10. **Penalty for Bid Rejection or Refusal to Proceed with a Sale** - If for any reason a bid is rejected or the successful bidder(s) refuses to proceed with the sale of any one parcel then, in either event, all bids shall be rejected and the parcel(s) reoffered, said bidder(s) shall be prohibited from further bidding, and will be required to leave the auction venue. A good faith effort will be made by DCAS to ensure that such bidder(s) not be permitted to re-enter the auction venue.

The balance of $8,000 must be paid **within forty-five (45) calendar days of the date of the auction.** The City will not offer mortgages or any other payment plans.

Bidders are advised that the City reserves the right to require prospective bidders to present proof in advance of any bidding on a particular parcel that the bidder is in possession of the Auction Deposit in the appropriate amount and form for each parcel. The Auction Deposit must be payable in cash, official bank check, certified check, bank money order or postal money order. When such proof is required, bidders who are unable to provide the aforesaid will not be permitted to participate in the bidding for that parcel.

Bidders are advised that due to security requirements, all persons entering the auction venue must pass through a magnetometer. Please allow extra time to enter. No eating, drinking or smoking is permitted in the auction venue. These rules will be strictly enforced.

These guidelines apply to the development of vacant lots, use and expansion of existing buildings or to permitted accessory uses. To understand the uses permitted on a specific site, you are urged to seek professional advice, e.g., a licensed architect or engineer or land use counsel.

These guidelines are not intended as anything other than a general summary of terms used in this auction brochure and are provided for convenience of reference only. DCAS is not charged with the enforcement or interpretation of zoning laws and regulations and makes no representations in this regard. Purchasers are urged not to rely in any manner upon these guidelines and are urged to consult with their own advisers in this area.

**DEFINITIONS**

**RESIDENTIAL:** Residential Districts (R1-R10) vary according to bulk, permissible density and other controls, such as parking and open space.

**COMMERCIAL:** Commercial Districts (C1-C8) vary according to the area they are to serve (local vs. regional) and the compatibility with adjacent residential uses. All residential uses are permitted in C1-C6 districts. Many C districts are further subdivided by another numerical suffix, e.g., C6-9, which allows a greater range of bulk and parking standards.

**MANUFACTURING:** Manufacturing Districts (M1-M3) vary according to their impact on the environment and the types of materials used in the production processes. No residential use is permitted in M zones without first obtaining a variance from the Board of Standards and Appeals.

**PARKING:** Parking provisions differ according to the type of district and the use and size of the development. The Zoning Resolution controls the minimum number of spaces required, the maximum number of spaces permitted and the distance of the parking facility from the use to which it is accessory.

**USE GROUPS:** Within each zoning district, certain activities are permitted which are categorized as use groups. There are 18 use groups: residential and institutional activities are within use groups 1-4, local retail and services are within use groups 5-9, regional shopping is within use groups 10-12, open space activities are within use groups 13-15, manufacturing is within use groups 16-18. The following chart shows permitted use groups. For further information on what uses are allowable within specific zones contact the Department of City Planning or the borough office of the Department of Buildings.

1. **Q. What is the MINIMUM UPSET PRICE?**  
   **A.** This is the price at which the bidding will begin. For example, if the Minimum Upset Price is $9,000, the bidding cannot begin below $9,000.

2. **Q. If there are no bidders on a parcel at this sale, will the parcel come up for sale again?**  
   **A.** If there are no bids on a parcel when first offered at auction, it will be re-offered prior to the conclusion of the auction. If no bids are made the second time, the parcel will be re-evaluated and may be re-offered at public auction at a future date.

3. **Q. How much money is due on the day of the auction?**  
   **A.** You must submit the auction deposit as printed in the parcel offering in the allowable form on the day of the auction.

4. **Q. What is the AUCTION DEPOSIT?**  
   **A.** The auction deposit is listed next to each parcel and is the amount payable at the close of bidding. Payment must be in the form of cash, official bank check, certified check, bank money order or postal money order. All checks must be made payable to NYC/DCAS. Personal checks will not be accepted for the auction deposit. Cash will only be accepted in $100 bills. The auction deposit must be in its proper form when you bid on a parcel. You must be prepared at the time of the bid to submit Auction Deposit and any additional funds necessary to meet the requirements. You will not be permitted to leave the auction venue without completing the payment process.

5. **Q. Are any other payments required on the day of the auction?**  
   **A.** Yes. In addition to the deposit, the Purchaser is responsible for an Auctioneer’s Fee. See Paragraph 20 of the Terms and Conditions of Sale. This fee is payable by cash or personal check and must be paid to the auctioneer prior to signing the contract.

6. **Q. When are affidavits and business entity paperwork due?**  
   **A.** All affidavits, partnerships certificates, corporate resolutions, incumbency certificates and certificates of good standing must be duly executed and submitted within fourteen (14) calendar days of the auction. Failure to comply will result in a default.

7. **Q. May I assign my sales contract?**  
   **A.** You may apply to assign your sales contract. All assignments must be submitted within fourteen (14) calendar days of the auction. However, all assignment requests must be on the form provided by DCAS, and accompanied by required affidavits and documents. A fee of $200 must accompany each request. The fee must be submitted in the form of an official bank check, certified check, bank money order or postal money order made payable to NYC/DCAS. No assignment shall be valid for any purpose unless and until approved in writing by DCAS.

8. **Q. When must title objections be filed and in what form?**  
   **A.** All title objections must be filed in writing within forty-five (45) calendar days of the auction. A title report issued by a Title Company certified to conduct business in the State of New York, and if applicable, a survey, must accompany each submission. Failure to submit in a timely manner may result in a waiver of all rights to file title objections.

9. **Q. Will a title objection result in a cancellation of sale?**  
   **A.** If your title company identifies a title objection, it will be reviewed by the NYC Law Department with your title company. Most title objections are resolved and the property is conveyed. See Paragraph 15 of the Standard Terms and Conditions of Sale for further information regarding title objections.

10. **Q. Am I responsible for liens and violations on property?**  
    **A.** Buyers will NOT be responsible for any real estate taxes, water charges, sewer charges or City liens on the property prior to the date of closing. However, buyers will be responsible for VIOLATIONS on the property prior to the conveyance date if directly related to the property. See Paragraph 9 of the Standard Terms and Conditions of Sales for additional information.

11. **Q. When must I pay the balance still due on the purchase price of my parcel?**  
    **A.** The entire balance must be paid within forty-five (45) calendar days of the auction. For example, if the purchase price is $10,000, the deposit due on the day of the auction is $2,000, and the remaining balance due equals $8,000. The balance of $8,000 must be paid within forty-five (45) calendar days of the date of the auction. The City will not offer mortgages or any other payment plans.
12. Q. What happens if I don’t make the balance payment or submit required paperwork and affidavits?
   A. DCAS will place you in default pursuant to the Terms and Conditions of Sale. In the event that you are placed in default, the City will retain 20% of the purchase price as liquidated damages, and may resell the property at a future auction. Furthermore, the City of New York will not permit you to bid on, close title on or purchase property from the City for a period of five years.

13. Q. When do I close title?
   A. When all requirements under the Terms and Conditions of Sale have been met, the file is forwarded to the NYC Law Department. A Title Closing Attorney will be assigned and a mutually convenient closing date will be scheduled. You will be notified of the date and time.

14. Q. If the property is presently being used by other people, how do I claim possession?
   A. You are not legally the owner of the property until title has closed and you have received your deed, at which time you are solely responsible for claiming possession in any legal manner you may deem necessary.

15. Q. What closing costs will I have to pay?
   A. Before your closing, you will receive an appointment letter confirming time, date and closing costs. The charges include recording fees for the deed, a State stamp tax, a City transfer tax, and taxes from the closing date to the end of the tax quarter. Should you adjourn your closing date, adjournment fees will be paid at closing in addition to the other charges.

16. Q. Do I need to hire an attorney to represent me?
   A. Whether or not you wish to retain an attorney to represent your interests is your decision. If you are not represented at the time of title closing, the City’s closing attorney will describe the documents you are signing and forward the appropriate instruments to the City Register for recording. Read and familiarize yourself with the Terms and Conditions of Sale and the property offering described in this brochure.

17. Q. Do I need to use a broker to bid?
   A. No. You do not need to be represented by a broker to bid on property. Please be aware that the City does not pay any brokers’ commissions, pursuant to Paragraph 21 of the Terms and Conditions of Sale.

18. Q. What does the “accessory, extension or enlargement uses only” restriction mean?
   A. Properties sold within these restrictions can usually be used only by the adjacent owner to support an existing use next door. Examples of acceptable uses are: parking for homes, gardens next to homes and parking to support adjacent businesses. Expansions or enlargements to existing homes or businesses are permitted. However, separate buildings are not allowed. Refer to the New York Zoning Resolution or contact the Department of City Planning for further requirements.

19. Q. What is an interior lot?
   A. An interior lot means there is no direct access from any mapped street to the subject parcel. Bidders are advised to determine whether upon acquisition of the parcel they will have access to the lot, the City makes no representations in this regard.

20. Q. What does it mean if a parcel is advertised as having an easement and/or encroachment?
   A. While DCAS is not an official repository of title documents and does not conduct title analysis prior to offering property at auction (and cannot make any representations in this regard), at times DCAS becomes aware of the possibility that a parcel may be burdened by an easement or easements that are interests in real property that benefit a third party, whether of record or otherwise, and/or that an abutting owner may have situated an improvement that extends beyond the subject parcel’s lot line (“encroachments”). Encroachments and easements may affect the use and development of the property. All parcels are sold pursuant to Paragraph 9 of the Standard Terms and Conditions of Sale (Property Sold Subject To). The City makes no representations with respect to the existence of easements and encroachments, however, in the event the City cannot deliver marketable title, DCAS will cancel a sale in accordance with Paragraph 14 (DCAS’ Right to Cancel a Sale).
The following inspection schedule has been arranged for viewing the buildings offered for sale at this Auction. Prospective purchasers should go directly to the buildings at the time scheduled. The buildings will be open only during these times and will close promptly at the time indicated below. We strongly urge anyone interested in purchasing a property to inspect the premises before placing a bid on any property. Bring a flashlight with you to the inspection.

NOTE: WHILE THE CITY WILL MAKE A REASONABLE EFFORT TO PROVIDE ACCESS, THERE MAY BE INSTANCES WHERE ACCESS IS NOT AVAILABLE. ACCESS IS NOT A PRE-CONDITION OF SALE. PERSONS INSPECTING THESE BUILDINGS ARE PROHIBITED FROM BEING ACCOMPANIED BY CHILDREN UNDER 18 YEARS OF AGE.

**UNIMPROVED PROPERTIES (vacant land)**

Parcel 11 Is Being Sold Subject To The Following:

**NOISE:** Due to the location of Broad Channel Island with respect to John F. Kennedy Airport, any new development (as defined in the N.Y.C. Zoning Resolution) of this parcel may require, pursuant to CEPO-CEQR standards, window wall attenuation and an alternate means of ventilation to maintain acceptable interior noise levels. The purchaser/grantee should consult the most recent noise exposure map for the airport and the N.Y.C. CEPO-CEQR standards to determine the appropriate amount of window-wall attenuation required for any new development. Such measures must be incorporated into the building design in conformance with the aforementioned standards.
DEP EASEMENTS: Building restrictions and zoning regulations in force at the time of the delivery of the deed and covenants, restrictions of record, and any easements affecting the subject property including any present or future easements required by the New York City Department of Environmental Protection for sewer installations, hookups, water service and maintenance.

RESTRICTIVE COVENANT: Purchaser/grantee acknowledges that the parcel being conveyed pursuant to this deed includes a "waterfront zoning lot" within the meaning of Section 62-11 of the Zoning Resolution of the City of New York (the "Zoning Resolution"). Purchaser/grantee covenants for itself and on behalf of any lessees, subsequent purchasers, successors or assigns to all or any part of the parcel that, in connection with any proposed "development" (as such term is defined in Section 62-11 of the Zoning Resolution) on the parcel, purchaser/grantee will comply with all applicable requirements of Chapter 2 of Article VI of the Zoning Resolution, including the requirements of Section 62-711 ("Waterfront Public Access and Visual Corridors"). As part of such obligation, purchaser/grantee shall not apply for nor accept an excavation or building permit for any development on the parcel, nor shall an excavation or building permit be issued until such time as the Chair of the Department of City Planning certifies to the Department of Buildings or the Department of Business Services, as applicable, pursuant to Section 62-711 that: (1) no public access or visual corridors are required; (2) a site plan has been submitted showing compliance with the provisions of Sections 62-40 and 62-60 of the Zoning Resolution, and all other requirements of Section 62-711 have been met; or (3) an authorization pursuant to Section 62-722 ("Modifications of Waterfront Public Access and Visual Corridor Requirements") has been granted. For purposes of determining purchaser/grantee’s waterfront obligations hereunder, such obligations shall be based upon the zoning lot containing the parcel existing as of September 3, 1997.

DEC WETLANDS: All or part of this parcel may be part of a tidal wetland or a tidal wetland adjacent area. Tidal wetlands and tidal wetland adjacent areas are regulated under New York State law by the New York State Department of Environmental Conservation ("DEC"). DEC has jurisdiction over tidal wetlands and buffer area (the adjacent areas), which measure in Broad Channel (and other parts of New York City) up to 150 feet landward of the most landward boundary of a mapped tidal wetland. The official tidal wetland maps can be viewed at the DEC Region 2 offices.

The City of New York makes no representation with respect to the designation of all or part of this Parcel as tidal wetland or tidal wetland adjacent area.

To the extent that the parcel is within a regulated tidal wetland or tidal wetland adjacent area, important restrictions apply. Depending on the particular circumstances of the parcel, any form of development on the parcel may be prohibited or restricted. In addition, other activities on the parcel may be prohibited or restricted.

The most important development restrictions can be found in Section 661.6 of the Tidal Wetland Land Use Regulations (Title 6, Part 661 of the Official Compilation of the Rules and Regulations of the State of New York). The most important use guidelines can be found in Section 661.5 of the Tidal Wetland Land Use Regulations. Article 25 of the New York State Environmental Conservation Law (the "Tidal Wetlands Act") provides that anyone conducting a regulated activity within a tidal wetland or tidal wetland adjacent area must first obtain a permit from the New York State Department of Environmental Conservation. Conducting a regulated activity without a permit constitutes a violation. Any violation of the Tidal Wetlands Act can result in a significant penalty (at the time of this indenture up to $10,000 per day for each violation) as well as criminal sanctions. In addition, unpermitted structures and fill have to be removed at the owner’s expense. Regulated activities include, for example:

- Any form of draining, dredging, excavation and removal (directly or indirectly) of soil, mud, sand, shells, gravel or other aggregate from any tidal wetland;
- Any form of dumping, filling or depositing (directly or indirectly) of any soil, stones, sand, mud, gravel, rubbish or fill of any kind;
- The erection of any structures or roads, the driving of any pilings or the placing of any other obstructions, whether or not changing the ebb and flow of the tide; and
- Any other activity within or immediately adjacent to inventoried wetlands which may substantially impair or alter the natural condition of the tidal wetland area;
- Any subdivision of land.

This list is not complete. It is therefore advisable to contact the New York State Department of Environmental Conservation, Region 2, Marine Resources Program prior to any activity within the tidal wetland or tidal wetland adjacent area to clarify whether or not a permit is required.

WATER MAIN EASEMENT: The City of New York hereby retains unto itself a permanent and perpetual easement 10 feet wide centered over the existing water main located within the premises hereby granted. No permanent structures shall be erected within, under or less than twenty feet above the easement area. No trees or shrubs shall be planted on the easement and materials or equipment shall not be placed for storage within the easement area. The easement is retained for the purpose of allowing the City’s Department of Environmental Protection and other necessary parties the free right to enter upon the easement area at all times with vehicles, equipment and material to inspect, operate, use, maintain, repair or replace the water main. The easement shall run with the land and remain in full force and effect for as long as the sewer/water main continues in use as determined by the City.

SEWER EASEMENT: The City of New York hereby retains unto itself a permanent and perpetual easement 30 feet wide centered over the existing sewer main located within the premises herein granted. No permanent structures shall be erected within, under or less than twenty feet above the easement area. No trees or shrubs shall be planted on the easement and materials or equipment shall not be placed for storage within the easement area. The easement is retained for the purpose of allowing the City’s Department of Environmental Protection and other necessary parties the free right to enter upon the easement area at all times with vehicles, equipment and material to inspect, operate, use, maintain, repair or replace the sewer main. The easement shall run with the land and remain in full force and effect for as long as the sewer/water main continues in use as determined by the City.

NOTE:

Bidders are advised that a portion of the subject parcel is located within the boundaries of a mapped street, as shown on the City Map, which may affect the use and development of the property. This shall not be grounds for cancellation of the sale and your attention is called to Paragraph 9 of the Standard Terms and Conditions of Sale (“Property Sold Subject To”) and Paragraph 11 of the Standard Terms and Conditions of Sale (“Condemnation of All or Any Part of the Property”), which remain in full force and effect.

(a) The AUCTION DEPOSIT listed in the auction brochure MUST be paid, at the close of bidding on the Property, in United States dollars, in cash or by official bank check, certified check, bank money order or postal money order, made payable to the order of NYC/DCAS. If the Purchaser wishes to buy more than one Property at the auction sale, separate checks, money orders or cash payments are required for the purchase of each Property. No other form of payment will be accepted for the Auction Deposit. The City reserves the right to re-offer the Property for bid if the bidder is unable to pay the Auction Deposit as required.

(b) Balance of the Purchase Price
The Balance of the Purchase Price shall be paid within forty-five (45) calendar days of the Date of Sale, by official bank check, certified check, bank money order or postal money order, made payable to the order of NYC/DCAS or by wire transfer. Failure to do so shall be deemed a Default pursuant to Paragraph 13 below.

Submission of the Balance Payment is not authorization to enter upon and take possession of the property prior to date of title closing.

If any check(s) described above is not honored upon being presented for payment, the same shall be deemed a Default pursuant to Paragraph 13 below. A charge of twenty dollars ($20.00) shall be imposed for any check not honored upon first being presented for payment.

PURCHASERS ARE ALSO ADVISED THAT THE DISHONOR OF A CHECK, UNDER CERTAIN CIRCUMSTANCES, MAY BE THE BASIS FOR CRIMINAL PROSECUTION.

5. ASSIGNMENT OF MEMORANDUM OF SALE

(a) No assignment of a Purchaser’s rights under the Memorandum of Sale shall be valid unless made on the form of Assignment provided by DCAS, and (i) the documents required by such form, duly and fully completed and executed, (ii) such form and all required documents and (iii) fees are filed with DCAS not later than fourteen (14) calendar days from the Date of Sale. Any purported assignment not made in accordance herewith shall be void and of no force and effect.

(b) Upon receipt of written approval of the Assignment from DCAS, the assignor, at the option and in the sole discretion of DCAS, may be released from any and all liabilities and obligations pursuant to the Memorandum of Sale.

(c) A nonrefundable processing fee in the sum of $200 will be imposed for the submission of an Assignment Form.

(d) Nothing herein contained shall limit the City’s right to reject any proposed assignee pursuant to the provisions of Paragraphs 2 and 3 above. No purported assignment shall be valid for any purpose unless and until approved in writing by DCAS. In the event that DCAS does not render such approval, the purported assignment shall be void and of no force and effect and the obligations of Purchaser shall be and remain solely with the assignor.

6. PROPERTY SOLD “AS IS”

The Purchaser will be required to accept the Property in its “as is” condition as of Title Closing. DCAS shall have no obligation to evict any tenant or occupant of any Property.

7. RISK OF LOSS TO PROPERTY

If, between the Date of Sale and the Title Closing, damage occurs to the Property from fire or any other cause, the Purchaser shall bear the risk of such loss and the Purchase Price will not be reduced.

8. DESCRIPTIONS

Descriptions made in sales catalogs and auction brochures published and distributed by DCAS, or statements made by officials, agents and employees of the City concerning the Property are for information only and should be verified by Purchasers. No such description or statement or omissions thereof, shall be deemed to be a representation or warranty and Purchaser acknowledges not having relied on any representation or warranty or omissions thereof, concerning the Property, its condition, state of title or lawful use.

DCAS reserves the right to cancel a sale pursuant to Paragraph 14 where DCAS has concluded that there was a material misstatement regarding the Property as advertised in the auction brochure, the existence of which could not be ascertained prior to the Date of Sale by a site inspection of the Property by the Purchaser.
9. PROPERTY SOLD SUBJECT TO
All Sales Are Made Subject to:
(a) building restrictions and zoning regulations in effect up to Title Closing and any facts disclosed in the City of New York tax and zoning maps and zoning resolutions;
(b) covenants, agreements, restrictions, easements whether of record or not, encroachments, utility easements and rights of way, if any, affecting the Property, provided that the same do not prohibit the maintenance or present use of an existing property;
(c) the provisions of all laws, codes, statutes, ordinances, acts, rules, regulations, etc., of any local, state or federal government, or any agency or subdivision thereof, having jurisdiction, or any violations of same, existing at the time of sale and/or the Title Closing;
(d) any state of facts an accurate survey would show, provided the same does not render title unmarketable;
(e) the rights of any tenants and persons in possession;
(f) any state of facts a thorough inspection of the Property would reveal;
(g) the location of all or any part of the Property within the bed of a mapped street, or the Property not fronting on or giving access to a street shown on the City Map.

10. SPECIAL CONDITIONS OF SALE
Special conditions may apply to the sale of a Property, as set forth in the listing of that Property in the auction brochure. Such special conditions are deemed to be a part of the Terms and Conditions for that Property and are deemed incorporated into the Memorandum of Sale. If there is an inconsistency between the standard Terms and Conditions and any special conditions, the special conditions shall prevail.

11. CONDEMNATION OF ALL OR ANY PART OF THE PROPERTY
In the event of the acquisition by the City of New York, by condemnation or otherwise, of any part or portion of the above Property (except for the portion of the Property containing a building as of the date of Title Closing), lying within the bed of any street, avenue, parkway, expressway, park, public place or catch-basin, as said street, avenue, parkway, expressway, park, public place or catch-basin is shown on the present City Map, the Purchaser shall only be entitled as compensation for such acquisition by the City of New York to the amount of One Dollar ($1.00), and shall not be entitled to compensation for any buildings or structures erected thereon after the date of sale, within the lines of the street, avenue, parkway, expressway, park, public place or catch-basin, so laid out and acquired. This covenant shall be binding upon and run with the Property (and the deed for the Property shall so reflect) and shall endure until the owner of the Property obtains a written release of this covenant executed by the Deputy Commissioner or a person designated by the City’s Mayor who may in his/her sole discretion execute such release if the City Map has already been changed so as to eliminate the lines of said street, avenue, parkway, expressway, park, public place or catch-basin from any part or portion of the Property. If the City Map has not been so changed, the said officer may execute such a release after authorization by the City’s Mayor. The owner shall pay such consideration for the release as said officer shall deem appropriate.

12. POWERS OF THE DEPUTY COMMISSIONER
(a) To Withdraw a Property from Sale
The Deputy Commissioner shall have the right to withdraw any Property from the sale and to reject any and all bids.
(b) To Act in Best Interests of the City
Nothing contained in the Terms and Conditions shall be deemed to limit the authority of the Deputy Commissioner, in his/her discretion, to take such steps as may be deemed to be in the best interest of the City of New York.
(c) To Indemnify
In the event that a title objection is raised pursuant to Paragraph 15 that the Property was acquired without due notice to a lien holder of record, then the Deputy Commissioner may, but shall not be obligated to, agree to indemnify Purchaser and Purchaser’s successors in interest against claims arising therefrom, provided, however, that no such indemnification shall exceed the amount of the Purchase Price.

13. PURCHASER’S DEFAULT
(a) Any of the following shall constitute a Default by Purchaser:
(i) failure to make the Auction Deposits due on the Date of Sale;
(ii) failure timely to make any other payment(s) and/or fees required to be made pursuant to the Terms and Conditions;
(iii) failure duly, timely and completely to fulfill any other obligation imposed upon Purchaser pursuant to the Terms and Conditions;
(iv) failure timely to make payments for real estate taxes and related charges, rent or mortgage payments due and owing to the City of New York with respect to other properties owned by purchaser;
(v) the making of any material misrepresentation, omission or false statement in the Verified Statement and Tax Affidavit or any supplementary information or affidavits;
(vi) discovery by DCAS, prior to Title Closing, of evidence that the Purchaser plans to develop the Property in violation of restrictions contained in the Property’s special conditions of sale;
(vii) failure to appear or appearing and refusing to close at the Title Closing;
(viii) unlawfully entering upon and/or occupying any City-owned property, including the subject auction property (i.e., without written authorization from the City).

(b) Multiple Successful Bids for Properties Offered At The Same or Different Auction Sale(s)
A Default with respect to any one Property shall constitute a Default with respect to all other Properties offered at any auction sale. For example, if the Purchaser is the successful...
bidder for two Properties offered at the same or different auction sale(s), the Purchaser must close title on both Properties. Otherwise Purchaser shall be in Default of its obligations with respect to both Properties and will not be permitted to close on either Property.

(c) Effect of Default
(i) In the event of a default under Paragraph 13 (a)(viii) the Deputy Commissioner may, in addition to other remedies, determine and impose a fair and reasonable use and occupancy fee.
(ii) In the event of a Default, the Deputy Commissioner may grant a grace period to the Purchaser to cure the said Default. If the Default involves the failure timely to make any payment, including use and occupancy fees, a non-refundable late charge at the rate of eighteen (18%) percent per annum on such unpaid sum shall be imposed as a condition to granting such grace period, from the date on which such payment was due to the date on which such Default is cured. If the Default is not cured within said grace period, or if the Deputy Commissioner, in his/her discretion, does not grant such a grace period, then DCAS may revoke the sale, and retain the Auction Deposit as liquidated damages. In addition, a Purchaser so held in default will not be eligible to bid on, close title on or purchase property at any City auction sale for a period of five (5) years from the date of the Default.

14. DCAS’ RIGHT TO CANCEL A SALE
DCAS shall have the right in its sole discretion to cancel a sale at any time before delivery of the Deed. In such event or in the event that DCAS is unable to convey a marketable title, subject to the provisions of Paragraphs 9 and 11 above, and the Purchaser is not in default pursuant to Paragraph 13 above, the City’s sole liability shall be the return of all payments or fees collected by DCAS on account of the proposed sale. Upon the return of such funds, the parties shall be mutually released from all obligations regarding the sale.

15. TITLE OBJECTIONS
Any objections to title, including, without limitation, survey objections, must be submitted in the form of a title report issued by a title company which is a member of the New York Land Title Association, its successors and/or assigns, by notice to DCAS, no later than forty-five (45) calendar days from the Date of Sale, which time is of the essence of this agreement. The failure timely to submit any such objection shall be deemed a waiver of any and all title objections. The submission of title objections does not relieve the Purchaser of any responsibility to comply with all other obligations hereunder, including but not limited to the timely submission of the balance payment pursuant to Paragraph 4(b). A Purchaser submits a title report solely at their own cost and expense.

16. THE DEED
The Deed to be delivered shall be a bargain and sale deed without covenants in the form prepared by the City.

17. DATE OF THE TITLE CLOSING
The Title Closing shall take place on a date determined by the Deputy Commissioner, upon not less than fifteen (15) calendar days notice to the Purchaser, which date shall be within two hundred forty (240) days from the Date of Sale.

Upon Title Closing, or in the event that there is a Title Closing postponement caused by the Purchaser for reasons other than valid objections to title as determined by DCAS, all customary adjustments including, but not limited to, taxes, sewer rents, maintenance and repair expenditures of the seller, reasonable management fees, fuel and water rates and interest, will be apportioned as of the date originally fixed for the Title Closing. Nothing herein contained shall be construed as requiring DCAS to consent to any request to postpone a Title Closing.

18. LOCATION OF THE TITLE CLOSING
All Title Closings shall be held at the office of Corporation Counsel, 100 Church Street, New York, N.Y., or at such other place as the Deputy Commissioner may direct in writing.

19. PAYMENT OF TAXES AND RECORDING FEES AT TITLE CLOSING
At Title Closing, the Purchaser shall pay any and all taxes, fees or charges which may be in force at the time of the Title Closing and which are required as a prerequisite to the recording of a deed in the City and State of New York, as well as provide, at Purchaser’s sole cost and expense, any and all required revenue stamps.

20. FEES
(a) All Fees, unless otherwise specifically provided, shall be paid by official bank check, certified check, bank money order or postal money order payable to the order of NYC/DCAS.
(b) An auctioneer’s fee, in the amount shown immediately below, is due from the Purchaser at the auction and is payable by check drawn to the order of the auctioneer identified at the time of the sale.

(c) Duplicate Instrument Fee
A fee of $250 shall be imposed for the preparation of a duplicate of any Deed or payment of which fee shall be due upon submission of any request for such duplicate instrument.

(d) If DCAS agrees to attend any Title Closing at a location other than its office, a fee of $250 for each day or part thereof must be paid for the attendance by each employee of DCAS who attends.
