COMPTROLLER

ASSET MANAGEMENT

■ SOLICITATIONS

Services (Other Than Human Services)

ENHANCED YIELD AND BANK LOAN FIXED INCOME INVESTMENT MANAGERS – Innovative Procurement – PIN# 015 11814800 EY – DUE 10-20-11 AT 4:00 P.M. – The Comptroller of the City of New York (the "Comptroller"), on behalf of the New York City Retirement Systems, and specifically the New York City Employees' Retirement System ("NYCERS"), the Teachers' Retirement System of the City of New York ("TEACHERS"), the New York City Police Pension Fund, Subchapter Two ("POLICE"), the New York City Fire Department Pension Fund, Subchapter Two ("FIRE"), and The Board of Education Retirement System ("BERS", collectively "NYCRS" or the "Systems"), is conducting a search to identify managers to manage enhanced yield and bank loan fixed income portfolios for one or more of the Systems. In addition, other related systems or funds may select managers through this solicitation.

The Comptroller's Office is using a pilot process to conduct this search, as permitted and in accordance with Section 3-12 (Innovative Procurement Methods) of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). This pilot process will permit BAM and the Systems to review a broader universe of potential investment managers than is the case under the current Request for Proposals ("RFP") process. Specifically, BAM and the Systems' general investment Consultants will use industry databases to identify the universe of emerging equity market managers that are potential candidates for hiring by the Systems, rather than limiting that review to only those managers that respond to a formal Request for Proposals. In addition to the goal of opening the procurement process to greater competition, goals of the pilot process include facilitating the Systems' ability to identify and hire the highest qualified managers based on performance and organizational strength, and shortening the amount of time it takes to complete the manager selection process. The proposed innovative procurement method will be evaluated to determine whether it is in the City's interest to codify the method used within the PPB Rules.

How to Participate in this Search Investment management firms must do the following to be considered in this search:

1. Potential candidates should carefully review this Notice and the Minimum Requirements described in Section B. Interested managers that meet the minimum requirements, including incumbent managers, must enter their information in the following databases by October 20, 2011 in order to be considered by each consultant as part of the initial evaluation. For Callan, investment firms must submit their information directly to the Consultant; for Rocaton, SIS, NEPC and Buck, investment firms must enter their information into eVestment Alliance's database. Information on requirements for entering information into these databases can be found at: <http://www.callan.com> (click on "data and tools", then click on "Manager Questionnaire") and <https://www.evestment.com> (click on register/submit data in the upper right hand corner).

2. If a potential manager's firm and product information is in the above databases, the manager must ensure that all such information is current and accurate.

3. There is no fee for entering information into either of these databases. Managers must ensure that they complete all database information, including both firm level and product level information. Managers are advised that information in the database may become part of any contract resulting from this search.

Current and accurate data must be in the above databases by no later than October 20, 2011.

Managers that meet the minimum requirements specified in the Notice of Solicitation ("Notice") will be evaluated in accordance with the evaluation criteria and process set forth in the Notice. Any of the Systems may select one or more managers through this search process. The evaluation is expected to result in three-year investment management agreements with estimated aggregate annual costs of \$17 million or more.

Consistent with the policies expressed by the City of New York, participation by minority-owned and women-owned businesses or partnering arrangements with minority-owned and women-owned investment firms are encouraged. Additionally, participation by small and New York City based businesses is encouraged.

The Notice of Search will be available for download from the Comptroller's Web site at on or about September 23, 2011.

You must register to download the Notice by selecting "Bureaus", then "Asset Management" then "Investment Management Searches". Database information is due by October 20, 2011. Questions about the Notice or the pilot process should be transmitted by e-mail to Evelyn Dresler, Director of Asset Management Contracting at bamcontracts@comptroller.nyc.gov.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

CAMPAIGN FINANCE BOARD

■ NOTICE

NOTICE OF PUBLIC HEARING

Subject: Opportunity to Comment on Proposed Amendments to Campaign Finance Board Rules

Date / Time: October 27, 2011 / 11:00 A.M.

Location: Campaign Finance Board
 40 Rector Street
 Conference Room E, 6th Floor
 New York, NY 10006

Contact: Sue Ellen Dodell
 212-306-7114; sdodell@nycfcb.info

Instructions:

You may send written comments regarding the proposed rules to the Executive Director of the Campaign Finance Board, 40 Rector Street, 7th Floor, New York, NY 10006 no later than October 27, 2011.

If you want to testify, please notify Sue Ellen Dodell, General Counsel of the Campaign Finance Board, at the foregoing address by close of business on October 26, 2011.

Written comments and a transcript of the hearing will be available for public inspection, within a reasonable time after

receipt, at the offices of the Campaign Finance Board on weekdays between 9:00 A.M. and 5:00 P.M.

The Campaign Finance Board (the “Board”) is proposing amendments to the Campaign Finance Board Rules in compliance with Section 1043 of the New York City Charter and under the authority vested in the Board under Chapter 46 of the New York City Charter (including, but not limited to, Section 1052(a)(15) thereof) and under the New York City Campaign Finance Act (including, but not limited to, Section 3-708(8) of the New York City Administrative Code).

The Board rules are codified in Title 52 of the Rules of the City of New York. The subject matter of this rulemaking was described in the Board’s regulatory agenda for fiscal year 2012, published in *The City Record* on April 18, 2011.

The proposed rules would conform the Board’s Rules to recent amendments to the New York City Charter approved by the voters in a ballot proposal held on November 2, 2010. The Charter amendment added § 1052(a)(15), governing the disclosure and reporting of independent expenditures.

The Board held a hearing on March 10, 2011 at which 13 people testified regarding future rules for independent expenditures. Four people also submitted written testimony. Testimony came from elected officials, civic group representatives, union representatives, and other members of the public. The Board considered the testimony of these individuals before drafting the proposed rules.

The proposed amendments would create the changes described below and, if adopted after public comment, would take effect thirty days after final publication in *The City Record*.

The proposed rules are new, and therefore the entire text is underlined.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this Board, unless otherwise specified or unless the context clearly indicates otherwise.

I. Explanation, Basis, and Purpose

On November 2, 2010, New York City voters approved a ballot referendum to “require public disclosure of expenditures made by entities and individuals independent from candidates to influence the outcome of a city election or referendum.” These proposed rules establish:

- Definitions of key terms,
- What types of communications are required to be reported to the Campaign Finance Board (the “Board”),
- Who needs to file with the Board,
- When reports have to be filed,
- The form and manner of disclaimers required on communications, and
- Other related criteria, processes and requirements needed to implement Charter § 1052(a)(15).

Disclosure of Independent Expenditures

Charter § 1052(a)(15) directs the Board to “promulgate rules concerning the form and manner in which independent expenditures are to be reported and disclosed, the information to be reported and disclosed, the periods during which reports must be filed, and the verification required.” Charter § 1052(a)(15) also directs the Board to “promulgate such additional rules as it deems necessary to implement, administer, interpret and enforce [Charter § 1052(a)(15)] and [to] provide in such rules that information regarding independent expenditures be promptly made accessible to the public during the covered election cycle.”

The proposed rules would be codified in a new Chapter 13 and would provide for:

Scope of Covered Communications [Sections 13-01; 13-02]

Only expenditures by an individual or entity operating independently of a candidate (an “independent spender”) for “public communications” that are “express advocacy communications” or “electioneering communications” will be required to be reported to the Board.

The new rules would define “public communication” broadly to include any printed communication (newspaper, magazine, billboard, or mass mailing), communications by telephone totaling 500 or more calls of a substantially similar nature within any 30-day period, and broadcast communications via the Internet, radio, television, cable or satellite, or any other form of general public political advertising.

Express advocacy communications include public communications that contain a phrase such as “vote for,” “re-elect,” etc., or “vote against,” “defeat,” etc., or words that in context can have no reasonable meaning other than to advocate the election or defeat of a candidate or ballot proposal. Such communications disseminated at any time during the election cycle qualify as express advocacy communications.

Electioneering communications include public communications that clearly identify a candidate and:

- (1) refer to the personal qualities, character, or fitness of that candidate;
- (2) support or condemn that candidate’s position on issues; or
- (3) support or condemn that candidate’s public record.

Such communications only qualify as an electioneering communication if they are disseminated within 90 days of a covered election. Electioneering communications do not apply to communications regarding only ballot proposals.

“Public Communications” would not include: (1) expenditures made in connection with covering or carrying a news story, commentary, or editorial by any broadcasting station, website, newspaper, magazine, or other periodical publication, including any Internet or electronic publication, unless the entity making the expenditure is owned or controlled by any political party, committee, or candidate (“the media exemption”); or (2) expenditures made by an entity for a routine newsletter or periodical, or telephone calls, or communications relating to the internal deliberations of the entity’s endorsements, directed solely to an entity’s own members or stockholders (“membership/stockholder exemption”).

The Board provided the media exemption as such exemption is typically provided in existing independent expenditure rules in other jurisdictions. The Board provided the membership/stockholder exemption to enable groups to

educate their members to engage meaningfully and knowledgeably in the political process without disclosure. The proposed rules also focus specifically on disclosure of spending for campaign materials, while providing exemptions for membership-building communications like newsletters and phone calls.

Disclosure Statement Filings [Sections 13-03; 13-04]

Pursuant to § 1052(a)(15)(b), if an independent spender makes independent expenditures of more than \$1,000 in support of or in opposition to a particular candidate or ballot proposal during the election cycle (e.g., for the 2013 election cycle, January 12, 2010 to January 11, 2014), it must report those independent expenditures to the Board. As described in Section 13-03, such reporting shall occur according to the same reporting calendar used by candidates as prescribed in the Board Rules following New York election law and published on the Board's website. All reporting will be done via an Internet disclosure system designed for this purpose, and will include a copy of the public communication and all associated invoices.

Once the \$1,000 threshold is met regarding a particular candidate or ballot proposal, all subsequent independent expenditures for that candidate or ballot proposal, regardless of value, must be reported during the remainder of the election cycle. If during a reporting period no independent expenditures are made and no reportable contributions are received, no reporting is required. During the 14 days prior to an election, all qualifying expenditures must be reported within 24 hours.

Section 13-04 requires independent spenders to include in the disclosure statement filing detailed information regarding the public communication and any expenditures related to the design, production, and distribution of a public communication. Section 13-04 also requires detailed information regarding an independent spender's contribution information. Pursuant to § 1052(a)(15)(b), if an independent spender makes independent expenditures of more than \$5,000 in support of or in opposition to a particular candidate during the 12 months before an election, it must report the source of the following contributions for the duration of the election cycle: contributions received from entities must be reported retroactively to the start of the election cycle; and contributions from individuals must be reported only if they total \$1,000 or more, and must be reported retroactively to 12 months before the election.

Disclosure is not required for contributions in which the contributor designated such contribution to be used for a specifically stated non-political purpose, such as a contribution grant to fund a particular non-political project, or for which the contributor designated the contribution for an election other than a covered election. In accordance with Charter § 1052(a)(15)(b), there is no requirement to report contributions received for ballot proposals.

Disclaimer Requirement [Section 13-05]

As provided in Charter § 1052(a)(15)(c), any public communication in support of or opposition to a candidate must include a "paid for by" disclaimer; there is no disclaimer requirement for ballot proposals pursuant to Charter § 1052(a)(15)(c). No disclosure would be required on pens or similar materials where such a disclaimer would be impractical.

Non-Independent Expenditures [Section 13-06]

An expenditure by an individual or entity in support of or in opposition to a candidate that was authorized, requested, suggested, fostered by, or otherwise cooperated in by a candidate is not an independent expenditure. Such an expenditure shall be reported by the candidate and not by the individual or entity making the expenditure.

Pre-clearance [Section 13-07]

Prior to the dissemination of a communication, any individual or entity may seek guidance from the Board to determine whether a given expenditure would be reportable as an independent expenditure. Pre-clearance determinations will be made within seven days; during the two weeks before the election, determinations will be made within 24 hours.

Document Retention [Section 13-08]

Copies, source files, schedules or scripts of the public communication and all documents that enable the Board to verify the accuracy of disclosure statements must be maintained by the independent spender for three years.

Complaints and Investigations; Board Determinations [Section 13-09]

Complaints and investigations regarding potential violations of Charter § 1052(a)(15) will be conducted like those regarding potential violations by candidates. Board hearings regarding potential violations of Charter § 1052(a)(15) will also be conducted like those regarding potential violations by candidates; however, to ensure that as many matters are dealt with prior to the election as possible, hearings conducted prior to the election will be held before the Board (or its designee) only. Hearings conducted after the election may be heard by either a hearing officer or by the Board (or its designee), at the option of the respondent.

II. Proposed Rules

Section 1. Title 52 of the Rules of the City of New York is amended by adding a new chapter 13, to read as follows:

Chapter 13
Disclosure of Independent Expenditures

§ 13-01 Definitions.

- (d) **Covered election:** Means a covered election as defined in New York City Charter § 1052(a)(15)(a)(iii).

 - (ii) When taken as a whole and with limited reference to external events, such as the proximity to the primary or election, a public communication could only be interpreted by a reasonable person as containing advocacy of the passage or defeat of a ballot proposal or the election or defeat of one or more clearly identified candidates because:
 - (1) The electoral portion of the communication is unmistakable, unambiguous, and suggestive of only one meaning; and
 - (2) Reasonable minds could not differ as to whether it encourages actions to elect or defeat one or more ballot proposals or clearly identified candidates or encourages some other kind of action.
- (h) **Fair market value:** Means:
 - (i) For goods, the price of those goods, at the time the goods were received, in the market from which they ordinarily would have been purchased, and

"Member" also means any person who is designated in the articles or bylaws as a member and, pursuant to a specific provision of an organization's articles or bylaws, has the right to vote on changes to the articles or bylaws, or pays or has paid membership dues in an amount predetermined by the organization so long as the organization is tax exempt under 26 U.S.C. 501, subdivision (c). Members of a local union are considered to be members of any national or international union of which the local union is a part and of any federation with which the local, national, or international union is affiliated. Members of entities organized primarily for the purpose of influencing elections are not covered by this definition.
- (l) **Public communication:** Means a communication by means of a newspaper, magazine, billboard, mass mailing, or other printed material; a telephone communication, Internet advertisement, or a communication by means of any radio, television, cable, satellite, or Internet broadcast; or any other form of communication to the general public.
- (m) **Stockholder:** Means a person who has a vested beneficial interest in stock, has the power to direct how that stock shall be voted, if it is voting stock, and has the right to receive dividends.
- (n) **Telephone communication:** Means 500 or more live or recorded telephone calls of an identical or substantially similar nature within any 30-day period.

§ 13-02 Scope of Regulated Activity.

- (a) **Regulated activity.** An expenditure made by an independent spender is in support of or opposition to a candidate in a covered election, or a ballot proposal, if it is for:
 - (i) an electioneering communication, as defined in section 13-01(e); or
 - (ii) an express advocacy communication, as defined in section 13-01(g).

- (b) **Media exemption.** An expenditure made in connection with covering or carrying a news story, commentary, or editorial by any broadcasting station (including a cable television operator, programmer, or producer), website, newspaper, magazine, or other periodical publication, including any Internet or electronic publication, shall not be required to be reported unless the entity making the expenditure is owned or controlled by any political party, political committee, or candidate.
- (c) **Member/Stockholder exemption.** An expenditure by an entity for a routine newsletter or periodical, or telephone calls, or communications relating to the internal deliberations of the entity's endorsements, directed solely to an entity's own members or stockholders, as defined in section 13-01(k) and (m) respectively, shall not be required to be reported.

§ 13-03 Registration and Filing Requirements.

- (a) **Generally.**

- (iv) The Board's published schedule of disclosure statement filing dates shall reflect that if a disclosure statement is due to be submitted on a Saturday, Sunday, or legal holiday, submission shall be considered timely if made by 5 p.m. on the next business day.
- (d) **Reporting periods.**
- (i) First disclosure statement of the covered election: The reporting period for the July 15 disclosure statement in the first year of the covered election shall begin on January 12 of that year.
- (ii) Subsequent disclosure statements: The reporting period for each disclosure statement, except for the first disclosure statement of the covered election, shall:

- (2) Conclude on and include the fourth day before the deadline for the submission of that disclosure statement.

- (iv) The Board's published schedule of reporting period dates shall reflect that if a disclosure statement is due to be submitted on a Saturday, Sunday, or legal holiday, the reporting period will conclude on and include the fourth day before the next business day.
- § 13-04 Expenditure and Contribution Disclosure.**
- Each disclosure statement shall consist of the following information:
- (a) **Public Communications.** For each public communication published, aired, or otherwise distributed during a reporting period the independent spender shall report:
- The type of public communication,
 - A description,
 - The names of the candidates and/or ballot proposals for which the public communication is in support of or opposition to,
 - For a printed communication, an electronic or paper copy of the communication, and,
 - For a broadcast or Internet communication, an audio, video, or source file or script.
- (b) **Expenditures.** (i) All expenditures directly related to the design, production, and distribution of a public communication shall be reported. For each expenditure the independent spender shall report:
- The name of the candidate or ballot proposal for which the expenditure is in support of or opposition to,
 - The name of the vendor,
 - The date, amount, and purpose,
 - The name of the individuals or entities paying for the expenditure, if not the independent spender,
 - An invoice detailing the expenditure, and,
 - Such other similar information as the Board may require.
- (ii) **Valuation.** If no invoice is available, the independent spender shall use a reasonable estimate of fair market value in determining the monetary value of the independent expenditure and shall maintain a written record supporting the estimate.
- (iii) **Apportionment.** For reporting purposes, the total cost of an independent expenditure that is in support of or in opposition to more than one candidate or ballot proposal shall be apportioned among the candidates or ballot proposals based on the following factors:
- (1) The focus of the material or activity;
 - (2) The geographic distribution or location of the material activity;
 - (3) The subject matter of the communication;
 - (4) The references to the candidate or the candidate's appearances therein or to the ballot proposal;
 - (5) The relative prominence of a candidate's or ballot proposal's references or appearances in the communication, including the size and location of references to the candidate or ballot proposal and any photographs of the candidate;
 - (6) The timing of the communication; and
 - (7) Other circumstances surrounding the communication.
- (c) **Contributions.**
- (i) An entity that makes independent expenditures in support of or opposition to a candidate aggregating to more than \$5,000 during the twelve months preceding the election shall include the following information about contributions, if any, accepted by the entity since it last reported contributions:
- (1) For each contribution accepted from another entity during the covered election, the entity's name, address, and type of organization;
 - (2) For contributions totaling \$1,000 or more accepted from an individual during the twelve months preceding the election,
- the individual's name, residential address, occupation, employer, and business address;
- (3) The date of receipt and amount of each such contribution accepted or other receipt; and,
- (4) Such other similar information as the Board may require.
- (ii) **Exemption for earmarked contributions.** Contributions that are earmarked for either an election that is not a covered election, as defined by section 13-01(d), or an explicitly stated non-political purpose are exempt from the requirements of paragraph (i) of this subdivision. Records of these non-disclosed contributions must be maintained and may be requested by the Board to verify their qualification for exemption.
- (d) **Verification.** Each independent spender filing a disclosure statement shall verify that the reported expenditure(s) in support of or opposition to a candidate were not authorized, requested, suggested, fostered, or made in cooperation with any candidate, or the agent of any candidate. The independent spender shall verify that the disclosure statement is true and complete to the best of the filer's knowledge, information and belief. The disclosure statement shall contain such signatures or notarizations as may be required by the Board.
- § 13-05 Disclaimers on Public Communications.**
- (a) Any public communication in support of or in opposition to any candidate in any covered election that is paid for by an independent spender making independent expenditures aggregating \$1,000 or more shall disclose the name of the independent spender by including the words "paid for by" followed by the name of the independent spender.
- (b) Disclosure shall be in the following form:
- (i) If the expenditure is for printed material or an Internet advertisement, the information shall be in a font of conspicuous size and style;
 - (ii) If the expenditure is for a communication broadcast on radio, the information shall be clearly spoken at the beginning or end of the communication;
 - (iii) If the expenditure is for a communication broadcast on television or the Internet, the information shall be both written and clearly spoken at the beginning or end of the communication; or
 - (iv) If the expenditure is for a telephone communication, the information shall be clearly spoken at the beginning or end of the communication.
- (c) This requirement shall not apply to pins, pens, or other similar items upon which the inclusion of a disclosure would be impractical.
- § 13-06 Non-Independent Expenditures.**
- An expenditure by an individual or entity in support of or in opposition to a candidate that was authorized, requested, suggested, fostered by, or otherwise cooperated in by a candidate, shall be reported by such candidate and not by the individual or entity making the expenditure. Factors for determining whether an expenditure is independent or non-independent are contained in section 1-08(f).
- § 13-07 Pre-Clearance of Communications.**
- Prior to the dissemination of a communication, an individual or entity may seek pre-clearance from the Board regarding whether the communication will be subject to the rules of this Chapter by submitting a written request, including the sample communication and a description of the proposed dissemination, to the Board, in the form and manner prescribed by the Board. If the request is received more than 14 days before the election, the Board shall provide a determination regarding such request within 7 days, and if such request is received during the 14 days prior to the election, the Board shall provide a determination within 24 hours. The Board's pre-clearance determination only applies to the communication exactly as submitted, and disseminated exactly as described to the Board.
- § 13-08 Document Retention.**
- Independent spenders must maintain for 3 years: (1) records that enable the Board to verify the accuracy of disclosure statements, including bills for goods or services used to produce and disseminate a communication, as well as records of all contributions received; and (2) copies of all advertisements, pamphlets, circulars, flyers, brochures, and other printed communications disseminated and a schedule of all radio or television time purchased or scripts used therein or the audio or video source file.
- § 13-09 Complaints and Investigations; Board Determinations.**
- (a) The following procedures shall apply for complaints and investigations regarding potential violations of Charter § 1052(a)(15):
- (i) **Initiation of proceeding.** A proceeding pursuant to Charter § 1052(a)(15)(e) may be commenced when: (1) the Board

receives a written complaint sworn to or affirmed, alleging the commission or omission of acts in violation of the Charter or this Chapter, or (2) the Board, on its own initiative, undertakes an investigation of a possible violation of the Charter or this Chapter.

(ii) Service of complaints. A complaint shall be filed by mailing it to, or by personally serving it on, the New York City Campaign Finance Board, 40 Rector Street, 7th Floor, New York, NY 10006.

(iii) Contents of complaint. A complaint shall specify times, places, and names of witnesses to the acts charged as violations of the Charter or this Chapter to the extent known. A complaint shall be based on personal knowledge, if possible. If a complaint is based on information and belief, the complainant shall state the source of that information and belief. Copies of all documentary evidence available to the complainant shall be attached to the complaint.

(iv) Initial complaint processing. (1) Upon receipt of a complaint, the Board will review the complaint for substantial compliance with the requirements of paragraph (iii), and if the complaint complies with those requirements, the Board shall within 10 days after receipt mail to each respondent notification that the complaint has been filed, and enclose a copy of the complaint;

(2) If a complaint does not comply with the requirements of paragraph (iii), or the Board deems it to be facially lacking in merit, the Board shall dismiss the complaint and shall so notify the complainant.

(v) Opportunity to respond to complaint. Within 20 days from mailing by the Board of a copy of the complaint to a respondent, or within such lesser time as may be specified by the Board for complaints received less than 40 days before the election, the respondent may submit an answer sworn to or affirmed, which may set forth reasons why the Board should dismiss the complaint. If, based upon its review of the complaint and any answer filed, the Board determines the complaint to be lacking in merit, the Board shall dismiss the complaint.

(vi) Investigation. Following receipt of a complaint, or at any time, if acting on its own initiative, the Board may conduct an investigation into possible violations of the Charter or this Chapter. In its investigation, the Board may use its investigative powers pursuant to §§ 3-708(5) and 3-710(1) of the Administrative Code. An investigation may include, but is not limited to, field investigations, desk and field audits, the issuance of subpoenas, the taking of sworn testimony, the issuance of document requests and interrogatories, and other methods of information gathering.

(b) The following procedures shall apply to determinations regarding potential violations of Charter § 1052(a)(15):

(i) **Determination that complaint lacks merit.** Following an investigation, the Board may determine that a complaint is lacking in merit or that violations of the Charter and this Chapter have not been substantiated and dismiss the complaint or terminate the investigation.

(ii) **Notice and opportunity to contest.**

(1) If the Board has reason to believe that a violation of Charter § 1052(a)(15) or this Chapter has occurred, the Board shall notify the individual or entity in writing of the alleged violation and proposed civil penalty. Such notice shall:

(i) Set forth in detail the legal basis for the Board's reason to believe there is a violation of Charter § 1052(a)(15) or this Chapter;

(ii) Notify the individual or entity of the opportunity to submit information and documentation for the Board's consideration within a reasonable time period to be specified in such notice;

(iii) If sent prior to the election, notify the individual or entity of the opportunity to appear before the Board or its designee at a hearing to contest the alleged violation and proposed civil penalty, and

(iv) If sent after the election, notify the individual or entity of the opportunity to appear before the Board or its designee at a hearing, or to appear before a hearing officer, to contest the alleged violation and proposed civil penalty. Adjudications conducted after an election shall meet the requirements set forth in Charter § 1046 unless such procedures are waived by the individual or entity.

(2) Unless specifically notified to the contrary by the Board, the opportunity to submit information and documentation described in the notice shall be the only such opportunity, and any information and documentation that is not timely received by the Board may, at the Board's sole discretion, be disregarded.

(3) Following this opportunity to submit information and documentation, consideration of any information and documentation submitted, and consideration of any appearance before the Board or its designee, the Board may determine the amount of civil penalties for any violations it determines to have occurred, and shall provide notice setting forth in detail the legal basis of the Board's

determination. If these amounts, as determined by the Board, are not paid by the payment deadline set forth in the notice, they may be sought through appropriate enforcement action.
