Project Narrative

Please type all information below this line.

Applicant Organization:

Project Title

Use space below to explain how the Special Options(s), and any related services/supplies you may be requesting, will be incorporated into your Watershed curriculum. Describe the audience for the project/program. Explain student preparation and follow-up lessons. Discuss evaluation methods to be used, and tell how you will document the success of the program. Do NOT waste space describing the chosen program and its attributes: we already know that.

Special Option requests exceeding \$5,000 require an additional page of narrative.
