

DEP FOIL Frequently Requested Records:

PLEASE READ THIS BEFORE SUBMITTING A FOIL REQUEST. Many of the documents you seek, may already be publicly available online. Links to some of the most frequently requested records are posted below. Before submitting your FOIL request, please look through those websites. You may not need to file a FOIL request at all.

Please also be aware that DEP manages and conserves **New York City's** water supply, as well as certain limited areas in Nassau County and lower Westchester. *Requests for water bills or other records relating to properties located outside DEP's jurisdiction, including New Jersey, and most of Westchester and Long Island, should be directed to those water suppliers.*

- **Phase I requests:** Copies of **boiler permits** filed with DEP may be found at: <https://a826-web01.nyc.gov/DEP.BoilerInformationExt/>. Responses to any FOIL requests for the environmental conditions of a property assumes that you have reviewed this website for any relevant records.
- **ECB Violations: Notices of Violations** of the air or noise codes may be found on the NYC Office of Administrative Tribunal & Health's website: <http://www.nyc.gov/html/oath/html/ecb/find.shtml>.

Also, before submitting your FOIL request, decide whether you seek access to information that is entitled to confidential treatment, or is otherwise exempt from disclosure under FOIL. *Excluding such information from the scope of your request will likely speed up the response time.*
