Re: Semi-Annual Report of
Donations and Fundraising Efforts for the
New York City Department of Environmental Protection and
New York City Water Board
for the period April 1, 2014 to September 30, 2014

Dear Ms. Gonzalez:

I am writing pursuant to New York City Conflict of Interest Board's Advisory Opinions 2003-4 and 2008-6, which require the New York City Department of Environmental Protection ("DEP") to disclose donations to DEP and official fundraising efforts in support of DEP- affiliated and unaffiliated not-for-profit entities ("NFPs").

Please be advised DEP has not received any donations for this reporting period. DEP does not have any affiliated NFPs for which it engages in fundraising activities. As for unaffiliated NFPs, DEP does not have any activities to report for this period.

Please be further advised that DEP receives requests from producers for film shoots on DEP-managed property. DEP does not charge location fees, but informs the producers that they may make donations to the Mayor's Fund to Advance New York City ("Fund"), which is a 501(c)(3) NFP. DEP may use money from the Fund for certain expenditures.

The New York City Water Board has represented that it does not have any donations or fundraising activities to disclose for this reporting period.

If any additional information is required, please do not hesitate to contact me at (718) 595-4259.

Very truly yours,

Subject: RE: Reminder: Disclosure of Donations and of Fundraising Efforts Due November 15, 2014
Date: Friday, October 31, 2014 2:25:03 PM

Amber and Wayne:

DoITT did not engage in any official fundraising for the period of April 1, 2014 through September 30, 2014.

DoITT did accept a gift on behalf of the City from the Sunset Park District Management Association by entering into a conditional gift agreement on June 30, 2014. Under this agreement, the District Management Association will furnish, install and operate a free public Wi-Fi network for five years along a portion of Fifth Avenue in the Sunset Park neighborhood of Brooklyn. Some of the equipment to support the network is to be mounted on City street light poles subject to the approval of the City Department of Transportation and any other necessary approvals. While the District Management Association has estimated that the value of this donation for the six-month reporting period is \$3,750, determining the exact value of the donation is not possible, and so, in the exercise of caution, we are reporting it. The Sunset Park District Management Association has not made any other donations to this agency in the past 24 months.

The address of the District Management Association is:

Sunset Park District Management Association
5116A Fifth Avenue, Suite 200
Brooklyn, New York 11220

DoITT did not receive any other donations valued over \$5,000 during this reporting period.

Please let me know if you need a copy of the gift agreement or any other information.

Subject: Reminder: Disclosure of Donations and of Fundraising Efforts Due November 15, 2014

The reports for the period April 1, 2014, through September 30, 2014, for donations to City agencies and for official fundraising for unaffiliated not-for-profits, required by the Board's Advisory Opinion Nos. 2003-4 and 2008-6, respectively, **are due to the Board by November 15, 2014.**

AO 2003-4 (attached, see especially pages 22-23) requires a listing of all donations of money, goods, or services with a value of \$5000 or more.

AO 2008-6 (also attached, see especially pages 12-13) requires a listing of the names of all not-for-profit entities for which City agencies, based on a determination by their agency head, solicited support and/or endorsed.

*****Please note that these reports, in whatever format you choose to submit, as well as all previously submitted reports, will soon be posted on the Board's website.*****

Please be advised that:

- 1) The two above-referenced Advisory Opinions contain **different** disclosure requirements.
- 2) For any disclosure for which your agency requests that the donor remains anonymous, that is, where you request a waiver of the requirement to disclose the identity of the donor, you must include a separate document stating the following: a) the identity of those staff of your agency who know the identity of the donor, b) that your agency has received a statement from the donor that the donor, the donor's family, and any firm in which the donor has a controlling interest or has a high executive position are not engaged in business dealings with your agency, or, if that is not the case, that the donor is not involved in such business dealings, and c) that your agency will maintain on file the donor's statement and that to the best of your agency's knowledge that statement is accurate.
- 3) If another individual at your agency can better respond to these disclosure requirements, please provide me with his or her name and contact information.

If you have any questions about these reports, you may contact me. My contact information is below.

Re: City Fundraising Financial Disclosure

Dear Mr. Briffaul:

Pursuant to the financial disclosure requirements set forth in Advisory Opinion 2003-4 and 2008-6, the New York City Department of Sanitation has researched the records of all donations to the agency and agency affiliated not-for-profit entities. For the six-month period ending September 30, 2014, the agency and agency affiliated not-for-profit entities did not receive any donations of \$5,000 or more. Therefore, the Department is not submitting a financial disclosure form. Additionally, the Department did not solicit support for any unaffiliated not-for-profit entities.

Please do not hesitate to contact me should you need any further information regarding this matter.

The reports for the period April 1, 2014, through September 30, 2014, for donations to City agencies and for official fundraising for unaffiliated not-for-profits, required by the Board's Advisory Opinion Nos. 2003-4 and 2008-6, respectively, **are due to the Board by November 15, 2014.**

AO 2003-4 (attached, see especially pages 22-23) requires a listing of all donations of money, goods, or services with a value of \$5000 or more.

AO 2008-6 (also attached, see especially pages 12-13) requires a listing of the names of all not-for-profit entities for which City agencies, based on a determination by their agency head, solicited support and/or endorsed.

with your agency, or, if that is not the case, that the donor is not involved in such business dealings, and c) that your agency will maintain on file the donor's statement and that to the best of your agency's knowledge that statement is accurate.

- 3) If another individual at your agency can better respond to these disclosure requirements, please provide me with his or her name and contact information.

OFFICE OF THE MAYOR
OFFICE TO COMBAT DOMESTIC VIOLENCE

May 15, 2014

Dear Friends,

I would like to take this opportunity to congratulate Sakhi for South Asian Women as they reach their 25th anniversary of committed work assisting survivors of domestic violence to reach and maintain safety. I would also like to thank Sakhi for their work as an on-site partner of the New York City Family Justice Centers, an initiative of the Mayor's Office to Combat Domestic Violence.

Sakhi's dedication over the past 25 years has made a significant difference in the lives of so many survivors of domestic abuse. The efforts of Sakhi's devoted staff are evident in the demand for their services during the past years. I want to express my appreciation for Sakhi's tireless work as they continue to expand the scope of their services allowing Sakhi to become an indisputable friend and supporter of survivors of violence in their community.

At the Mayor's Office to Combat Domestic Violence we are pleased to partner with Sakhi in our efforts to address domestic violence and we look forward to continuing our work together.

Sincerely,

Rosemonde Pierre-Louis

Amelia Hershberger
New York State Office of Court Administration
Division of Professional and Court Services
Grants and Contracts
2500 Pond View, Suite 104
Castleton-on-Hudson, New York 12033

Dear Ms. Hershberger:

I am pleased to submit this letter of support on behalf of Sanctuary for Families as part of their application for funding through the Judiciary Civil Legal Services RFP, with the goal of expanding access to culturally and linguistically sensitive civil legal services for immigrant victims of gender violence. Sanctuary has been a close partner of the Mayor's Office to Combat Domestic Violence, and its four New York City Family Justice Centers (FJCs) since the first Center opened in Brooklyn in 2005. Home to the nation's largest dedicated domestic violence legal program, with more than 25 years of experience meeting the needs of our most vulnerable community members, Sanctuary's Legal Center is a critical victim resource.

As the Commissioner of the Mayor's Office to Combat Domestic Violence, I oversee the Family Justice Centers in Brooklyn, Queens, the Bronx, and Manhattan. These Centers help guide domestic violence victims and their children to a life free of violence by co-locating essential advocacy, case management, criminal justice, and civil legal assistance under one roof—in many languages for monolingual clients, while their children receive therapeutic childcare in bright, comfortable Children's Rooms. A key benefit of the FJCs is their non-confidential sites: unlike most domestic violence offices and shelters, these handicapped accessible, walk-in centers are uniquely accessible community resources.

Sanctuary has been a key provider of legal services at the FJCs since 2005, including immigration legal services in all locations and family law attorneys in the Bronx and Brooklyn FJCs. With thousands of domestic violence victims seeking services at the FJCs each year, these services are truly a life-saving resource. We are so pleased to hear that the focus of the Legal Center's Judiciary CLS application this year is on growing both in-house and *pro bono* service capacity in the desperately under-resourced legal service areas of family law, housing, and public benefits. Sanctuary has significant expertise in family matters including orders of protection,

child and spousal support, and contested and uncontested divorce, as well as growing specialties in public benefits and housing legal issues.

This funding is essential to expand holistic representation of low-income and indigent abuse victims in New York City—particularly those whose access to the justice system is limited by language barriers and other issues that confront immigrant abuse victims. Despite Sanctuary's services to thousands of immigrant abuse victims annually, reported domestic violence and trafficking incidence have been increasing steadily in recent years, and it is essential that we be equipped to respond. Sanctuary is uniquely situated to meet this growing need, in close partnership with the Mayor's Office. We look forward to continuing and expanding our work with the Legal Center to meet increasing demand for holistic legal services, and hope you will give their application your full consideration.

Sincerely,

Dear Mr. Green:

Please accept this letter as indication of my strong support for the continued funding of the Crime Victims Treatment Center's (CVTC) Sexual Assault Forensic Examiner (SAFE) Program at Mt. Sinai St. Luke's and Roosevelt Hospital.

OCDV, established in 2001, oversees the citywide delivery of domestic violence services, develops policies and programs, and works with diverse communities to increase awareness of domestic violence. OCDV aims to make it easier for domestic violence victims and their children to get the help that they need regardless of the language they speak or their immigration status. Among its key initiatives, OCDV operates four Family Justice Centers in New York City that provide comprehensive civil legal, counseling, and supportive services for victims of domestic violence, elder abuse, and sex trafficking.

CVTC has been a leading community organization for the last 37 years, helping hundreds of survivors of domestic and sexual violence each year. We are proud to have it as one of our on-site partners at OCDV's Manhattan Family Justice Center where CVTC provides sexual assault services to survivors of domestic violence.

We know that many domestic violence survivors have also suffered sexual violence as part of the abuse. The CVTC not only offers counseling to survivors – their Sexual Assault Forensic Examiner Program offers trained and expert professionals in the collection of DNA and other forensic evidence.

Continued and expanded funding of CVTC SAFE program will help ensure that victims of sexual assault and domestic violence receive the comprehensive and compassionate services they need in order overcome

the tragic consequences of these heinous crimes. Thank you in advance for your consideration of the CVTC request.

Sincerely,

Mr. Michael C. Green, Executive Deputy Commissioner
Division of Criminal Justice Services
Alfred E. Smith Office Building
80 South Swan Street
Albany, NY 12210

Dear Mr. Green:

Please accept this letter as indication of my strong support for The Children's Aid Society's proposed STOP Violence Against Women formula grant program. The Mayor's Office to Combat Domestic Violence (OCDV) is extremely interested in efforts to develop policies, programs and domestic violence services aimed at supporting victims and their children and holding offenders accountable.

OCDV, established in 2001, oversees the citywide delivery of domestic violence services, develops policies and programs, and works with diverse communities to increase awareness of domestic violence. OCDV aims to make it easier for domestic violence victims and their children to get the help that they need regardless of the language they speak or their immigration status. Among its key initiatives, OCDV operates four Family Justice Centers in New York City that provide comprehensive civil legal, counseling, and supportive services for victims of domestic violence, elder abuse, and sex trafficking.

The Children's Aid Society's Family Wellness Program was created 15 years ago to provide comprehensive services to families impacted by domestic violence, including: group and individual counseling for adult and teen survivors and their children, intervention for abusive partners aimed at holding abusers accountable and educating them about the impact of exposure to violence on their children; advocacy and prevention through education. In 2008, Children's Aid, with CONNECT, co-founded the NYC Coalition on Working with Abusive Partners (CoWAP) based on its conviction that providing effective services to abusive partners is in the interest of its highest goal: the safety and well-being of children and families. Comprised of approximately 25 representatives of organizations (including government agencies, domestic violence service providers and advocacy agencies) committed to preventing and ending abusive behavior in intimate relationships, CoWAP aims to: 1) identify

effective strategies for addressing the complex factors contributing to abusive behavior; 2) encourage and support behavior change while simultaneously holding abusive partners accountable; and 3) support service providers and community members in their efforts to prevent and intervene in intimate partner violence. Over the years the staff of OCDV have attended and benefitted from a number of CoWAP conferences and workshops, and we look forward to strengthening our collaboration in the coming years.

CoWAP offers a forum for further developing New York City's coordinated community response to domestic violence between abusive partner intervention service providers, victim service providers, criminal justice and and social service agencies. CoWAP has already been successful in convening a wide range of stakeholders to articulate core principles to guide the work with abusive partners. The CoWAP members have also held a number of successful conferences and presentations that have increased the dialogue and collaboration between the city's abusive partner intervention/batterer intervention programs, victim/survivor service providers, and the city's criminal justice and social service agencies.

I share this commitment to working with City agencies, advocacy organizations and service providers to ensure the safety of survivors and children as well as accountability for abusive partners. By supporting the work of CoWAP, the STOP Formula Grant Program offers an opportunity to advance our shared goals of improving collaboration across systems and preventing and intervening in intimate partner violence. Thank you in advance for your consideration of The Children's Aid Society's request.

Sincerely,

Mr. Michael C. Green, Executive Deputy Commissioner
Division of Criminal Justice Services
Alfred E. Smith Office Building
80 South Swan Street
Albany, NY 12210

Dear Mr. Green:

Please accept this letter as indication of my strong support for the continued funding of the Good Shepherd Services' (GSS) application for the STOP Formula RFP to implement comprehensive strategies to address violence against women.

OCDV, established in 2001, oversees the citywide delivery of domestic violence services, develops policies and programs, and works with diverse communities to increase awareness of domestic violence. OCDV aims to make it easier for domestic violence victims and their children to get the help that they need regardless of the language they speak or their immigration status. Among its key initiatives, OCDV operates four Family Justice Centers in New York City that provide comprehensive civil legal, counseling, and supportive services for victims of domestic violence, elder abuse, and sex trafficking.

GSS is a leading New York City multi-service youth and family development agency that serves nearly 30,000 participants through 88 programs. GSS' mission is to surround at-risk New York City youth and their families with a web of supports that promote a safe passage to self-sufficiency. GSS' Safe Homes Project (SHP) is a 35-year-old community-based domestic violence advocacy and service program that provides residential and non-residential services to survivors of domestic and intimate partner violence and their children. In addition, SHP provides educational resources and training to professional and community groups on issues of domestic/partner violence. SHP provides a continuum of services and supports for survivors, including a hotline for crisis counseling, information, and referrals; emergency shelter for up to 20 survivors and children at any given time; trauma reduction support groups; individual short-term counseling; safety planning; and services for children and youth. All services, including shelter are bi-lingual

(English/Spanish) and are available to undocumented survivors and to lesbian/gay/bisexual/transgender survivors.

SHP has been an onsite partner at OCDV's Brooklyn Family Justice Center since 2005. The FJC co-locates services for victims of domestic violence by providing space for community-based programs to deliver services. Community based services include casework, counseling, safety planning, information and referrals (for legal assistance, help with criminal cases and interfacing with the police, etc), advocacy, support groups, OVS claims assistance and self-sufficiency/financial literacy services. GSS has a full-time onsite bilingual caseworker who was supported by an Early Victim Engagement (EVE) grant, which will end on September 30, 2014. With funding from this grant, we hope GSS will be able to reinstate the services of the bilingual caseworker as well as introduce additional supports for Safe Homes' participants to locate safe, affordable transitional and permanent housing.

On behalf of the Brooklyn Family Justice Center, we strongly urge you to support Good Shepherd Services' application. Indeed, this kind of continuity of high-quality services is critically important to survivors of domestic violence, who more than anything need support and stability in their lives. Thank you in advance for your consideration of Good Shepherd Services' request.

Sincerely,

Rosemonde Pierre-Louis

Honorable Michael C. Green
Executive Deputy Commissioner
New York State Division of Criminal Justice Services
Alfred E. Smith Building
80 South Swan St.
Albany, New York 12210

Dear Commissioner Green:

Please accept this letter as indication of my strong support for the Office of the Richmond County District Attorney's (RCDA) grant application for STOP Violence Against Women Act (VAWA) funding. The New York City Mayor's Office to Combat Domestic Violence (OCDV) is extremely interested in efforts to develop policies, programs and domestic violence services aimed at supporting victims and their children and holding offenders accountable.

OCDV, established in 2001, oversees the citywide delivery of domestic violence services, develops policies and programs, and works with diverse communities to increase awareness of domestic violence. OCDV aims to make it easier for domestic violence victims and their children to get the help that they need regardless of the language they speak or their immigration status. Among its key initiatives, OCDV operates four Family Justice Centers in New York City that provide comprehensive civil legal, counseling, and supportive services for victims of domestic violence, elder abuse, and sex trafficking.

OCDV has worked closely with RCDA over the years to further develop New York City's coordinated community response to domestic violence and enhance the delivery of services to domestic violence victims in Staten Island.

In January 2012, OCDV launched the Staten Island Domestic Violence Response Team (DVRT) which provides rapid response to high risk cases of domestic violence by working closely with City and State agencies, including RCDA, and community based organizations to provide individualized agency action plans to effectively meet the service and safety needs of DVRT clients. More recently, OCDV

initiated the Coordinated Approach to Preventing Stalking Program (CAPS), in coordination with the NYPD and RCDA, to increase the identification and reporting of intimate partner stalking cases, enhance arrests and prosecutions, and link victims to critical services through DVRT. Through this increased law enforcement response to stalking, we will bring awareness to the seriousness of this offense which is a significant risk factor of lethality for victims of intimate partner violence.

RCDA plays a critical role in the lives of domestic violence victims, particularly by providing supportive services through on-site victim advocates and engaging in the Integrated Domestic Violence (IDV) Courts through specially trained Assistant District Attorneys. I share this commitment to providing specialized and enhanced services to victims of domestic violence to ensure the safety of victims and children, as well as accountability for abusive partners. By supporting the work of RCDA, the STOP VAWA Grant Program offers an opportunity to advance our shared goals of improving collaboration across systems and preventing and intervening in intimate partner violence. Thank you in advance for your consideration of the Office of the Richmond County District Attorney's request.

Sincerely,

Rosemonde Pierre-Louis

Chief Executive Officer
Community Health Center of Richmond

Staten Island, NY 10302

Dear Mr. Thompson,

The Mayor's Office to Combat Domestic Violence (OCDV) is pleased to offer OCDV's support to your organization's application to the U.S. Health Resources and Services Administration (# HRSA-15-016) for funding to establish a new access point at 135 Canal Street, 2nd Floor, Staten Island, NY 10304 to increase access to affordable primary care and dental care services and eliminate health disparities in the North Shore of Staten Island.

OCDV formulates policies and programs, monitors the citywide delivery of domestic violence services, and works with diverse communities to increase awareness of domestic violence victims and their children to get the help that they need regardless of the language they speak or their immigration status.

The Community Health Center of Richmond (CHCR) is a partner of OCDV's Domestic Violence Response Team (DVRT), a program aimed at providing comprehensive services to high-risk victims of domestic violence in Staten Island. CHCR refers victims to the DVRT program for coordinated services and CHCR is a valuable partner helping DVRT clients in crisis obtain needed medical services.

We recognize the need for additional primary care and dental care services in the North Shore of Staten Island and strongly support your application. We look forward to assisting your project in any way that we can.

Regards,

Rosemonde Pierre-Louis

Memorandum of Understanding

This Memorandum of Understanding (MOU) will serve as an agreement between The New York and Presbyterian Hospital's Family PEACE Program (FPP) and the Mayor's Office to Combat Domestic Violence (OCDV).

OCDV formulates policies and programs, monitors the delivery of domestic violence services, and works with diverse communities to increase awareness of domestic violence. OCDV's mission is to make it as easy as possible for domestic violence victims and their children to get the help that they need regardless of the language they speak or their immigration status. OCDV also creates programs that are critical to preventing domestic violence and works with the criminal justice system to hold batterers accountable. The Family PEACE Program was recently selected as an off-site partner of the New York City Family Justice Center, Manhattan. OCDV recognizes the need for additional services for families impacted by domestic violence in Central Harlem and Washington Heights and the high co-occurrence of domestic violence and child abuse in our communities.

Specifically, this MOU recognizes and supports the expansion of the Family PEACE Program's treatment services to victims of child abuse between the ages of 0-6 years with funding from the NYS Office of Victim Services (OVS). Funding from OVS would enable the FPP to offer culturally and linguistically appropriate services victims of child abuse and their siblings (up to the age of 12 yrs) who are also victims of abuse, or have been significantly impacted by their younger sibling's abuse. Additional services include case management, educational advocacy, coordination of preventive medical care, and application for Crime Victim Services compensation.

With respect to this MOU, OCDV agrees to refer victims of child abuse (0-6yrs) for trauma treatment at the Family PEACE Program, as appropriate. The FPP agrees to provide treatment services, coordinate mental health care, maintain communication with OCDV regarding participation in treatment, and assist with referrals for case management and linkages for preventive medical care.

The MOU may augment any existing linkage agreement previously signed by the two parties. This MOU will be reviewed on an annual basis. Either party may terminate this MOU without cause at any time by providing the other with a written letter to that effect.

INSTRUCTIONS: This agreement is a demonstration of a commitment to integrate service delivery through working relationships with other organizations. It is not a consultant agreement. Provide one Linkage Agreement Form for each organization with which you will be working. Duplicate this form as needed.

Pursuant to the proposal submitted by Chinese-American Planning Council, Inc. in response
(Proposer Organization)

to the NDA Educational Support Request for Proposals from the Department of Youth and Community Development, the proposer, if funded, will establish a programmatic linkage with

The Mayor's Office to Combat Domestic Violence in the form and manner described below.
(Linked Organization)

Describe the proposed programmatic linkage, including how referrals and follow-up services for individuals and families will be maintained.

The Chinese-American Planning Council, Inc. (CPC) and Mayor's Office to Combat Domestic Violence (OCDV) have agreed to a linkage for the purposes of DYCD's NDA Educational Support for High School Youth program. The OCDV's NYC Healthy Relationship Training Academy provides interactive workshops on dating violence and healthy relationships for adolescents, young adults and parents. Their goal is to ensure that young people are aware of the fundamentals that constitute every healthy relationship. Through the proposed programmatic linkage, the Academy will provide workshops for the NDA participants to be held at CPC's program facility indicated in the proposal, as available. CPC's data and information will be shared with the utmost care and consideration for the participants' confidentiality and only as necessary. Ultimately, the linkage will help to achieve the NDA programmatic goals of positive youth development and building healthy relationships among youth and adults.
