Citizenship Requirement: United States citizenship is required at the time of appointment as an Environmental Police Officer.

Character and Background: Proof of good character and satisfactory background will be absolute prerequisites to appointment. The following are among the factors which would ordinarily be cause for disqualification: (a) conviction of an offense, the nature of which indicates lack of good moral character or disposition towards violence or disorder, or which is punishable by one or more years of imprisonment; (b) repeated convictions of an offense, where such convictions indicate a disrespect for the law; (c) discharge from employment, where such discharge indicates poor behavior or an inability to adjust to discipline; (d) dishonorable discharge from the Armed Forces; and (e) conviction of petit larceny. In accordance with provisions of law, persons convicted of a felony or domestic violence misdemeanor are not eligible for appointment to the title of Environmental Police Officer.

Medical and Psychological Assessment: Medical and psychological guidelines have been established for the position of Environmental Police Officer. You will be examined to determine whether you can perform the essential functions of an Environmental Police Officer. Additionally, you will be expected to continue to perform the essential functions of an Environmental Police Officer throughout your career and may, therefore, be medically and psychologically tested periodically throughout your career. Where appropriate, a reasonable accommodation will be provided for a person with a disability to enable him or her to take these medical and psychological examinations, and/or to perform the essential functions of the job.

You may again be drug tested on a random basis at any time during your employment or as a prerequisite for assignment to higher levels. Any Environmental Police Officer found in possession of, or using illegal drugs, or who fails, refuses, or attempts to evade a drug test, will be terminated. The Department of Environmental Protection has a strict zero tolerance policy concerning illegal drug use. Individuals who are considering applying for positions as an Environmental Police Officer are expected to conform their behavior to this policy well before they begin the application process.

THE TEST: You will be given a multiple-choice test at a computer terminal. Your score on this test will be used to determine your place on an eligible list. You must achieve a score of at least 70% to pass the test. The multiple-choice test will include questions which may require the use of any of the following abilities:

It requires the forming of mental images of how patterns or objects would look after certain changes, such as unfolding or rotation. One has to predict how an object, set of objects, or pattern will appear after the changes have been carried out.

THE TEST RESULTS: If you pass the multiple-choice test, your name will be placed in final score order on an eligible list and you will be given a list number. You will be notified by mail of your test results. If you meet all requirements and conditions, you will be considered for appointment when your name is reached on the eligible list.
