Benjamin of the Riverdale Y discussed the need for a drop-in center for special-needs youth in CB 8.

Respectfully submitted,

Jay Horowitz  
Chairman  
Youth Committee
