Decsription

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8413, 33 Beaver St., 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up only Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

RECONSTRUCTION OF HVAC SYSTEM IN GRACIE MANSION IN CARL SCHURZ PARK, MANHATTAN – Negotiated Acquisition – PIN# 8462003M081C02 – DUE 12-31-02 – Department of Parks and Recreation, Capital Project Division intends to enter into negotiations with Crocker Construction to provide construction services for the reconstruction of the HVAC System in Gracie Mansion, located East 88th Street and East End Avenue in Carl Schurz Park, in the Borough of Manhattan.

There is a need to procure construction when, during an ongoing construction project, there is a compelling necessity to perform additional work, which constitutes a material change of scope, and the advantages of negotiating with either an existing supplier or a limited number of other suppliers clearly outweigh the disadvantages of a lack of competition.

Any firms that would like to express their interest in providing services for similar projects in the future may do so. All expressions of interest must be in writing to the address listed here and received by December 31, 2002. You may also join the city bidders list by filling out the NYC-FMS Vendor Enrollment Application available on-line at “NYC.gov/selltonyc” and in hard copy by calling the Vendor Enrollment Center at (212) 856-1680.

EAST RIVER FERRY LANDINGS / CONSTRUCTION MANAGEMENT CONSULTANT - REQUEST FOR QUALIFICATIONS - DUE 01/21/2003 at 3:00 PM -

New York City Economic Development Corporation ("EDC"), in conjunction with New York City Department of Transportation (DOT) and New York City Department of Parks and Recreation (DPR) is seeking to pre-qualify facilities management/construction management firms to receive a request for proposals ("RFP") for construction of the East River Ferry Landings Project. The provision of Construction Management Services for the pre-construction, construction, and post-construction phases of the Project will be required.

The Project entails the construction or upgrading of ferry landings at five locations along the East/Harlem Rivers. Sites include the Battery Maritime Building (BMB), East 34th St., East 62nd St., East 75th St., and East 90th St. all in the Borough of Manhattan.

Goals of the project are to stimulate use of the waterway as an alternate commuter route, provide improved landings and public amenities for a high speed ferry service to LaGuardia Airport, and to improve public access to the waterfront. The design of the project is in the final stages of contract document preparation. Construction of permanent improvements will begin in early 2003 and be completed by spring of 2004.

The current project is a follow-up to the East River Ferry Initiative, a City effort begun in 1995 to examine strategies for developing a ferry corridor along the East River.

The total construction budget for this project is twenty-one (\$21,000,000.00) dollars and the duration of the construction phases is expected to be approximately twelve (12) months. Project funding includes Federal TEA-21 funds and matching municipal contributions. Construction work for the project is estimated at approximately 75% marine and 25% landside. The Construction Manager will be responsible for the management of all construction contracts. However, the Corporation intends to hold all construction contracts due to Federal procurement requirements. Work to take place at each of the five sites is listed below:

BMB: - rehabilitation of existing docking facilities at one slip
- construction of ticketing counter within existing building

East 34th St.: - rehabilitation of existing pier structure
- construction of new floating platforms
- construction of new approximately 3,000 sq.ft. terminal building

East 62nd St. - construction of new ferry landing
- construction of shelter area and ticketing counter
- construction of new floating platforms

East 75th St. - construction of new ferry landing
- construction of shelter area and ticketing counter
- construction of new floating platforms

East 90th St. - rehabilitation of existing pier
- construction of shelter area and ticketing counter
- construction of new floating platforms

Please note you must respond to the RFQ in order to be eligible for consideration to receive the RFP. The RFQ is available for pick-up at EDC, 110 William Street, 6th floor, New York, NY 10038. RESPONSES ARE DUE NO LATER THAN 3:00 PM, Tuesday January 21,

Description

260-262 W. 125TH STREET – Request for Proposals – DUE 01-28-03 – The New York City Economic Development Corporation (EDC), in conjunction with the Office of the Manhattan Borough President, is seeking proposals for lease and development of the property at 260-262 West 125th Street, formerly known as "Mart 125". Proposals that would provide an anchor tenant (e.g., a restaurant) to attract substantial consumer traffic, and also offer opportunities for inclusion of smaller local retailers, are strongly preferred. However, respondents may propose economically viable alternative plans that would be beneficial to the surrounding community and the City. Development must comply with requirements of the existing C4-4 zoning district.

The selected developer will be offered a lease on a net basis, with a possible purchase option. The term of the lease will be negotiable. All subleases will be subject to review by EDC and the City.

All respondents must attend the "Mandatory Proposer's Conference" scheduled for 2:00 p.m. on December 18, 2002.

Five copies of the RFP should be sent to EDC, 110 William Street, 6th Floor, New York, NY 10038, Attention: Paul Tamboia, Agency Chief Contracting Officer, Vice President, Administration. To be considered for selection, proposals must meet all requirements contained in the RFP. Please note that the RFP cannot be faxed or e-mailed. Description

SOLICITATION FOR COUNSELING, TRAINING AND TECHNICAL ASSISTANCE FOR THE MULTIFAMILY HOMEOWNERSHIP PROGRAM (MHOP) – Small Purchase – DUE 12-16-02 AT 4:00 P.M. – The New York City Housing Authority (“NYCHA”) is seeking proposals from qualified firms (the “Proposers”) to provide (i) pre-purchase counseling and training for prospective buyers of apartments in NYCHA’s multi-family homeownership program (“MHOP”) and (ii) post-purchase technical assistance. Under MHOP, public housing and rental units will be converted into limited-equity cooperative ownership under offering plans that have been filed with the New York State Department of Law. Included in NYCHA’s MHOP are rental units located in renovated walkup buildings. Service must be provided on site at three developments, two in the Bronx and one in Manhattan.

The objective of the counseling and training is to prepare residents with incomes between 50%-80% of area median income (“AMI”) for homeownership in limited equity cooperatives. This work will include tenant-organizing (i) to ensure participation in the training program and (ii) to identify prospective cooperative board officers through formation of functioning tenants associations. Applicants for MHOP are currently public housing residents or are qualified to purchase after the Sponsor has certified that they are at least 18 years of age and meet NYCHA’s tenant selection and admission standards. Approximately 120 potential shareholders will require counseling and training. The post-purchase technical assistance is intended both to support 114 shareholder households in the shift from renter to homeowner, and help facilitate operation of the cooperative board, particularly property management oversight.

CORRECTION: ACCEPT, PROCESS, AND MARKET RECOVERED METAL, GLASS, AND PLASTIC - Competitive Sealed Bids - DUE 12-4-2002 AT 10:30 AM

ACCEPT PROCESS AND MARKET RECOVERED METAL AND PLASTIC - PIN# 82703BR00051
ACCEPT PROCESS AND MARKET RECOVERED METAL GLASS AND PLASTIC - PIN# 82703BR00052

CORRECTION:
82703BR00051

The Department of Sanitation(DSNY) seeks contractors to accept, process, and market commingled metal and plastic. This solicitation is mandated by Local Law 11 of 2002, which temporarily suspended commingled recycling but requires that commingled metal and plastic recycling be restored by no later than July 1, 2003. DSNY will deliver the commingled material it collects to acceptance facilities that the winning contractors specify in their bid documents. Based on prior performance, total deliveries under the MP contract are expected to average 10,600 net tons per month(69 percent metal, 16 percent plastic, and 15% residue).

82703BR00052

The Department of Sanitation (DSNY) seeks contractors to accept, process, and market commingled metal, glass, and plastic. This solicitation is mandated by Local Law 11 of 2002, which temporarily suspended commingled recycling but requires that metal glass and plastic recycling be restored by no later than July 1, 2004. DSNY will deliver the commingled material it collects to acceptance facilities that the winning contractors specify in their bid documents. Based on prior performance, total deliveries under the MGP contract are expected to average 28,500 net tons per month (26 percent metal, 6 percent plastic, and 53 percent glass, and 15 percent residue).

An initial term of five years, with two subsequent one-year extensions options is available. Bidders will submit two bid price, depending upon whether or not DSNY is responsible for excess residue, and contract prices, will be adjusted for inflation in each subsequent year relative to the Consumer Price Index. The Department encourages the use of subcontractors and joint ventures.

To be eligible for the solicitation, the bidder, or principal of the bidder, must have a minimum of three years experience in the acceptance or processing of recovered, commingled recyclables or three years of experience in accepting and disposing of municipal solid waste. All bid instructions will be contained in a contract document which is currently scheduled to be available on Tuesday, November 13, 2002 at the Agency Contracting Office, NYC Department of Sanitation, 51 Chambers St., Room 806, New York, NY 10007, (212)788-8085. An optional pre-bid conference will be held Monday, November 25, 2002, from 10:30 a.m. to 12:30 p.m. at the NYC Department of Sanitation, Bureau of Waste Prevention, Reuse, and Recycling, 44 Beaver St., 6th Floor Conference Room, New York, NY 10004. CAT-200 - Negotiated Acquisition / Other - PIN# 82603WM00108 - DUE 12-2-2002 AT 11:30 AM
DEP, Bureau of Environmental Engineering intends to enter into a Negotiated Acquisition with Hazen Sawyer, P.C./Camp Dresser & McKee, A Joint Venture, for Engineering Design Services for Construction of Catskill/Delaware Ultraviolet Light Disinfection Facilities. The Basis for using the Negotiated Acquisition process is because Pursuant To Section 3-04 (b)(2)(V) of the PPB Rules, there are compelling programmatic reasons to retain Hazen and Sawyer, P.C./Camp Dresser & McKee, A Joint Venture for the remaining phases of the full-scale Catskill/Delaware water Treatment facility design. In the case of this ongoing construction project, it is critical that the engineering services for the successive phases of the project are performed by the consultant who has performed the preliminary work. In view of the Joint Venture's satisfactory performance of its current work on this project and its familiarity with all aspects project, it is in the City's best interest to procure this contract as a negotiated acquisition. The Projected contract start date is May 1, 2003 and the projected end dated is May 1, 2011. Any firm which believes it can also provide this category of service and would like to be considered for future related work, is invited to contact the Agency at: Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Flushing, New York 11373, Attention: Ms Debra Butlien (718) 595-3423)

JUVENILE PLACEMENT PROJECT, CITY-WIDE – Demonstration Project – Testing or experimentation is required - PIN# 200278IFCS09 – DUE 11-22-02 AT 2:00 P.M. – The proposed supplier, the Vera Institute of Justice, will work with DoP, the court system, the New York State Office of Children and Family Services (OCFS), and other stakeholders to reduce New York City’s reliance on State placements for juvenile delinquents. Such reductions are to be achieved through both analytic assistance in identifying youth who can be safely maintained in the community, and development of an intervention designed to keep otherwise placement-bound youth at home with their families. Up to 300 of the 1,500 juveniles who are currently sent to OCFS annually are expected to be successfully diverted. At the end of this demonstration project, the contractor will make recommendations to DoP concerning use of this approach in the future.

Per PPB Rules §3-11, DoP has determined that testing is advisable to evaluate the reliability of this innovative approach in order to determine whether in fact it will realize City tax levy savings through the diversion of juvenile delinquents into home versus State placements. Organizations interested in providing the subject services should submit a written letter expressing their interest and outlining their qualifications to do so to Richard Tibbetts, Agency Chief Contracting Officer, Department of Probation, Office of Procurement, 19th Floor, 33 Beaver St., NYC 10004 (212) 232-0656.

The services would include health screening and assessment to determine the medical priority needs of families, minor episodic care and if necessary, assistance with referrals to off-sites medical and prenatal care, and one-on-one health education and counseling.

It is anticipated that the term of the contract awarded from this RFP will be from July 1, 2003 to June 30, 2005. The contract may additionally include up to (2) two-year options to renew. The maximum available annual funding is \$2,000,000.

Any proposer that believes it can provide the described service is invited to submit a proposal which will be available for pick-up only beginning November 6, 2002 at the Department of Homeless Services at 33 Beaver Street, 13th Floor Bid Desk. The pre-proposal conference will be held on Thursday, December 12, 2002 at 2:00 p.m. at 33 Beaver Street, in the 13th Floor Conference Room. If you have any questions, please contact Calvin Pitter, Deputy Agency Chief Contracting Officer at (212) 361-8413. Proposals must be received no later than 5:00 p.m. on Tuesday, January 7, 2003.

ENGINEERING SERVICES TO MODIFY THE MARINE TRANSFER STATIONS FOR CONTAINERIZATION OPERATIONS
PIN: 82703RR00038 - DUE: 11-6-02

NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS

The New York City Department of Sanitation (DSNY) intends to conduct a negotiated acquisition for the provision of engineering services to convert the City's Marine Transfer Stations (MTSs) into facilities at which solid waste can be containerized and placed onto barges for transport. Pursuant to a conceptual framework for the development of long-term export of DSNY-managed waste outlined by the Mayor on August 2, 2002, DSNY seeks to convert the eight MTSs in an expedited timeframe. The addition of waste containerization and barge transport capabilities at the MTSs will likely require the redesign of the facilities to include, among other things, a dedicated waste tipping floor, waste compactors, container cranes and associated environmental controls. The redesign is also expected to result in enlarged footprints for a number, if not all, of the MTSs, and will include construction over water and new piles.

The need to quickly bring a new containerized marine waste export system on-line results in a compelling need in a time-sensitive setting to procure engineering services from a firm with the requisite expertise and experience in the design of projects to facilitate the transfer and transport of waste. In this way, DSNY can move forward quickly to end the City's reliance on costly interim contracts for the export of DSNY-managed waste and replace them with more cost-effective long-term contracts for container-based export from the MTSs.

To provide the engineering basis for the Mayor's new conceptual framework for the long-term export of DSNY-managed waste, the Mayor and DSNY called upon Greeley and Hansen LLC (G & H) to develop an engineering concept to modify the City's existing Marine Transfer Stations (MTSs), to include containerization operations on a fast track schedule. The resulting G & H concept fulfilled the mayoral mandate to containerize waste at the MTS sites and was specifically cited by the Mayor as the basis on which DSNY would engineer the MTS containerization system. There is an urgent and compelling need to transfer containerized waste on barges to avoid the extraordinary costs of the interim waste export contracts, including unavoidable traffic-related costs and reliance on private transfer stations operating in City communities and collection truck and transfer-trailer-based transfer to out-of-City facilities. Further, there is a great deal of uncertainty in the current export system which could lead to, not only price volatility, but also to potential disruptions in service. Because of the time-sensitive and compelling need to obtain specialized engineering services, it is not practicable to do the work through the use of competitive sealed bidding or competitive sealed proposals. Pursuant to the City Procurement Policy Board Rules Section 3-04(b)(2)(i)(D), there is a compelling and urgent need to obtain these specialized engineering services through negotiated acquisition.

The Agency had previously entered into a requirements contract with G & H on October 23, 2000, to provide architectural and engineering services in connection with the renovation and rehabilitation of DSNY facilities in all boroughs, including the eight Marine Transfer Stations.

On the basis of research conducted, DSNY has developed a list of firms with the demonstrated experience and expertise to move forward rapidly to design projects to facilitate the marine transfer and transport of waste. Included are consultants who worked for the Agency on MTS projects, the enclosed barge unloader project at the Fresh Kills Landfill and consultants who teamed up with proposers to respond to the Agency's MTS Request for Proposals issued in June 1997 and MTS Request For Expressions of Interest issued in May 1999. In accordance with PPB Rules Section 3-04(b)(4), DSNY has sent a solicitation package to each of the firms on the list and has invited them to submit proposals for engineering services in connection with the conversion of the MTSs to facilities at which waste can be containerized and transported by barge. The firms invited to participate in the negotiated acquisition of these services are:

1. Ammann and Whitney
2. Cameron Engineering & Associates, LLP
3. Daniel Frankfurt Architects & Engineers,
P.C.
4. DMJM + Harris
5. Earthtech/TAMS
6. Feld, Kaminetzky and Cohen, P.C.
7. Greeley and Hansen, LLC
8. Parsons, Brinckerhoff, Quade & Douglas,
Inc.
9. Paulus, Sokolowski and Sartor, LLC
10. Weston Solutions, Inc.

The contract awarded through this negotiated acquisition is expected to have a term of five years from early January 2003 through the end of December 2007.

Decsription

The contract award will provide for the engineering services in connection with the design of MTS facilities at which waste can be containerized and transported by barge. The negotiated acquisition will allow DSNY to proceed with the engineering of the conversion of the MTSs in an expedited manner with a minimum of disruption in schedule.

Any vendor that is interested in responding to future solicitations and that would like to be included on the Agency's bidders list, may contact the Department of Sanitation, Bureau of Long Term Export , 44 Beaver Street, 12th Floor, New York, NY 10004. Attn: Sarah Dolinar, Bureau Contracting Officer.

EXPERT PROFESSIONAL SMART CARD PROGRAM MANAGEMENT SERVICES AS REQUESTED – CSB – DUE 11-01-02 AT 2:30 P.M. – on an “As needed” basis during 2003, 2004, and 2005.
The Port Authority of New York and New Jersey (the Authority) is seeking to identify consultants interested in responding to a Request for Proposal (RFP) for the performance of program management services for its Office of Regional Smart Card Programs on an “as-needed” basis.

The services of the consultant shall generally consist of assisting in the coordination and implementation of a regional smart card system in the New York, New Jersey, Connecticut, Pennsylvania region. The services shall include, but not be limited to business and technical program consulting services; program management services and program administrative services; and providing technical, planning and governance expertise to ensure that the program meets the requirements of the regional transportation stakeholders.

The Consultant must meet the following minimum requirements:

Has experience and expertise in the facilitation and execution of multi-agency policy and organizational structure for transit fare collection.

Has performed automatic fare collection system business and technical consulting services including customer service and electronic payment processing (financial clearing and settlement) for a minimum of five (5) years.

Has performed oversight project management and administration for the implementation of regional automatic fare collection systems using smart cards and magnetic instruments.

Has staff resources with a combined total of at least twenty-five (25) years experience designing, installing, operating, and maintaining automated fare collection systems.

A copy of the Request For Proposal will be furnished to interested consultants upon request to Ms. Laurie Spencer via email at Lspencer@panynj.gov.

APPRAISALS AND RENT COMPARABILITY STUDIES FOR THREE MULTIFAMILY PROPERTIES IN MANHATTAN – Small Purchase – DUE 10-21-02 AT 4:00 P.M. – The New York City Housing Authority (“NYCHA”) seeks proposals from individuals or firms qualified to perform both (i) appraisals of multifamily rental property (“Appraisal”), and (ii) rent comparability studies (“RCS”) for three locations (East 4th, East 117th and East 120th Street respectively) in Manhattan. All properties were acquired and substantially renovated by NYCHA in the late 1980’s. At that time, NYCHA entered into project-based Section 8 Housing Assistance Payment contracts (“HAP Contract”) with the United States Department of Housing and Urban Development (“HUD”); the three properties continue to receive rent subsidies through HAP Contracts.

APPRAISAL AND RENT COMPARABILITY STUDY FOR 17 BUILDINGS ON EAST 100TH, 102ND AND 103RD STREETS, EAST HARLEM – Small Purchase – DUE: 10-21-02 AT 4:00 P.M.

The New York City Housing Authority (“NYCHA”) seeks proposals from individuals or firms qualified to perform both (i) an appraisal of multifamily rental property (“Appraisal”), and (ii) a rent comparability studies (“RCS”) for one site consisting of 17 buildings on East 100th, 102nd, and 103rd Streets, East Harlem. The property was acquired and substantially renovated by NYCHA in the late 1980’s. At that time, NYCHA entered into project-based Section 8 Housing Assistance Payment contracts (“HAP Contract”) with the United States Department of Housing and Urban Development (“HUD”); the property continues to receive rent subsidies through HAP Contracts.

The Appraisal’s may be used for sale or mortgage purposes and must be based on the “Sales Comparison, Cost and Income Approaches” methodology set forth in the Uniform Standard of Professional Appraisal Practice (“USPAP”). The RCS will be used in connection with renewal or re-negotiation of the HAP Contract.

Proposers must be New York State certified appraisers and must have the capacity to complete and submit the Appraisal and RCS within six weeks after execution of a contract with NYCHA. The Appraisal and RCS must conform to the applicable requirements of (i) The Standards of Professional Practice and Code of Professional Ethics of the Appraisal Institute; (ii) The USPAP and (iii) HUD’s Office of Multifamily Housings publication, “Guidance for the Renewal of Project-Based Section 8 Contracts.”

BRONX RIVER BASIN ECOSYSTEM RESTORATION FEASIBILITY STUDY – Government to Government Purchase – PIN# 82603WP00859 – DUE 10-11-02 AT 4:00 P.M. – Pursuant to Section 3-13 of the PPB Rules, DEP, Bureau of Environmental Engineering intends to enter into an Agreement with U.S. Army Corps of Engineers (“USACE”), for Bronx River Basin Ecosystem Restoration Feasibility Study. The U.S. Army Corps of Engineers will perform services for the evaluation of ecosystem restoration in Bronx River Basin. The DEP has determined to use this procurement method because the USACE has extensive technical expertise in biological monitoring, habitat restoration and hydrodynamic modeling that directly supports the Department’s initiatives on CSO abatement and dredging. Any “intellectual product” developed will be public domain. Qualified suppliers that wish to express their interest in providing such services in the future are invited to submit expressions of interest, which must be received no later than October 11, 2002, 4:00 P.M., at: Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Corona, New York 11368, Attention: Ms. Debra Butlien (718) 595-3232.

CONSTRUCTION MANAGEMENT SERVICES – NA/8 – PIN# 82602WP00804 – DUE 10-11-02 AT 4:00 P.M. – DEP, Bureau of Environmental Engineering intends to enter into a Negotiated Acquisition with Blasland, Bouck and Lee/Tams, JV, for Construction Management Services for the Tallman Island Water Pollution Control Plant Upgrading. The basis for using the Negotiated Acquisition process is because Pursuant to Section 3-04 (b)(2)(v) of the PPB Rules, there are compelling programmatic reasons to retain Blasland, Bouck and Lee (“BBL”)/Tams, JV for the remaining phases for the Tallman Island Water Pollution Control Plant Upgrading. In the case of this ongoing construction project, it is critical that the engineering services for the successive phases of the project are performed by the consultant who has performed the preliminary design. The view of BBL/Tams’ satisfactory performance of its current work on this project and its familiarity with all aspects of the Tallman Island WPCP, it is in the City’s best interest to procure this contract as a negotiated acquisition. The projected contract start date is March 3, 2003 and the projected end date is March 3, 2008. Any firm which believes it can also provide this category of service and would like to be considered for future related work, is invited to contact the agency at: Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Corona, New York 11368, Attention: Ms. Debra Butlien (718) 595-3423.

Decription

QUEENS PLAZA URBAN DESIGN - RFP – DUE 09-20-02 AT 2:00 P.M. – (“RFP”) for design consultant services (the “Services”) to assist EDC and the New York City Department of City Planning (“DCP”) in the development of an artistic and environmentally responsive streetscape and landscape design (the “Phase II Design Plan”) for the Queens Plaza Streetscape and Landscape Design Project (the “Project”).

The Project is the second phase (“Phase II”) of the Queens Plaza Bicycle and Pedestrian Improvement Project (PIN No. X501002) (the “Overall Project”) which is being funded by Federal funds (“CMAQ Funds”) under the TEA-21 Congestion Mitigation Air Quality Program. Receipt of CMAQ Funds is conditioned upon compliance with certain mandatory Federal and State terms and conditions that are set forth or referred to in the RFP and which respondents should review before submitting a proposal.

The Overall Project is a design and construction project for Queens Plaza and adjacent streets generally located between the East River on the west and the Thomson/Van Dam intersection on the east (the “Site”). The total estimated cost of the Overall Project ranges from \$17 to \$20 million. Phase II is expected to begin December 2002 and end at the latest by February 2004.

Subject to the responses to the RFP, EDC, in cooperation with DCP, will select a consultant (“the Consultant”) to lead a multi-disciplinary team of subconsultants for this Project. The Consultant and the subconsultants must be acceptable to DCP and will be collectively referred to as the “Consultant Team”. Qualified respondents and the proposed members of the Consultant Team must be experienced in the design of complex public streets, plazas and parks.

The Phase II Design Plan will consist of the following five elements:

- (1) an overall streetscape plan;
- (2) designs for medians and the JFK Commuter Triangle;
- (3) a bike path;
- (4) a design for Queensbridge Baby Park; and
- (5) improvements to land under the Queensboro Bridge.

In the event a respondent is selected pursuant to the RFP, the selected respondent will be required to enter into a consultant services contract with EDC. It is anticipated that payments under such contract will be on a “per Task” basis, subject to the approval of EDC and DCP of the Services and work products required under the contract, and subject to CMAQ Funds being made available.

Respondents will be evaluated based upon the following criteria, weighted as follows:

- (1) respondent’s demonstration of past experience with previous projects of a similar nature (30 percent);
- (2) the content of respondent’s proposal (50 percent), which shall be evaluated as follows: (a) the proposed members of the Consultant Team (20 percent); and (b) the respondent’s strategy for completing all of the Services required by the RFP (including all of the Tasks and Work Products identified in the RFP) (30 percent); and
- (3) the respondent’s total proposed fee (20 percent).

EDC is dedicated to furthering the participation of disadvantaged, minority and women-owned businesses (“DBEs”) in this Project.

Each bid submitted must be accompanied by a certified check for 5% of the amount of the proposal, or alternatively, a bid bond not less than 10% of the amount of the proposal, payable to the Comptroller of the City of New York.

This Project is Federally aided and is subject to the provision of Title 23, U.S. code, as amended, and applicable New York State Statutes. In compliance with these provisions the minimum wages to be paid to laborers and mechanics are included in wage schedules that are set out in the bid proposal.

Disadvantaged Business Enterprises (DBE) will be afforded full opportunity to submit bids and the City of New York hereby notifies all bidders that it will affirmatively insure that any contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the basis of race, color, sex, sexual orientation, national origin, age or place of residence. Prospective bidder's attention is also directed to the requirements of schedule "H" in the proposal concerning DBE participation in the contract. The schedule of proposed DBE participation is to be submitted by the apparent low bidder within 10 business days after the date of opening of bids.

Non-compliance with the 10 day submittal requirement, the stipulations of Schedule "H" or submittal of bids in which any of the prices for lump sum or unit items are significantly unbalanced to the potential detriment of the Department may be cause for a determination of non-responsiveness and the rejection of the bid. The award of this contract is subject to the approval of the New York State Department of Transportation and the Federal Highway Administration.

Contract documents are available from the Contracts Section, Office of the Agency Chief Contracting Officer at the above address, Monday to Friday, between the hours of 9:00 AM and 3:00 PM, starting August 5, 2002 and ending September 12, 2002. A list of all who have received plans for this contract will be available for review.

A Pre-Bid meeting (Optional) has been scheduled for September 5, 2002 at 10:00 AM in the Conference Room (8th floor), 2 Rector Street, NYC. All prospective bidders are requested to attend.

REQUEST FOR EXPRESSIONS OF INTEREST AND STATEMENTS OF QUALIFICATION FOR INDEPENDENT PRIVATE SECTOR INSPECTORS GENERAL

The New York City Department of Investigation seeks Expressions of Interest and Statements of Qualification from applicants able to furnish Independent Private Sector Inspector General (“IPSIG”) services with respect to suppliers of goods and services to the City of New York.

An IPSIG is an entity (or group of entities or individuals) with legal, auditing and investigative skills, retained by a City supplier pursuant to a responsibility agreement or stipulation with the City, to monitor the supplier’s compliance with relevant laws and regulations, and to deter and report upon unethical or illegal conduct by the supplier.

Each IPSIG will be hired by the supplier with the advice and consent of the City and shall report directly to the City, with the supplier responsible for payment for its services.

Applicants that believe they can, and seek to, provide IPSIG services must submit, by no later than 5:00 p.m. on September 12, 2002: (a) one original and three copies of a written Expression of Interest and Statement of Qualification to Steven Pasichow, Assistant Commissioner, New York City Department of Investigation, 80 Maiden Lane, 17th Floor, New York, New York 10038; and (b) one additional copy of the Expression of Interest and Statement of Qualification to Lawrence S. Kahn, Chief Litigating Assistant Corporation Counsel, New York City Law Department, 100 Church Street, 6th Floor, New York, New York 10007. Expressions of Interest and Statements of Qualification may be submitted by individuals, or by, or on behalf of, firms interested in furnishing IPSIG Services.

The Expression of Interest and Statement of Qualification must contain sufficient information to enable the City to assess the applicant’s qualifications and ability to provide all of the legal, auditing and investigative skills (“Component Skills”) that are required of IPSIGs. The Expression of Interest and Statement of Qualification should: (i) furnish a detailed description of the applicant’s background and experience in providing IPSIG or equivalent services utilizing each of the Component Skills, especially for, or on behalf of, any local, state or federal government; (ii) identify key staff and describe the personnel and other resources that the applicant intends to utilize (or would have available) to furnish the Component Skills services, by providing resumes or histories of key staff and, if applicable, affiliated entities, possessing each of the respective IPSIG Component Skills; (iii) identify any additional relevant expertise available to the applicant (e.g., engineering, environmental, etc.); and (iv) provide an organizational chart that details the management and personnel of the applicant’s proposed IPSIG team. Submissions that fail to include any of the items detailed above will not be considered.

Further, no submission received after September 12, 2002 will be considered.

Those persons and/or firms that have previously responded to past Requests for Expressions of Interest and Statements of Qualification, if still interested in furnishing IPSIG services, must at this time submit the requisite written Expression of Interest and Statement of Qualification to the City described above.

WEST MIDTOWN INTERMODAL FERRY TERMINAL (PIER 79) RFEI/RFQ – DUE 08-15-02 AT 4:00 P.M. – The New York City Economic Development Corporation, in conjunction with the New York City Department of Transportation, is currently seeking interested contractors to participate in the construction of the West Midtown Intermodal Ferry Terminal (Pier 79), located at West 39th Street and the Westside Highway in Manhattan. The existing bus maintenance garage building will be completely demolished. New construction will include a terminal building, plazas, elevated splanade and 6 new slips for private ferry operators.

This multi-million dollar project will require approximately 16 months for the entire project and the estimated total construction cost is approximately \$30 to \$40 million. It is anticipated that approximately 12 contracts will be awarded. Full DBE, MBE and WBE participation is strongly encouraged. At the present time “Expressions of Interest and Qualifications” are being requested for four (4) contract packages. They are as follows:

1. Concrete Work - \$800,000 to \$1.3 million
2. Site Work/Site Utilities - \$1.5 to \$2 million
3. Structural Steel/Steel Stairs - \$1.6 to \$2.1 million
4. Curtain Wall - \$4.8 to \$5.8 million

“Expressions of Interest and Qualifications” for the additional contract packages will be solicited in the near future.

Interested contractors will register by providing their company name, telephone number and fax number at pick-up time.

This project is funded by the USDOT, the FTA, New York State, and New York City.

REAL ESTATE CONSULTANT: FAIR MARKET VALUATION OF CERTAIN PORTIONS OF METROTECH, LAND ONLY – Request for Proposals – DUE 08-07-02 AT 2:00 P.M. – in downtown Brooklyn, which are presently encumbered by five (5) 99-year leases with the City of New York. Metrotech is comprised of 6 completed office buildings and another in construction, a courthouse, the Polytechnic Institute and public areas known as the Commons. It is located within the Metrotech Urban Renewal Area and is bounded by Tech Place, Flatbush Avenue, Jay Street and Willoughby Street. The subject valuation is for the parcels at 1, 2, 9 and 11 Metrotech Center and for the land comprising the Commons. The consultant would be expected to perform the following tasks:

1. Analyze the current real estate conditions in the downtown Brooklyn area, including the demand for class A office space, and project the growth rate through the end of the terms of the leases or provide some other methodology for valuing the fee interest;
2. Analyze current property valuations and assessments in the downtown Brooklyn area
3. Discuss the basis and all underlying assumptions for the analysis and projections;
4. Provide draft and final reports of findings.

OPERATION AND MAINTENANCE AGREEMENT FOR THE HYDROLOGICAL MONITORING NETWORK – Government to Government Purchase – PIN# 82603USGSO&M03 – DUE 07-25-02 AT 4:00 P.M. – Pursuant to Section 3-13 of the PPB Rules, DEP, Bureau of Water Supply intends to enter into an Agreement with United States Geological Survey “USGS”, for Operation and Maintenance Agreement for the Hydrological Monitoring Network. The DEP has determined to use this procurement method because the USGS is intimately familiar with the work, having been involved with the initial planning and installation of the network. This contract will: 1) ensure the collection, interpretation, management, and publication of stream-flow data, 2) provide realtime or near real-time transmission of stream-flow data, and 3) collect water quality data at selected sites in the hydrologic monitoring network in the NYC watershed. USGS involvement will ensure the continuity and quality of information provided to DEP by this network. Any “intellectual product” developed will be public domain. Qualified suppliers that wish to express their interest in providing such services in the future are invited to submit expressions of interest, which must be received not later than July 25, 2002, at the Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Elmhurst, New York 11373, Attention: Ms. Debra Butlien (718) 595-3423.

Description

FACILITIES MANAGEMENT/CONSTRUCTION MANAGEMENT CONSULTANT – Request for Qualifications – DUE 09-16-02 AT 4:00 P.M. – for matters relating to management of its property portfolio, EDC is not-for-profit corporation which performs a variety of development and property management functions on behalf of The City of New York (the “City”), including management of approximately fifty (50) City-owned properties with transportation, commercial, industrial, and waterfront-dependent uses.

Subject to the availability of funds and the responses to the RFP, EDC will select a consultant that can provide specialized expertise in a wide array of fields related to property management and construction management services (the “Services”). Such Services shall include the following Service Elements: (1) Site Evaluation Services; (2) Maintenance and Repair Services; (3) Capital Improvements; (4) Emergency Services; and (5) Site Operations Assessments. EDC will retain the selected consultant to provide such Services at various properties owned, managed and/or leased by the City, by an agency of the City or by EDC and located throughout the City, as EDC may direct from time to time.

The selected consultant will be required to enter into a consultant contract (the “Contract”) with EDC for a term of three (3) years (the “Contract Term”). EDC shall have the option to extend the Contract Term for a period of one (1) year at the end of the initial Contract Term (“First Extension Period”) and again at the end of the First Extension Period (for a “Second Extension Period” of one (1) year, at EDC’s sole discretion.

Due to the size of EDC’s property management portfolio and the scope of the Services, responses from established construction, management firms with large sub consultant teams capable of and experienced in providing architectural, engineering and other professional or specialized services necessary for the complete performance of all of the foregoing Service Elements will be preferred.

Please note you must respond to this RFQ in order to be eligible for consideration to receive the RFP. RESPONSES ARE DUE NO LATER THAN 4:00 PM, Monday, September 16, 2002 and should be sent to 110 William Street, 4th Floor, New York, NY 10038. Attention: Paul Tamboia, Assistant Vice President. SPMI, FORENSIC MENTALLY ILL ADULTS AND ASSISTED OUTPATIENT TREATMENT CLINIC – RFP – Other: describe reason on Other Legally Mandated Information - PIN# 816RFP030004 – DUE 08-12-02 AT 4:00 P.M. – New York City Department of Health and Mental Hygiene, is seeking to establish, through the Request for Proposal procurement process, six (6) programs in Queens, with seven (7) awards for: seriously and persistently mentally ill (SPMI) adults; forensic mentally ill adults; Assisted Outpatient Treatment (AOT) clients; seriously emotionally disturbed (SED) children and adolescents; and mentally ill chemical abusing (MICA) adolescents. The anticipated contract term for all contracts will be January 1, 2003 through June 30, 2005 and renewable upon Department approval for a maximum of two terms of three (3) years each.

MINIMUM QUALIFICATION REQUIREMENTS: Proposers not meeting the minimum qualification requirements set forth below will be determined non-responsive and disqualified.

Pursuant to Section 41.03 (3) and 41.03 (12) of the New York State Mental Hygiene Law, the proposer shall be a not-for-profit corporation.

For clinic enhancements, pursuant to Article 31 of the New York State Mental Hygiene Law, the proposer shall, as of the time of award, be certified by the State Office of Mental Health (NYSOMH) to operate a Clinic Treatment Program for the appropriate target population at the proposed site(s).

CLINIC ENHANCEMENT(FORENSIC/ASSISTED OUTPATIENT TREATMENT [AOT]): (TWO CONTRACTS) (MAXIMUM ANNUAL FUNDING LEVEL \$144,939 FOR EACH CONTRACT). REGION: EAST QUEENS (CDs 7, 11, 13); ROCKAWAY (CD 14). Additional funding will allow an existing certified clinic in each target region to enhance its program. It will be able to hire additional staff with relevant clinical experience and skills to work with forensic mentally ill and/or AOT recipients. Each program enhancement will serve 80 individuals annually in order to improve clients' compliance with treatment plans and strengthen their community living skills and behaviors.

CLINIC TREATMENT (ADOLESCENT MICA): (1 CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL \$202,984). REGION: ROCKAWAY, QUEENS (CD 14). This outpatient, after-school program will use the (Break Free(model to assist a minimum of 40 SED and MICA adolescents annually to develop positive alternatives to their substance abuse. It will support them in maintaining abstinence from drugs and alcohol, and help address emotional, family, and school problems.

CLINIC TREATMENT (ADOLESCENT MICA): (1 CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL \$184,949). REGION: EAST QUEENS (CDs 7, 11, 13). This outpatient, after-school program will use the (Break Free(model to assist a minimum of 40 SED and MICA adolescents annually to develop positive alternatives to their substance abuse. It will support them in maintaining abstinence from drugs and alcohol, and help address emotional, family, and school problems.

OLDER ADOLESCENT SKILLS CENTER: (1 CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL \$243,600). REGION: EAST QUEENS (CDs 7, 11, 13). The program, targeted to a minimum of 45 SED older adolescents, will promote self sufficiency and the learning of basic academic, social and vocational skills that will enable clients to pursue and obtain future education and employment goals.

RESPIRE CARE (CHILD/ADOLESCENT): (1 CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL \$193,927). REGION: QUEENS BOROUGH-WIDE. This program will provide primary caretakers of 30 seriously mentally ill children with temporary support and relief from their caretaking responsibilities on an emergency or planned basis, either in a supervised residential setting, Professional Parent Home, or the recipient's home.

PSYCHOSOCIAL CLUB: (1 CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL \$406,000). REGION: QUEENS BOROUGH-WIDE. This program, sited in or adjacent to CD 7, will serve mentally ill adults who are members of language groups other than Spanish or English, such as Chinese, Korean, Vietnamese, Cambodian, Laotian and Japanese. It will provide socialization, educational and vocational services for a minimum of 100 mentally ill clients annually.

A Pre-Proposal Conference will be held on July 31, 2002, at 10:00 AM, at Spector Hall 22 Reade Street New York City, at which time all substantive questions received to that date will be addressed. All questions raised at the Pre-Proposal Conference will be recorded. Any substantive questions the Department receives at the conference, as well as those received up to 10 days prior to the proposal submission due date, will be answered and distributed in the form of Addenda to all those known to have received a copy of the RFP. Questions may be delivered to Room 200 at 93 Worth Street, New York City, or faxed to (212) 219-5466.

END USE MASTER PLAN SERVICES FOR THE “FRESH KILLS LANDFILL TO LANDSCAPE” PROJECT – Negotiated Acquisition – PIN# 030029402003 – DUE 09-05-02 AT 3:00 P.M. – The Department of City Planning intends to engage a consultant to provide comprehensive planning, design and related End Use Master Plan Services as a continuation of services previously procured pursuant to the Agency’s Request for Proposals for “Design and Planning Consultants for the ‘Fresh Kills Landfill to Landscape’ Conceptual Design and Planning Approach Competition and Master Plan Services” (the “Competition RFP”) (PIN#030029402002).

Based on the following, the Agency has determined that it is in the best interests of the City to award the subject contract through negotiated acquisition pursuant to Section 3-04(b)(2)(v) of the City’s Procurement Policy Board Rules: There is a need to procure construction-related services for a later phase of an ongoing complex construction project, as contemplated in the Competition RFP which stated that the City expected to subsequently procure additional services for Master Plan implementation through a separate negotiated acquisition procurement pursuant to Section 3-04(b)(2)(v) of the City’s Procurement Policy Board Rules; the top three ranked consultants from the design competition, conducted pursuant to the Competition RFP, have acquired highly specialized knowledge of and experience related to the project and the Fresh Kills site thorough the services they provided in preparation for the design competition; and the use of the same supplier over successive phases of this project is absolutely necessary to address the exceptional programmatic, environmental, regulatory and dynamic, physical complexities of the site. Therefore, only the three top-ranked, selected consultants from the design competition conducted by the Agency pursuant to the Competition RFP are eligible to respond to this solicitation. The eligible consultant contractors are: Field Operations, Philadelphia PA and New York, NY; JMP Landscape and John McAslan + Partners, London, UK; and RIOS Associates, Los Angeles, CA

Upon completion of the contract award pursuant to this Solicitation, the City may issue one or more subsequent Solicitations for additional project services. These additional services would for implementation of elements of the approved Master Plan. Such contract(s) would be for additional services needed to complete the site’s phased long-term end use development beyond what has been set forth in Section III: Scope of Services of this Solicitation. The selected consultant from this Solicitation may be the only supplier eligible for such later phases of the project, through a separate negotiated acquisition(s), pursuant to Section 3-04(b)(2)(v) of the City’s Procurement Policy Board (PPB) Rules. Contract award for such later phases of the project may also be made pursuant to a Request(s) for Proposals. Qualified vendors wishing to be notified of the issuance of any future related Solicitations, should contact: Department of City Planning, 22 Reade Street, Room 3E, New York, New York 10007 ATTN: Jeffery Sugarman (212-720-3343).

SED PROGRAMS FOR ADOLESCENTS AND YOUNG ADULTS, FORENSIC MENTALLY ILL ADULTS/AOT PROGRAMS – RFP – 817RFP030005 – DUE 07-26-02 AT 4:00 P.M. – Department of Mental Health, Mental Retardation and Alcoholism Services is seeking to establish, through the Request for Proposal procurement process, three (3) programs in the Bronx, with five (5) awards for: forensic mentally ill adults/Assisted Outpatient Treatment (AOT) clients; seriously emotionally disturbed (SED) and at risk adolescents and young adults; and respite care for mentally ill adults. The anticipated contract term for all contracts will be January 1, 2003 through June 30, 2005 and renewable upon Department approval for a maximum of two terms of three (3) years each.

MINIMUM QUALIFICATION REQUIREMENTS: Proposers not meeting the minimum qualification requirements set forth below will be determined non-responsive and disqualified.

Pursuant to Section 41.03 (3) and 41.03 (12) of the New York State Mental Hygiene Law, the proposer shall be a not-for-profit corporation.

For clinic enhancements, pursuant to Article 31 of the New York State Mental Hygiene Law, the proposer shall, as of the time of award, be certified by the State Office of Mental Health (NYSOMH) to operate a Clinic Treatment Program for adults.

CLINIC ENHANCEMENT(FORENSIC/ASSISTED OUTPATIENT TREATMENT [AOT]): (3 CONTRACTS) (MAXIMUM ANNUAL FUNDING LEVEL \$173,808 FOR EACH CONTRACT). REGION: SOUTH BRONX (CDs 3-4); WEST BRONX (CDs 5-8); EAST BRONX (CDs 9-12). In each target region, an existing certified clinic will be able to enhance the program by hiring additional staff with relevant clinical experience and skills in working with forensic mentally ill and/or AOT recipients. Each program enhancement will provide clinic and support services to a minimum of 140 individuals annually.

DROP-IN CENTER: (1 CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL \$202,164). REGION: BRONX BOROUGH-WIDE. This program will provide psychiatric, social, vocational and educational support services for 80 seriously emotionally disturbed (SED) adolescents/young adults who are non-compliant with structured outpatient treatment programs. Services will be provided in a low demand, flexible program environment. The program schedule will include Saturday and evening hours.

RESPITE CARE (ADULT): (1 CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL \$125,000. REGION: BRONX BOROUGH-WIDE. This respite program will provide primary caretakers with support and relief from their caretaking responsibilities on an emergency or planned basis. Temporary respite services for 85 mentally ill individuals annually may be provided in a supervised residential setting or the recipient's home.

The Pre-Proposal Conference will be held on Tuesday, July 9, 2002, at 11:00 AM at Spector Hall, 22 Reade Street, New York City, at which time all substantive questions received to that date will be addressed. All questions raised at the Pre-Proposal Conference will be recorded. Any substantive questions the Department receives at the conference, as well as those received up to 10 days prior to the proposal submission due date, will be answered and distributed in the form of Addenda to all those known to have received a copy of the RFP. Questions may be delivered to Room 200 at 93 Worth Street, New York City, or faxed to (212) 219-5466.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

The anticipated contract term for both contracts will be January 1, 2003 through June 30, 2005 and renewable upon Department approval for a maximum of two terms of three years each.

Minimum Qualification requirement: Proposers not meeting the minimum qualification requirements set forth below will be determined non-responsive and disqualified:

Pursuant to Section 41.03 (3) and 41.03 (12) of the New York State Mental Hygiene Law, the proposer shall be a not-for-profit corporation.

Forensic Clinic Enhancement: (One contract) (Maximum Available Annual Funding: \$300,717). Region: Borough wide. The program will allow an existing clinic treatment program to hire additional staff with relevant clinical experience and skills to work with forensic seriously and persistently mentally ill (SPMI) clients who have a co-occurring substance abuse disorder (as defined by the DSM IV), clients participating in the Assisted Outpatient Treatment program (AOT); and adults with high service needs. The program will serve a minimum of 120 individuals annually in order to improve clients(compliance with treatment plans and strengthen their community living skills and behaviors. The minimum qualification for program award is current certification by the New York State Office of Mental Health (SOMH) as a mental health clinic.

MICA Continuing Day Treatment Program: (One contract) (Maximum Available Annual Funding: \$220,131). Region: Northern Manhattan (CD(s 9,10,12). This program will establish a licensed Continuing Day Treatment Program (CDTP) with a vocational component, or expand an existing CDTP to create a CDTP with a vocational component. The program will allow the existing clinic treatment program to hire additional staff with relevant clinical experience and skills to work with forensic seriously and persistently mentally ill (SPMI) clients who have a co-occurring substance abuse disorder (as defined by the DSM IV), clients participating in the Assisted Outpatient Treatment program (AOT); and adults with high service needs. The program will serve a minimum of 120 individuals annually. The minimum qualification for program award is current certification by the New York State Office of Mental Health (SOMH) as a continuing day treatment services provider.

A Pre-Proposal Conference will be held on July 9, 2002 at 10:00 AM at Spector Hall, 22 Reade Street, New York City. Questions regarding this RFP will be addressed at the Pre-Proposal Conference. In order to provide the Department with the time to prepare accurate responses, we will accept questions submitted in writing to Nancy Hulbrock, Contracting Officer up to three business days prior to the conference. However, all questions (including those initially raised) will be addressed at the Pre-Proposal Conference and, as necessary, in the form of an addendum to the RFP. Questions may be delivered to Room 200 at 93 Worth Street, New York, NY or faxed to (212) 219-5466.

All questions raised at the pre-proposal conference will be recorded. Any substantive questions the Department receives at the conference, as well as those received up to 10 days prior to the proposal submission due date, will be answered and distributed in the form of Addenda to all those known to have picked up a copy of the RFP.

MASTER CONTRACTOR FOR HOUSING OPPORTUNITIES FOR PERSONS WITH AIDS (HOPWA) – Due August 16, 2002 at 4:00 p.m

The Postgraduate Center for Mental Health (“PCMH”) is soliciting proposals from experienced community-based organizations (“CBOs”), social services and housing agencies, health care providers, and research and/or legal/advocacy organizations to provide the development and operation of:

1. Emergency Low-Threshold Housing for HIV+ and at risk homeless adolescents. A total of \$562,500 is available.
2. Emergency/ Transitional Residence Program for individuals released from City or State correctional institutions who are living with AIDS/Advanced Symptomatic HIV Disease. A total of \$1,367,500 is available.
3. Transitional and Permanent Housing for dually diagnosed individuals and families in need of harm reduction services. A total of \$1,220,000 is available.

As the Housing Opportunities for Persons with AIDS (“HOPWA”) Master Contractor, PCMH has been directed by the Mayors Office of AIDS Policy Coordination (“MOAPC”) to manage this sealed competitive bidding process and award contracts to qualified proposers. MOAPC is the HOPWA grantee for the New York Eligible Metropolitan Statistical Area (“EMSA”) as designated by the United States Department of Housing and Urban Development (“HUD”).

This RFP is open to New York City-based, not-for-profit CBOs and other local providers, as well as social service and/or housing providers, research organizations, foundations, colleges or universities in the five boroughs, and legal and advocacy organizations.

At least three contract awards will be issued. Funding for programs and services offered in this RFP is contingent upon PCMH’s receipt of federal HOPWA grants through MOAPC. PCMH may terminate any contract resulting from this RFP based on the unavailability of funding or any other reason that may prevent payment on such contracts.

Interested parties may obtain the complete RFP, including application, at the Agency Contact address below from the Date of Issuance (June 21, 2002) through the Bidders’ Conference (July 9, 2002) from 9:00 a.m. to 4:00 p.m., Monday-Friday, excluding legal holidays. This RFP will be available for pick-up only and will not be mailed, faxed or otherwise delivered. No fee or deposit is required.

A recorded pre-proposal conference will be held on Tuesday, July 9, 2002 at the Postgraduate Center for Mental Health Westside Rehabilitation Programs, 344 West 36th Street (between 8th & 9th Aves.), First Floor Auditorium, New York, NY 10018. Attendance is strongly encouraged. Written inquiries will not receive individual responses, but will be addressed at the Bidders’ Conference if received by July 8, 2002.

Late proposals will be rejected. Do not fax, e-mail or otherwise send proposals as they will not be accepted.

RADIO COMMUNICATION EQUIPMENT SERVICES – Negotiated Acquisition – PIN# 82702CC00106 – DUE 06-27-02 – The Department of Sanitation is seeking to enter into a negotiated acquisition with ATT Communications, to continue to acquire radio communication sites for transmissions in Staten Island, Lower Manhattan and Western Brooklyn, with an anticipated start date, July 1, 2002 through June 30, 2003.

The Agency Chief Contracting Officer has determined that for this particular procurement it is in the best interest of the City of New York, to negotiate with only the subject contractor based on the fact that the supplier is the current contractor and pursuant to Section 3-04(b)(2)(ii) of the PPB rules, there is a compelling need to negotiate with the subject contractor to ensure continuity of services.

Any vendors wishing to be placed on Department of Sanitation Antenna Site and maintenance vendor list for future solicitations, may contact the department at 125 Worth Street, Rm. 823, New York, NY 10013, Attn: Jerry Carannante (646) 885-4087.

The work involves the substantial rehabilitation of three, five-story NYCHA-owned buildings located at 410, 426 and 428 East 11th Street and the construction of two buildings of approximately fifteen units each on two vacant lots, located at 212-214 East 7th Street (Block 389/Lot 24), and 617-621 East 9th Street (Block 92/Lot 53).

A minimum of fifty-eight (58) units must be developed in accordance with local zoning requirements. Thirty-nine (39) units must be rented to the Section 8 households. First preference must be given to the Section 8 residents temporarily relocated by NYCHA to facilitate the rehabilitation, who wish to return upon its completion. Remaining Section 8 units must be rented to applicants from NYCHA’s Section 8 waiting list. The Developer may rent the non-Section 8 units at market rents. NYCHA will enter into a separate ground lease with the Developer for each of the five sites.

A Proposer’s Conference will be held on Tuesday, July 9, 2002, at 10:00 AM, at the same address on the 8th Floor, Conference Room 8060.

INFRASTRUCTURE RECONSTRUCTION ENGINEERING SERVICES IN LOWER MANHATTAN AND THE WORLD TRADE CENTER AREA – Negotiated Acquisition – PIN# 8502002WT0006P – DUE 06-11-02 AT 4:00 P.M. – The Department of Design and Construction (DDC), in conjunction with the Department of Transportation (DOT), is seeking proposals from qualified firms to provide Program and Construction Management Services in Lower Manhattan to support the ongoing recovery of the City and Private Infrastructure Systems. The successful firm will serve as a central point of contact for the planning, scheduling, and coordination of public and private infrastructure work. The firm may also be assigned to provide resident engineering and inspection services for specific projects let by the City.

This project is subject to reimbursement by the Emergency Relief program of the Federal Highway Administration (FHWA). As such, this procurement will follow Federal procurement guidelines. In particular, firms will submit only a technical proposal that will be evaluated by a committee of DDC and DOT staff. DDC will then enter into negotiations only with the highest ranked firm.

Interested firms should contact DDC to obtain a copy of the Negotiated Acquisition Proposal (NAP):

SUPPORTED HOUSING PROGRAMS FOR FORENSIC ADULTS – RFP – Other: describe reason in Other Legally Mandated Information - PIN# 817RFP030002 – DUE 06-28-02 AT 4:00 P.M. – The Department of Mental Health, Mental Retardation and Alcoholism Services (the Department) is seeking up to three not-for-profit organizations to establish and operate supported housing programs for adults in the Bronx, Manhattan and Queens. This RFP will create permanent housing opportunities to meet the needs of adults with Serious and Persistent Mental Illness (SPMIs) and an involvement with the criminal justice system.

The anticipated contract term for the contract(s) will be January 1, 2003 through June 30, 2005 and renewable upon Department approval, for a maximum of two terms of three (3) years each.

MINIMUM QUALIFICATION REQUIREMENT: Proposers not meeting the minimum qualification requirement set forth below will be determined non-responsive and disqualified:

Pursuant to section 41.03 (3) and 41.03 (12) of the New York State Mental Hygiene Law, the proposer shall be a not-for-profit corporation.

OPTION 1: BRONX (10 Beds) - Maximum available annual funding: \$114,743;

OPTION 2: MANHATTAN (9 Beds) - Maximum available annual funding: \$100,548;

OPTION 3: QUEENS - (9 Beds) - Maximum available annual funding: \$101,000. All options will serve persons who are SPMI and have an involvement with the criminal justice system.

Beginning on May 28, 2002, RFP's may be picked up in person at Room 200, 93 Worth Street, New York City, between the hours of 9:00 AM and 5:00 PM on business days. Proposals must be hand delivered to the Department's Office of Contract Management, Room 200, 93 Worth Street, New York City by no later than 4:00 PM on June 28, 2002.

A Per-Proposal Conference will be held at Spector Hall, 22 Reade Street, New York City at 10:00 AM on June 17, 2002. All questions raised at the pre-proposal conference will be recorded. Any substantive questions the Department receives at the conference, as well as those received up to 10 days prior to the proposal submission due date, will be answered and distributed in the form of Addenda to all those known to have picked up a copy of the RFP.

SED PROGRAMS FOR ADOLESCENTS AND RESPITE FOR FAMILIES, GUARDIANS AND/OR CAREGIVERS PROGRAMS – RFP – Other: describe reason in Other Legally Mandated Information - PIN# 817 RFP030001 – DUE: 07-03-02 AT 4:00 P.M.

Pursuant to Reinvestment Year VII, the New York City Department of Mental Health, Mental Retardation and Alcoholism Services is seeking to establish, through the Request for Proposal procurement process, two programs with two awards in Brooklyn. The programs will serve:

- 1) seriously and emotionally disturbed (SED) adolescents enrolled in regional high schools, and
- 2) families, guardians, and/or caregivers who care for adults who are seriously and persistently mentally ill (SPMI). The anticipated contract term for both contracts will be January 1, 2003 through June 30, 2005 and renewable upon Department approval for a maximum of two terms of three years each.

MINIMUM QUALIFICATION REQUIREMENT: Proposers not meeting the minimum qualification requirement set forth below will be determined non-responsive and disqualified:

Pursuant to Section 41.03 (3) and 41.03 (12) of the New York State Mental Hygiene Law, the proposer shall be a not-for-profit corporation.

SCHOOL-BASED COLLABORATIVE INITIATIVE: (ONE CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL: \$183,000). REGION: BOROUGH-WIDE. This program will serve approximately 80 seriously and emotionally disturbed (SED) adolescents enrolled in regional high schools who are deemed at risk of academic failure, dropping out or special education placement due to emotional or mental disturbance. Among the services to be provided are: assessment, treatment, referrals, career development, and support groups.

RESPITE CARE (ADULT) PROGRAM: (ONE CONTRACT) (MAXIMUM ANNUAL FUNDING LEVEL: \$334,632). REGION: BOROUGH-WIDE. This program would serve approximately 240 adults annually by providing in-home, as well as residential placement, respite to families, guardians, and/or caregivers who care for adults who are seriously and persistently mentally ill (SPMI).

The Pre-Proposal Conference will be held on Monday, June 17, 2002, at 10:00 A.M. at Spector Hall, 22 Reade Street, New York City at which time all substantive questions received to that date will be addressed. All questions raised at the Pre-Proposal Conference will be recorded. Any substantive questions the Department receives at the conference, as well as those received up to 10 days prior to the proposal submission due date, will be answered and distributed in the form of Addenda to all those known to have received a copy of the RFP. Questions may be delivered to Room 200 at 93 Worth Street, New York City, or faxed to (212) 219-5466.

WI-EXP BNR – Negotiated Acquisition – PIN# 82602WP00834 – DUE 06-13-02 AT 11:30 A.M. – DEP, Bureau of Environmental Engineering intends to enter into a Negotiated Acquisition with Malcolm Pirnie, Inc., for Design Services and Design Services during Construction for Phase V of the Wards Island WPCP Upgrading - BNR Improvements. The basis for using the Negotiated Acquisition process is because Pursuant to Section 3-04 (b) (2) (v) of the PPB Rules, DEP intends to award this contract by Negotiated Acquisition. There are compelling programmatic reasons to retain Malcolm Pirnie ("Pirnie") for the remaining phases of the Wards Island WPCP Upgrade. In the case of this ongoing construction project, it is critical that the engineering services for the successive phases of the project are performed by the consultant who has performed the preliminary design. Given that the Department has entered into a settlement agreement under which all construction related to nitrogen reduction improvements must be completed by December 31, 2008, there is insufficient time for another engineering firm to acquaint themselves with the Wards Island WPCP and provide the necessary design and design services. The projected contract start date is January 1, 2003 and the projected end date is December 31, 2009. Any firm which believes it can also provide this category of service and would like to be considered for future related work, is invited to contact the Agency at: Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Flushing, New York 11372, Attention: Ms. Debra Butlien (718) 595-3423.

The New York City Department of Citywide Administrative Services, on behalf of New York City Department of Transportation (NYC DOT), intends to enter into a government-to-government purchase with Washington State Department of Transportation for two passenger-only ferries, the M.V. Kalama and M.V. Skagit. Both boats, built in 1989 by Halter Marine, New Orleans, LA, have an aluminum monohull design, are 112'0" long, with 24'6" beams, 8'3" draft, 3,840 horsepower, can reach a speed of 25 knots, with 4 Detroit Diesel Reliabuild, Model 16V 92 TA engines, with less than 250 operating hours, a passenger capacity for 250 persons, and a gross/net tonnage of 86/63.

The PIN number for this purchase is 85700200989.

The basis for the determination to use this procurement method is that NYC DOT has an immediate need to acquire two passenger-only ferry vessels of this size because of an increase in demand and usage of ferry services since September 11, 2001. The Washington State Department of Transportation has this type of ferry in stock and readily available for purchase.

Qualified suppliers may express their interest in providing similar boats in the future to the NYC Department of Transportation, ACCO Office, 40 Worth Street, 12th Floor, New York, New York 10013, telephone 212-442-7749, facsimile 212-442-7449, no later than 4:00 pm on June 10, 2002.
