

Public Service Puzzler

5 Minutes with the Conflicts of Interest Law

This month's contest is an opportunity to re-write some of the world's most famous quotes, with a conflicts of interest twist, of course. First, chose any well known quote. It could be from a movie, a book, a play, etc. Second, re-write that quote so it relates to Chapter 68. Below you will find a couple of examples.

"I'll be back...after waiting one year per the City's post-employment restrictions." - The Terminator

*"Now is the winter of our discontent
Made glorious summer by this basket
Of fruit which, though unknown the sender is,
Must be reported to IGs who will
Dispose of it accordingly." - Richard III*

To enter, email your quote to contest@coib.nyc.gov by May 18th. The winner will be randomly chosen from a pool of finalists selected by our judges.
