To provide subsidized jobs for 105 cash assistance or food stamp participants. To leverage 50% federal Food Stamp and Employment Training matching funds for pre-employment, placement, and retention services.	Expansion	Fall 2011	N/A
Jobs-Plus	HRA/NYCHA	Expand evidence-based employment services program for residents of public housing.	The Jobs-Plus model aims to increase earnings among public housing residents by saturating selected developments with employment services, rent-based and other financial incentives, and community-building activities that support work.	Expansion	TBD	Concept paper issued 10.28.11. RFP to be issued January 2012

HEALTH

Program Name	Agency	Program Description	Goals/Objectives	Expansion or New	Services Start Date	Procurement Opportunities and Details
CUNY Fatherhood Academy	CUNY	CUNY Fatherhood Academy is designed to strengthen fathers and families and promote responsible fatherhood and economic stability by connecting current and expectant fathers on CUNY campuses and throughout the five boroughs to educational, employment and parenting resources.	At the end of their participation in the program, participating fathers will have achieved in the following areas: Employment/Professional Development; Education and Personal Development; Father Involvement.	New	January, 2012	CUNY selection of campus
Teen and Young Adult Health Program	HHC	Young males are less inclined to engage (or be engaged by) the health care system, and HHC seeks to strengthen this engagement by providing targeted services and better preparing HHC health care providers for the unique challenges of working with teens.	(1)Improve health outcomes for adolescents and young adults by enhancing knowledge and skills of healthcare personnel regarding adolescent health in general and sexual and reproductive health in particular; (2)Provide direct health care services and/or links to other adolescent-friendly services and social support; (3) More fully involve males in sexual and reproductive health services.	New	Spring, 2012	TBD
Project Ceasefire	DOHMH/HHC	The YMI-related Ceasefire replication is a three-year project to test and evaluate the provision of Ceasefire services in partnership with City hospitals.	The model aims to reduce shootings and killings by 1) interrupting violence by connecting with youth on the streets where the violence is occurring and in hospitals where victims are receiving care; 2) assisting high-risk youth with referrals and mentoring on job training, schooling, employment, health care, etc.; and 3) mobilizing community members and organizations to promote non-violence and to raise awareness about violence impacts on communities.	New	Spring, 2012	TBD

JUSTICE

Program Name	Agency	Program Description	Goals/Objectives	Expansion or New	Services Start Date	Procurement Opportunities and Details
Community Education Pathways at NeONs	DOP	CBOs will provide a highly structured program that combines high quality instruction, personal support and career development within a youth development framework at DOP NeONs.	The program seeks to improve young adults' literacy and math skills, and by improving these skills, re-engage young adults with their communities, prepare them for employment, improve their productivity and reduce the risk of re-offending and long term poverty.	New	January, 2012	Request for applications issued
Justice Scholars	DOP	Justice Scholars provides educational services, career exploration, and case management for court involved young adults age 16-24.	To increase educational gains and attainments and reduce recidivism.	Expansion	January, 2012	Awards Selection in process
Justice Community	DOP	Justice Community is a place based initiative that provides subsidized employment, case management, community benefit projects, and education to young people age 16-24.	To re-engage probationers in community while preparing them for employment or higher education, and to reduce recidivism.	Expansion	January, 2012	Awards Selection in process
Arches: Transformative Mentoring	DOP	A curriculum-based group mentoring intervention that helps justice-involved young adults transform the attitudes and behaviors that have led to criminal activity. It serves adolescents and young adults on probation (16 years of age or older)	Short-term outcomes include behavioral changes such as increased well-being, better personal and family relationships, increased self-esteem. Longer-term outcomes include advances in education, employment, and the cessation of criminal activity.	New	January, 2012	Concept Paper issued October, 2011; Request for Application to be issued in November, 2011
Advocate, Intervene, Mentor (AIM)	DOP	AIM utilizes an intervention strategy that pairs 14 to 18 year old youth on probation with paid advocates to provide participants with the structure and guidance needed for success by identifying and connecting them with untapped resources and developing self-efficacy.	The goal of the AIM Program is to enhance community safety, reorient young people away from harmful behaviors and towards a better future.	New	July, 2012	Concept paper released Nov 29, 2011 RFP in January, 2012
NYC Justice Corps	CUNY	NYC Justice Corps works with 18-24 year olds who are involved with the criminal justice system and live in neighborhoods with high poverty and incarceration rates. The program is six months long and includes stipends for participation in work-readiness classes, community service projects, and subsidized internships.	To improve surrounding neighborhoods through civic engagement and community benefit service projects; To decrease recidivism rates among program participants; To increase self-sufficiency of program participants by improving education and employment outcomes.	Expansion	YMI sites will start July 2012	RFP will be issued by CUNY in Winter 2011.
