Job Description

The Department of Citywide Administrative Services (DCAS) seeks to hire a Computer Associate Operations Level 2 to work within the Division of Fiscal Management & Operations' (DFMO), Office of Management Information Systems (OMIS) Citywide Personnel Production Systems (CPPS) group. The candidate will be responsible for working on the Operations team responding to the 200 to 300+ business request for CPPS Operations services per month. This includes: the creation of Eccentric-z non-pre-printed mailers; the operations of DCAS production job execution and problem determination; report printing and volume mailing services for DCAS departments such as Citywide Examinations, Civil Service Administration, Equal Employment Opportunity and the ACCO (Acquisitions Officer).

Qualification Requirements

1. A certificate from an accredited technical school (approximately 675 hours) with a specialization in computer operations, and two years of satisfactory full-time experience, acquired within the last eight years, working on large-scale mainframe computer operations or mainframe data communication networks; or
2. A baccalaureate degree from an accredited college and three years of satisfactory full-time experience, acquired within the last eight years, as described in "1" above; or
3. A four-year high school diploma or its educational equivalent and four years of satisfactory full-time experience, acquired within the last eight years, as described in "1" above; or
4. A satisfactory combination of education and/or experience equivalent to "1", "2", or "3" above. However, all candidates must have at least two years of full-time experience, acquired within the last eight years, as described in "1" above.

Essential Skills

The candidate should possess most or all of the following:

- IBM mainframe experience that includes current in-depth working knowledge of IBM Job Control Language (JCL)
- TSO ISPF experience including SDSF (System Display and Search Facility)
- Experience using the Microsoft Products especially Word, and Excel
- Ability to follow and execute complex instructions in the Operations Environment
- Ability to research, assess and pinpoint production ABEND causes and suggest potential solutions
- Ability to effectively operate, load, unload and understand complex machines and paper handling equipment
- Desire to learn and understand the relevant underlying business and customer needs
- A customer service focused mindset and appreciation
