NOTICE

On Tuesday, September 19, 2017, at 9:00 A.M., in the Manhattan Municipal Building, Mezzanine level, 1 Centre Street, New York, NY 10007 (access through the North Entrance), a public hearing is being held by the City Planning Commission to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City (NYC) Economic Development Corporation (EDC), on behalf of the New York City (NYC) Office of the Deputy Mayor for Housing and Economic Development (OMHED), in coordination with Bedford Courts LLC (the “Applicant”), and along with the New York City Department of Citywide Administrative Services (DCAS), for a series of discretionary actions including a zoning text amendment, a zoning map amendment, a special permit for a large-scale plan, and a parking related special permit (the “Proposed Actions”), to facilitate the redevelopment of the historic Bedford Union Armory (the “Armory”) located at 1555 Bedford Avenue (Block 1274, Lot 1) in the Crown Heights neighborhood of Brooklyn (the “Proposed Site”) into an approximately 542,393 gross square feet three-building mixed-use development. DCAS is the applicant only for the disposition action. In addition, in the future the Applicant may seek public financing by the New York City Department of Housing Preservation and Development (HPD) and/or the New York City Housing Development Corporation (HDC) to facilitate the Proposed Development. Depending on the public funding source additional review under the State Environmental Quality Review Act (SEQRA) may be required at a later point in time.

The redevelopment of the historic Armory would result in approximately 390 residential dwelling units (DUs), including approximately 177 affordable DUs; up to 48,997 gsf of office space; up to 18,122 gsf of academic space; approximately 72,252 gsf of community facility space; and a minimum of 118 parking spaces (the “Proposed Development”), or “Analysis Scenario 1”). In order to provide a conservative analysis, the DEIS also considers a second Reasonable Worst Case Development Scenario (RWCS), “Analysis Scenario 2”, which assumes 25 additional DUs (including 14 affordable DUs) would be incorporated into the Proposed Development in lieu of the 18,122 gsf of academic space and associated office space (approximately 8,278 gsf).

Written comments on the DEIS are requested and will be received and considered by the Office of the Deputy Mayor for Housing and Economic Development, the Lead Agency, through Friday, September 29, 2017, at 5:00 P.M.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 16DME005K.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator System, may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)

Statement of Basis and Purpose of Proposed Rule

Section 5-66(c) of Title 6 of the Rules of the City of New York ("6 RCNY") requires tax preparers to post information regarding how they compute their fees. Section 20-740.1(b) of Title 20 of the Administrative Code of the City of New York ("Code") requires tax preparers to provide consumers with a "consumer bill of rights regarding tax preparers" ("consumer bill of rights") – a one page informational flyer regarding consumers’ rights and laws concerning tax preparers. Code Section 20-750(a) and 6 RCNY Section 5-70(a) require retail service establishments, which includes tax preparers, to post a price list sign.

The Department has found through numerous complaints that consumers who seek tax preparer services often receive vague, confusing and/or inadequate information about the cost of such services, which has frequently resulted in consumers being overcharged. Additionally, although Code Section 20-740.1(b) requires tax preparers to provide each consumer with a consumer bill of rights prior to discussion with the consumer, the Department has found that tax preparers do not always comply and, absent a disclosure, consumers have no way of knowing about the bill of rights and their right to receive a copy. Therefore, the Department proposes to improve and expand consumer protections by:

• clarifying the information that tax preparers must include in the price list sign regarding how they compute their fees and the locations where the sign must be posted;
• requiring tax preparers to display signage informing consumers that they are entitled to receive a written estimate of fees before receiving services from the tax preparer;
• requiring tax preparers to post a sign stating that a tax preparer must provide every consumer with a free, current and legible copy of the consumer bill of rights; and
• requiring tax preparers to provide the consumer bill of rights in English and in the primary language spoken by the consumer, provided that the Department has made available a translation in such language.

Additionally, the Department is proposing to amend 6 RCNY Section 5-66(c) to incorporate the requirements of Code Section 20-750(a) and 6 RCNY Section 5-70(a), which mandate that the price list sign must be posted at each point at which orders are placed and/or payment is made. The Department asks comments from a tax preparer with this proposed amendment to satisfy Code Section 20-750(a) and 6 RCNY Section 5-70(a).

The Department also seeks to amend 6 RCNY Section 6-53 – the Income Tax Preparers Penalty Schedule - to include the fixed penalties for violations of the proposed new Section 5-173.

New material is underlined.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule Amendment

   If there is a minimum fee for preparing a return, it must be disclosed. If the fee is variable, the factors upon which the variation depends must be disclosed. The price list must contain:
   a. a list of services offered by the tax preparer;
   b. the minimum fee charged for each service, including but not limited to the fee charged for each type of Federal or New York State return;
   c. factors which may cause the fee to be higher than the minimum fee and, for each factor listed, the additional fee and/or the range of possible additional fees charged when the factor applies.

2. a disclosure sign or signs stating that:
   a. the taxpayer is entitled to receive a written estimate of all fees before receiving services from the tax preparer;
   b. the taxpayer is entitled to receive a copy of every tax return prepared, at the time the original is given to the taxpayer for filing;
   c. that both the tax preparer and the taxpayer must sign every tax return;
   d. that the tax preparer is not licensed by the State Board for Public Accounting, or is not a member of the Bar of the State of New York, or both, if such is true;
   e. that the tax preparer or an agent will not represent the taxpayer at any audit, if such is true. (“Represent” means to appear before any government tax administering authority as attorney, Certified Public Accountant or enrolled agent. Failure to make this disclosure shall mean that the tax preparer, if lawfully authorized, agrees to represent the taxpayer or to provide representation.)

The price list sign required by subdivision (c)(1)(i) shall also be posted prominently and conspicuously at each point at which orders are placed and/or payment is made, including at each counter or desk. Compliance by a tax preparer with this requirement shall be deemed to satisfy the requirements of § 20-750(a) of the Administrative Code and § 5-70(a) of these Rules.

Disclosure in foreign languages. [All (1) In addition to English, all disclosures required by this section must be made [in English and] in any other language which the tax preparer uses to attract customers.

For purposes of this section, a failure to post each separately enumerated notice requirement constitutes a separate violation for which a penalty will be assessed.

§ 2. Subchapter H of Chapter 5 of Title 6 of the Rules of the City of New York is amended by adding a new Section 5-173 to read as follows:

§ 5-173 Consumer Bill of Rights Regarding Tax Preparers.

(a) Each tax preparer must post a sign provided by the Department stating: “By law, tax preparers must give you a free, current, and legible copy of the Consumer Bill of Rights Regarding Tax Preparers before beginning any discussions about tax preparation services. The tax preparer must let you review that document and answer any questions you have. To file a complaint about this business, contact 311 or visit DCA’s website.”

1. The sign must measure at least 17 inches wide by 11 inches tall.

2. The sign must be:
   a. posted prominently and conspicuously at the public entrance to the tax preparer’s business premises or in the immediate area where consumers arrive and are met for business by the tax preparer; and
   b. in English and in any other language which the tax preparer uses to attract customers, provided that the Department has made available a translation of such sign into that language.

(b) Prior to any discussion with the consumer, each tax preparer must give to each consumer a free, current, and legible copy of the consumer bill of rights regarding tax preparers in English and in the primary language spoken by the consumer, if the Department has made available a translation of such consumer bill of rights in each language.

§ 3. Section 6-53 of Subchapter B of Chapter 5 of Title 6 of the Rules of the City of New York is amended to read as follows:

All citations are to Title 20 of the Administrative Code of the City of New York or Title 6 of the Rules of the City of New York.

The penalties set forth for each section of law or rule shall also apply to all subdivisions, paragraphs, subparagraphs, clauses, items, or any other provision contained therein. Each subdivision, paragraph, subparagraph, clause, item, or other provision charged in the Notice of Violation shall constitute a separate violation of the law or rule.

For the fine amounts marked by a single asterisk, if the respondent timely submits the appropriate proof of having cured a first-time violation, the respondent will not be subject to a civil penalty pursuant to Local Law 153 of 2013.

Unless otherwise specified by law, a second or third or subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement for violating the same provision of law or rule, within two years of the prior violation(s).

A notice of proposed rulemaking was published in the City Record, on June 30, 2017. A public hearing was held on August 7, 2017. Written comments regarding the rules were received in accordance with the notice published in the City Record or electronically through NYC RULES at www.nyc.gov/nycrules. Comments were made available to the public within a reasonable time after the hearing, at Room No. 5-K2, 5th Floor, 100 Gold Street, between 10:00 A.M. and 4:00 P.M. on weekdays.

**Statement of Basis and Purpose**

The rule amendments prohibit newly constructed affordable housing units built to satisfy the requirements for tax exemption benefits pursuant to Real Property Tax Law Section 421-a(16) from generating floor area bonus for buildings other than either (a) buildings on the same zoning lot containing such affordable housing units or (b) buildings on a development site on which such affordable housing units are located where such development site includes two or more zoning lots that were reviewed and approved as a single unit pursuant to the Zoning Resolution. Zoning Resolution Section 23-911, which governs the inclusionary housing program, authorizes HPD to establish additional criteria for New Construction Affordable Housing through guidelines. The City Planning Commission Report from this 2009 text amendment provides that “[t]he availability of a range of options under the program - including on-site and off-site; new construction, substantial rehabilitation, and preservation; and rental and homeownership units – serves to encourage the broadest possible participation in the Inclusionary Housing program, while a range of tax incentives and housing subsidies strongly encourage affordable units to be located on-site.”

When the 2009 text amendments were adopted, it was with the understanding that 421-a and voluntary inclusionary housing would work together both to encourage on-site affordability and to ensure that new developments participating in the inclusionary housing program would generate affordable housing units that would not otherwise have been constructed. The changes to the 421-a program that took effect on April 10, 2017 undermine both of these assumptions.

First, most condominium developments will not be eligible for the new 421-a program and will therefore not be subject to its on-site affordability requirements; therefore when condominium developments want to obtain a zoning bonus for a larger building, they are unlikely to generate floor area by constructing on-site affordable units. Instead, for the reasons stated below, they will likely purchase zoning bonus generated by off-site rental affordable units from buildings participating in the new 421-a program. This rule would avoid this scenario.

Second, while inclusionary housing bonus can only be used in designated areas, the bonus floor area can be generated anywhere in the same community district as the receiving site or in an adjacent community district within a half mile of the receiving site. Rental buildings located anywhere in the City are eligible for the new 421-a program and must provide affordable units on the same zoning lot which can be used to generate off-site inclusionary bonus. This increase supply of affordable units, while welcome, will likely generate a glut of floor area bonus that will drive down the purchase price of off-site bonus. For condominium developments participating in the inclusionary housing program, this glut of low cost floor area bonus will diminish both the incentive to build affordable units on-site and the ability of the program to generate affordable units off-site that otherwise would not have been constructed in the absence of the inclusionary housing requirements (i.e., they would already have been produced under the requirements of the new 421-a program).

These unintended effects of the new 421-a program undermine the assumptions about the interaction between tax incentives and inclusionary housing that provided the foundation for the adoption of the 2009 text amendments and ultimately threaten the fundamental purpose of the inclusionary housing program – to create and support newly constructed affordable housing.

The rule amendments restore the validity of these assumptions. By limiting the zoning bonus that can be generated by such 421-a affordable units to buildings on the same zoning lot, or buildings within certain development sites with multiple zoning lots, buildings that require more floor area will have to provide on-site affordable housing units or off-site affordable housing beyond that already required by the new 421-a program.

Pursuant to comments on the proposed rulemaking, Section 41-25 was altered to include development sites that include two or more zoning lots that were reviewed and approved as a single unit, pursuant to the Zoning Resolution.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 41-01 of Chapter 41 of Title 28 of the Rules of the City of New York is amended by adding one new definition to be inserted in alphabetical order and to read as follows:

“Assisted Affordable Unit” shall have the meaning set forth for “Affordable Housing Unit” in Section 421(at-163a)xxv of the Real Property Tax Law.

§ 2. Chapter 41 of Title 28 of the Rules of the City of New York is amended by adding a new Section 41-25 to read as follows:

Section 41-25. Limitations on Generation of Floor Area Compensation. For New Construction Affordable Housing, Assisted Affordable Units shall not generate any Floor Area Compensation for any Compensated Development other than (a) a Compensated Development on the zoning lot on which such Assisted Affordable Units are located, or (b) a Compensated Development on a development site on which such Assisted Affordable Units are located where such development site includes two or more zoning lots that were reviewed and approved as a single unit pursuant to the Zoning Resolution.

The proposed project is expected to be completed by 2018.

The building has two terraces toward the rear of the building, including a 1,178 gsf second floor terrace and 192 gsf fourth floor terrace. 951 gsf of the exterior second floor rear terrace is within the required rear yard, and is a legal non-compliance. The Rectory Building (Lot 34), which is located adjacent to the Project Site, contains three floors and is 45 feet tall. It contains approximately 4,514 gsf of floor area. The underlying RSB Zoning District permits Use Groups 1-4, a maximum residential FAR of 4.0 and a maximum community facility FAR of 5.1. A maximum building height of 75 feet is permitted.

As a result of the Proposed Action, the existing building on the Project Site would be renovated and reoccupied with an 18,657 gsf for-profit educational tutoring and test preparation service (UG 6B). The Applicant intends to enclose the rear terrace. 951 gsf of the 1,178 gsf second floor terrace is located within the required 30-foot rear yard. The Applicant seeks to waive the 30-foot requirement, thereby facilitating the terrace enclosure and increasing the floor area of the building from 17,993 gsf to 18,657 gsf, an increment of 664 gsf.

Absent the Proposed Action, the analysis framework for the EAS indicates that the Project Site would be sold to another party for occupancy as a permitted community facility similar to the non-profit pre-school which previously occupied the building.
