HTUF
High-Efficiency Truck Users Forum

**Northeast Regional HTUF
Fleets Workshop
& *Ride and Drive***

WEDNESDAY, APRIL 16, 2014

8:00 A.M. – 4 P.M.

Flushing Meadows Corona Park, Queens Theatre
& World's Fair Marina Park
- Queens, New York -

In partnership with the City of New York, the **High Efficiency Truck Users Forum (HTUF)** comes to the Big Apple for the first time!

Join us for an exciting day filled with cutting-edge vehicle technologies, fleet best practices and \$33 million in incentives for medium to heavy-duty vehicles.

Participants will have the opportunity to partake in results-driven panel discussions and test drive up to 20 alternative fuel vehicles. Experience efficiency and innovation first hand!

Workshop Highlights

- ✓ Latest in Class 2B - Class 8 alternative fuel & clean vehicle technologies
- ✓ Key industry testimonies on best practices by fleet vocation
- ✓ Available incentives to help drive the market
- ✓ Get 'behind the wheel' and test drive an alternative fuel vehicle
- ✓ Vehicle Demonstrations by New York City's Mayoral Fleet Managers
- ✓ Expert advice on vehicle procurement and fleet management
- ✓ Breakfast and Lunch will be provided for Workshop Participants
