NOTICE OF EXAMINATION

CHIEF MARINE ENGINEER

Exam. No. 5027

WHEN TO APPLY: From: November 2, 2005 **APPLICATION FEE: \$60.00**
 To: November 22, 2005 *Payable only by money order to D.C.A.S. (EXAMS)*

WHAT THE JOB INVOLVES: Chief Marine Engineers, under general direction, supervise and direct the operation of the main propulsion equipment and auxiliaries of a diesel direct or diesel electric powered ferryboat. Chief Marine Engineers supervise and direct all members of the below-deck team; supervise and direct the operation, maintenance and minor or emergency repair of the main propulsion equipment, boilers, auxiliaries electrical equipment, steering engines, pumps and fuel tanks on New York City ferryboats; perform all duties of inspection officer and team leader below decks; supervise and direct the care, storage and use of fuel on board ship; ensure that machinery and systems are operated in accordance with safety management system requirements, United States Coast Guard and departmental regulations pertaining to the operation of engine equipment of ferryboats and ensure specified documents and records are properly maintained; and perform related work.

Some of the physical activities performed by Chief Marine Engineers and environmental conditions experienced are: walking up and down steep gangways, ladders and stairs; communicating orally; standing watch aboard ship which requires good vision and hearing; using speed and agility during shipboard emergencies; and lifting equipment weighing up to 100 pounds.

Special Working Conditions: Eligibles appointed to this position may be required to work shifts including nights, Saturdays, Sundays, and holidays.

(This is a brief description of what you might do in this position and does not include all the duties of this position.)

THE SALARY: The current minimum salary is \$ 54,738 per annum. This rate is subject to change.

HOW TO APPLY: If you believe that you meet the requirements in the "How to Qualify" section, refer to the "Required Forms" section below for the forms that you must fill out. Return all completed forms and the application fee to DCAS Applications Section, 1 Centre Street, 14th floor, New York, NY 10007 **by mail only**. DCAS will not accept applications in person from candidates.

HOW TO QUALIFY:

License Requirement: By the **last day of the application period** you must present a valid license for Chief Engineer of Motor Vessels of any H.P. issued by the United States Coast Guard Inspection Service; or an equivalent license in motor vessels issued by the United States Coast Guard Inspection Service. This license must be maintained for the duration of your employment.

You are responsible for determining whether or not you meet the qualification requirements for this examination prior to submitting your application. If you are marked "Not Qualified," your application fee will not be refunded and you will not receive a score.

READ CAREFULLY AND SAVE FOR FUTURE REFERENCE

REQUIREMENTS TO BE APPOINTED:

Medical Requirement: Medical guidelines have been established for the position of Chief Marine Engineer. Candidates will be examined to determine whether they can perform the essential functions of the position of Chief Marine Engineer. Where appropriate, a reasonable accommodation will be provided for a person with a disability to enable him or her to take the examination, and /or to perform the essential functions of the job.

Drug Screening Requirement: You must pass a drug screening in order to be appointed, and if appointed you will be subject to random drug testing for the duration of your employment.

Residency Requirement: City residency is not required for this position.

English Requirement: You must be able to understand and be understood in English.

Proof of Identity: Under the Immigration Reform and Control Act of 1986, you must be able to prove your identity and your right to obtain employment in the United States prior to employment with the City of New York.

REQUIRED FORMS:

1. **Application for Examination:** Make sure that you follow all instructions included with your application form, including payment of fee. Save a copy of the instructions for future reference.
2. **Education and Experience Test Paper:** Write your social security number at the top right side of the cover page, the examination title and number in the appropriate boxes. Fill out sections A.1, A.4, A.5 (if applicable) and sections B and C. These sections must be filled out completely and in detail for you to receive your proper rating. **Attach a photocopy of your license for Chief Engineer of Motor Vessels of any H.P issued by the United States Coast Guard Inspection Services; or an equivalent license in motor vessels issued by the United States Coast Guard Inspection Service to the Education and Experience Test Paper.** Keep a copy of your completed Education and Experience Test Paper for your records.
3. **Foreign Education Fact Sheet (Required only if you need credit for your foreign education in this examination):** If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. The services that are approved to make this evaluation are listed on the Foreign Education Fact Sheet included with your application packet. When you contact the evaluation service, ask for a “**document-by-document**” evaluation of your foreign education. You must have one of these services submit its evaluation of your foreign education directly to the Department of Citywide Administrative Services no later than eight weeks from the last date for applying for this examination.

THE TEST: Your score will be determined by an education and experience test. You will receive a score of 70.000 for meeting the license requirement listed above. After this requirement is met, you will receive credit up to a maximum of 100.000 on the following basis:

Additional Points:

1. One point for each year of full-time experience serving as a USCG licensed First Assistant Engineer of Motor Vessels, to a maximum of ten points.
2. Three points for each year of full-time experience serving as a USCG licensed Chief Engineer of Motor Vessels, to a maximum of 30 points.
3. Three points for a baccalaureate degree in Marine Engineering from an accredited college or university.
4. Two points for a baccalaureate degree in engineering other than Marine Engineering from an accredited college or university.
5. Two points for a master’s degree in Marine Engineering from an accredited college or university.
6. One point for a master’s degree in engineering other than Marine Engineering from an accredited college or university.

Experience must be acquired in the last 15 years. You will receive a maximum of one year of experience points for each year you worked. If you have any of the above experience on a part-time basis, it will be credited according to the equivalent percent of full-time experience. Each year of experience will be credited under only one category which will be the highest appropriate category.

Education and experience must be obtained by **the last day of the application period**, and will not be found acceptable unless it is verifiable. Experience listed on the Education and Experience Paper will receive points only to the extent that it is described clearly and in detail.

READ CAREFULLY AND SAVE FOR FUTURE REFERENCE

THE TEST RESULTS: If you pass the education and experience test, your name will be placed in final score order on an eligible list and you will be given a list number. You will be notified by mail of your test results. If you meet all requirements and conditions, you will be considered for appointment when your name is reached on the eligible list.

ADDITIONAL INFORMATION:

Application Receipt: You will be mailed a receipt with three months of the last date of the application period. If you do not receive this item, write to this agency, Attention: Examining Service Section, 1 Centre Street, 14th Floor, New York, NY 10007 to request verification that your application was received. Include your social security number and the examination number and title in your request.

Promotion Test: A promotion examination for this title is being held for eligible City employees. The names appearing on the promotion list will be considered first in filling vacancies.

The General Examination Regulations of the Department of Citywide Administrative Services apply to this examination and are part of this Notice of Examination. They are posted and copies are available in the Applications Center of the Division of Citywide Personnel Services, 18 Washington Street, NY, NY.
