TOPICS: Come learn about all the programs GSA has available to State and Local governments.

Disaster Recovery Purchasing:

State and local governments can purchase products and services directly from approved Schedule vendors, both in advance of or in the aftermath of Presidentially declared disasters or acts of terrorism, to facilitate recovery.

Cooperative Purchasing

GSA's Cooperative Purchasing Program allows state and local governments to purchase the latest technology products and professional services, at any time for any reason, from IT Schedule 70 and Law enforcement, security, fire, rescue, clothing, marine craft, and emergency/disaster response products and services

GSA Advantage!

GSA's award winning e-commerce superstore- the fastest way for you to find sources and select among more than 10 million items from more than 18,000 vendors. Come learn about all the latest updates and enhancements to GSA Advantage and how state and local governments can now purchase directly from this online system.

e-buy, Online Request for Quote Program

Looking to obtain better pricing on your procurements? Trying to increase competition? GSA's latest online procurement tool, e-Buy, allows buyers to prepare Request for Quotes (RFQs) for millions of products and services offered under GSA Schedule contracts.
