Cancellation Policy

DCAS Energy Management covers the cost of City staff participation in order to improve the energy efficiency of building operations and maintenance. Requests for cancellations or schedule changes must be received in writing at least **7 business days prior to the start of a confirmed class**. Requests received without the required notice will result in a charge of the full course fee to the agency training department. Agencies may designate a qualified participant for substitution up to the commencement of the class without penalty. Please refer to the Citywide Training Center (CTC) Catalog for specific course fee information.

Signature of Applicant: _____ **Date:** _____

Signature of Supervisor: _____ **Date:** _____
