

When there's heavy rain, rest the drain.

# Heroes Wait...

Join the movement that's helping to keep our waterways clean. When there's heavy rain, untreated wastewater can end up in our waterways. Which is bad news for our community and wildlife. You can help by waiting to use water in your home when there's heavy rain.

Sign up and we'll send you a free\* text alert when there's heavy rain and another one when it's all clear.
