WHAT IS THE COMBINED MUNICIPAL CAMPAIGN?

As men and women who work for—and care about—our city, we see people in need every day. The problems sometimes seem so big, we wonder if there is anything we, as individuals, can do to help solve them.

The Combined Municipal Campaign (CMC)—the only charitable giving campaign designed just for New York City employees—makes it possible for us to do just that through a single pledge, easily paid through payroll deduction.

Our combined contributions support nonprofit health and human service organizations helping millions of people throughout our city and

the world. Health care, literacy instruction, youth recreation, drug counseling, job training—these are just a few of the vital services made possible by the contributions we make through the CMC.

The New York City Department of Citywide Administrative Services determines CMC policies and procedures. United Way of New York City serves as campaign manager.

HOW YOU CAN PARTICIPATE

Giving through the Combined Municipal Campaign is easy. Simply fill in the pledge card at the back of this brochure and give it to your payroll officer or CMC campaign coordinator. Your contribution through the CMC will be automatically renewed at the beginning of each year so that you will not have to complete a pledge card every year for agencies to continue receiving your support.

You may choose to support all of the agencies participating in the CMC. Or, you may select up to five organizations to receive your contribution by indicating the appropriate code numbers and dollar amounts per pay period on

your pledge card. Your contribution is tax-deductible.

Thanks for joining with your fellow New York City employees in supporting the Combined Municipal Campaign.

Together, we can ensure the continuation of services we know are urgently needed.

**THE DECISION
TO GIVE
IS YOURS.**

Please open the flap.

WHY PAYROLL DEDUCTIONS?

Contributing in installments through payroll deduction is an easy, convenient way to give. And, it enables you to make a larger gift, spread over time.

Payroll deductions will begin in 2009 after input into the payroll system, and will be renewed at the beginning of each year. You may cancel your pledge at any time by notifying your payroll department.

DESIGNATION INFORMATION

Part B of the pledge card is where you indicate how you would like to designate your contribution.

- You may choose to designate your gift to the Combined Municipal Campaign by writing in Code 0100. This means that your contribution will be shared by all of the charitable organizations participating in the campaign.

or

- You may choose up to five organizations to receive your contribution by indicating the appropriate code number and dollar amount per pay period for each organization. Designations to an organization that is part of a federation will be distributed according to guidelines mutually agreed upon by that organization and the federation.

Undesignated contributions will be pooled and distributed equally among all of the organizations participating in the CMC.

Tear off the pledge card at the perforation and fill it out completely. Please sign and return it to your CMC campaign coordinator or payroll officer by Friday, March 13, 2009.
