EDUCATION

NOTICE

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organization(s) for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Jay G. Miller, at 65 Court Street, Room 1201, Brooklyn, NY 11201. Responses should be received no later than 9:00 A.M., Thursday, March 27, 2008.

ITEM(S) FOR CONSIDERATION:

1. Publicolor, Inc. Service(s): The Office of the Deputy Chancellor for Finance and Administration is requesting an exception to open competitive procurement for a two year requirements contract with Publicolor, Inc. to continue to provide school enhancement service.

Publicolor is a not-for-profit organization which provides enhancement and beautification services to New York City schools. Specifically, the organization paints school interiors and exteriors according to plans that are jointly developed with the building principal and a group of student leaders. The organization also provides internships and training to student leaders who in turn, through the Paint Club, help other schools to transform their buildings.

As of 2007, Publicolor raised approximately \$2.5 million in private funds in support of its projects in New York City public schools and to supplement the public funding. Publicolor will raise approximately three dollars for every one dollar given by a DOE school.

Schools will pay for Publicolor's operational costs, \$11,000 per school, \$330,000 for 30 schools over the two year period. The Office of School Support Services will match the fees paid by schools up to \$110,000 per year (\$220,000 over two years) for up to 22 schools.

Therefore, the maximum in DOE funds to be expended during this two year requirements contract would be \$550,000. Matching private funds would be up to \$1.65 million. The term of the agreement will be from March 1, 2008 to February 28, 2010.

TERM: 3/1/2008-2/28/2010

AGENCY RULES

CAMPAIGN FINANCE BOARD

■ NOTICE

Notice of Opportunity to Comment on Proposed Amendments to Campaign Finance Board Rules

IN COMPLIANCE WITH SECTION 1043 OF THE NEW YORK CITY CHARTER, and exercising authority vested in the Campaign Finance Board (the “Board”) under Chapter 46 of the New York City Charter (including, but not limited to, Sections 1052(a)(8) and 1052(a)(12) thereof) and under the New York City Campaign Finance Act (the “Act”) (including, but not limited to, Section 3-708(8) of the New York City Administrative Code), the Board hereby proposes amendments to the Campaign Finance Board Rules. Underlining denotes proposed additions; ~~strikethrough~~ denotes proposed deletions.

I. Explanation, Basis, and Purpose

The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York. The subject matter of this rulemaking was described in the Board’s regulatory agenda for fiscal year 2008, published in The City Record on April 23, 2007.

The proposed amendments would effect the following specific changes, and if adopted following the opportunity for public comment, would take effect thirty days after final publication in The City Record.

Changes to the following rules conform the Board’s Rules to recent amendments to the New York City Campaign Finance Act (Administrative Code §§ 3-701, et seq.) (the “Act”) contained in Local Law Nos. 34 and 67 of 2007: 1-04(c)

(returning receipts); 2-12 (mandatory training); 3-03(c) (disclosure statement contents); 4-01(b)(5) (intermediary contribution statements); 4-05(b) (audit training); 5-01(a) (payment procedure); 5-01(d) (validity of matchable contribution claims and projected rate of invalid claims); 7-02(c) (notice and opportunity to contest). Eleven additional amendments are described below:

Definitions (Rule 1-02)

The proposed new rule would define the term “advance.”

Contributions from Political Committees (Rule 1-04(d))
The proposed amendments would clarify that participants may only accept contributions from political committees that have registered with the Board for the current election.

Contribution Limit; Prohibited Contributions (Rule 1-07(c))

The proposed amendments would clarify that the requirement that candidates demonstrate that any transferred funds derive solely from contributions for which the candidate has obtained records demonstrating the contributors’ intent to designate the contributions for the covered election applies only to participants.

Filer Registration (Rule 1-11)

The proposed amendments would clarify the requirements for the filer registration.

Certification (Rule 2-01)

The proposed amendments would clarify the requirements for the certification.

Breach of Certification (Rule 2-02)

The proposed amendment would clarify that the submission of substantial false information or documentation to the Board in order to avoid a finding of violation or a repayment determination will be considered a breach of certification.

First Disclosure Statement (Rule 3-02(a)(2))

The proposed amendments would clarify the filing requirements for the first disclosure statement for a special election.

Receipts (Rule 4-01(b)(1))

The proposed amendments would clarify that the candidate must create a record of each deposit if the candidate’s bank or depository does not provide itemized deposit slips.

Custodian and Location of Records (Rule 4-03(b))

The proposed amendments would clarify certain requirements related to candidate records.

Payment by Electronic Funds Transfer (Rule 5-01(u))

The proposed new rule would require all candidates to be paid by electronic funds transfer unless the Board determined to make payment using an alternative method.

II. Opportunity to Comment

Written comments regarding the proposed rules must be submitted to the General Counsel of the Campaign Finance Board, 40 Rector Street, 7th Floor, New York, on or before April 22, 2008. A public hearing will be held on April 22, 2008 at the offices of the Board beginning at 10:00 A.M. Persons wishing to testify are requested to notify the General Counsel of the Board at the foregoing address. Written comments and a transcript of the hearing will be available for public inspection, within a reasonable time after receipt, at the offices of the Board on weekdays between the hours of 9:00 A.M. and 5:00 P.M.

III. Proposed Rules

Definitions (Rule 1-02)

A new definition would be added as follows:

“Advance” means a payment for goods or services on behalf of a campaign made with the expectation that the payment will be reimbursed by the campaign. An advance is considered to be an in-kind contribution from the person making the advance until it has been reimbursed by the campaign, and a campaign may not accept an advance from a prohibited source.

Returning Receipts (Rule 1-04(c))

Campaign Finance Board Rule 1-04(c) would be amended as follows:

(c) Returning receipts.

(1) Excess and prohibited contributions. When a candidate knows or has reason to know that he or she has accepted a contribution, contributions, or aggregate contributions from a single source in excess of the applicable contribution limit, including a contribution or contributions from a contributor having business dealings with the city, or from a source prohibited by the Act or the Charter, the candidate shall promptly return the excess portion or prohibited contribution, as the case may be, by bank check or certified check made out to the contributor; provided, however, that in the case of a contribution from a contributor having business dealings with the city in excess of the applicable limitation set forth in §3-703(1-a) of the Code, the candidate shall return the excess portion of such contribution within 20 days of receipt of notice from the Board that the contribution exceeds such limitation. Alternatively, if return of the contribution to the contributor is impracticable, the candidate may pay to the Fund an amount equal to the amount of the prohibited contribution or the excess portion, as the case may be. Remedial actions taken pursuant to this rule will not, however, preclude imposition of a penalty under the Act; provided, however, that no violation shall issue and no penalty shall be imposed where the excess portion of a contribution from a contributor having business dealings with the city is postmarked or delivered within 20 days of receipt of notification from the Board. The Board shall provide such notification to the candidate within 20 days of the reporting of the contribution, or, in the case of a

contribution reported during the six weeks preceding the candidate's next covered election, the Board shall provide such notification within 3 business days; provided, however, that if such twentieth day is a Saturday, Sunday, or legal holiday, notification by the Board by 5 p.m. on the next business day shall be considered timely. A candidate may not accept any contributions in excess of the applicable contribution limits or from sources prohibited by the Act or the Charter.

(2) Restrictions on return. Because participants must repay to the Board unspent campaign funds after an election, participants receiving public funds must accept and deposit all monetary receipts received for an election. A participant may not reject or return any contributions received before the first January 12 after the election once he or she has received public funds, except if the contribution: (i) exceeds the contribution limit, including the limit applicable to contributors having business dealings with the city, (ii) is otherwise illegal, (iii) is returned because of the particular source involved, or (iv) was deposited in a separate account pursuant to Rule 2-06(c) for a runoff election that is not held.

Contributions from Political Committees (Rule 1-04(d)) Campaign Finance Board Rule 1-04(d)(1) would be amended as follows:

(d) Contributions from political committees.

(1) Pursuant to §3-703(1)(k) of the Code, ~~participants a participant~~ may not accept ~~contributions a contribution~~ from a political committee, unless the political committee has registered with the Board pursuant to §3-707 of the Code for the period that includes the participant's next covered election which requires registration within ten days after the Board next publishes a list of registered political committees or so registers within ten days of receipt of the contribution. The registration shall be submitted in such form and manner as shall be determined by the Board and shall include such information as may be required by the Board, including:

Contribution Limit; Prohibited Contributions (Rule 1-07(c)) Campaign Finance Board Rule 1-07(c) would be amended as follows:

(c) Contribution limit; prohibited contributions.

Candidates have the burden of demonstrating that surplus funds and transfers of funds from committees not otherwise involved in the covered election do not derive from: (1) contributions in excess of the Act's contribution limits, including contributions that would exceed the Act's contribution limits when aggregated with other contributions accepted from the same source; or (2) contributions from sources prohibited by the Act or the Charter. In addition, ~~candidates participants~~ have the burden of demonstrating that funds transferred from a committee, other than another principal committee of the same candidate, derive solely from contributions for which records demonstrating the contributors' intent to designate the contributions for the covered election, ~~as required pursuant to Rule 3-03(c)(2),~~ have been submitted and maintained as required pursuant to Rules 3-03(c)(2) and 4-01(b)(8), respectively.

Filer Registration (Rule 1-11) Campaign Finance Board Rule 1-11 would be amended as follows:

Rule 1-11 Filer Registration.

Not later than the day that a candidate files the first disclosure statement for an election, the candidate shall submit a filer registration form. The filer registration form shall include:

(a) the candidate's name, address information and telephone numbers, e-mail address, and employment information;

(b) the name and mailing address, and treasurer name, treasurer address information and telephone numbers, treasurer e-mail address, and treasurer employment information, of every political committee authorized by the candidate that has not been terminated, and, in the case of a participant or limited participant, an indication of which such committee is the principal committee;

(c) the name, mailing address, e-mail address, and telephone number of any person designated by the candidate to act as liaison with the Board for each committee filing disclosure statements;

(d) identification of all bank accounts and other depository accounts, including merchant accounts, into which receipts have been, or will be, deposited; and

(e) other information as required by the Board.

The candidate shall notify the Board of any material change, including any change to any required address information, telephone number, or e-mail address, in the filer registration form in such manner as may be provided by the Board.

Certification (Rule 2-01) Campaign Finance Board Rules 2-01(a) and (d) would be amended as follows:

(a) Contents. The candidate shall specify in the certification whether he or she is joining the Program as a participant pursuant to §3-703 of the Code or as a limited participant pursuant to §3-718 of the Code. The certification shall include all filer registration information required by Rule 1-11 and such other information as required by the Board, including all information necessary to receive payment by electronic funds transfer. In the certification, the participant or limited participant shall designate a principal committee. A candidate filing the certification as a limited participant shall affirm that he or she has a sufficient amount of personal funds to fund his or her own campaign. A candidate's personal funds or property shall include his or her funds or

property jointly held with his or her spouse, domestic partner, or unemancipated children.

(d) Amendments. The participant or limited participant shall notify the Board of any material change in the information submitted pursuant to this rule, including, but not limited to any change to any address information, telephone number, or e-mail address included in the filer registration information required by Rule 1-11, in such manner as may be provided by the Board and no later than the next deadline for filing a disclosure statement. If, based upon a reasonable belief that there has been a material change in the information submitted, the Board requests an amendment, the participant or limited participant shall submit promptly any amendment necessary in such manner as may be provided by the Board. Notification of any change to the candidate's or treasurer's information included in the certification must be made to the Board for six (6) years after the date of the last election to which the certification relates.

Breach of Certification (Rule 2-02) Campaign Finance Board Rule 2-02 would be amended as follows:

Rule 2-02 Breach of Certification.

The Board considers each of the following activities to be a fundamental breach of the obligations affirmed and accepted by the participant or limited participant in the certification:

(a) submission of a disclosure statement which the participant knew or should have known includes substantial fraudulent matchable contribution claims;

(b) use of public funds to make or reimburse substantial campaign expenditures which the participant knew or should have known were fraudulent;

(c) cooperation in alleged independent expenditures, whereby material or activity that directly or indirectly assists or benefits a participant's or limited participant's nomination or election, which is purported to be paid by independent expenditures, was in fact authorized, requested, suggested, fostered, or cooperated in by the participant or limited participant; ~~and~~

(d) use of a political committee or other entity over which a participant or limited participant exercises authority to conceal from the Board expenditures that directly or indirectly assist or benefit the participant's or limited participant's nomination or election; and

(e) submission of substantial information which the participant or limited participant knew or should have known was false, or the submission of substantial documentation which the participant or limited participant knew or should have known was fabricated or falsified, which would avoid a finding of violation or public funds repayment determination.

In the event of a fundamental breach, the participant will be deemed by the Board to be ineligible for public funds and to have forfeited all public funds previously received for the elections covered by the certifications and the participant or limited participant will be subject to such civil and criminal sanctions as are applicable under §3-711 of the Code and other applicable law. This rule is not intended to be an enumeration of all circumstances that may constitute a fundamental breach of obligations, as may be determined by the Board.

Mandatory Training (Rule 2-12) Campaign Finance Board Rule 2-12 would be amended as follows:

Rule 2-12 Mandatory Training.

Participating candidates, their campaign managers, treasurers or persons with significant managerial control over a campaign shall be required to attend a training provided by the Board concerning compliance with the requirements of the Program and use of the Program software. For purposes of determining compliance with this rule, "persons with significant managerial control" shall not include campaign consultants, and the individual attending the training must be listed on the candidate's filer registration.

First Disclosure Statement. (Rule 3-02(a)(2)) Campaign Finance Board Rule 3-02(a)(2) would be amended as follows:

- (ii) Candidates shall include the total amount of unitemized contributions delivered or solicited by an intermediary when reporting the total amount of all

contributions the intermediary has delivered or solicited.

(7) Intermediary requirements.

(i) Exception-Exceptions. (B) The candidate need not report an intermediary for contributions collected at a campaign sponsored fundraising event paid for in whole or in part by the campaign. In the case of contributions collected at a non-campaign sponsored fundraising event where there are multiple hosts, the hosts shall designate one host who shall be reported by the candidate as the intermediary for all such contributions. For the purposes of this rule, "campaign sponsored fundraising event" shall mean an event organized by a candidate's authorized committee to raise funds for such candidate.

Receipts (Rule 4-01(b)) Campaign Finance Board Rule 4-01(b)(1) and (5) would be amended as follows:

(2) Public funds cap.

(i) The Board shall determine, pursuant to ~~§3-705(7)(b)~~ §3-705(7)(a) of the Code, whether a participant is opposed by another candidate who has spent or contracted or obligated to spend, or received in loans or contributions, or both, an amount which in the aggregate exceeds one-fifth of the expenditure limit applicable to the participant. LATE NOTICE

PARKS AND RECREATION

JOINT PUBLIC HEARINGS

NOTICE OF A JOINT PUBLIC HEARING of the Franchise and Concession Review Committee and the New York City Department of Parks and Recreation to be held on Monday, April 7, 2008 at 22 Reade Street, Borough of Manhattan, commencing at 2:30 p.m. relative to:

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, <http://NYC.GOV.Selltonyc>

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
