59-17 Junction Boulevard, 18th Floor
Flushing, NY 11373-5108**

CITYWIDE JOB VACANCY NOTICE

Civil Service Title: Electrical Engineer Intern	Level: N/A	Title Code: 20302
Office Title: Electrical Engineer Intern	Salary: *\$40,078	
Bureau: Wastewater Treatment	**\$46,090	
Division: Various	Number of Positions: * Continuous Vacancies	
Work Location: Lefrak City (<i>Queens</i>)	Hours/Shift:	35 hrs. / Day

JOB DESCRIPTION

Under direct supervision of a Section Chief or Area Engineer, the selected candidates will perform elementary electrical engineering work in the field, or office and receive training in engineering work of moderate difficulty and responsibility. The work and training may be in one or more of the following engineering areas: development, design, drafting, specifications, estimating, construction, inspection, operations, or maintenance. May visit sites with engineers to assist in project investigation, taking measurements, and recording pertinent data and field conditions. May participate in construction meetings with engineers, contractors, and plant operators. Will assist engineers in the preparation of reports, letters, memos and correspondence. May operate a motor vehicle in the performance of assigned duties.

QUALIFICATION REQUIREMENTS

A Baccalaureate degree in electrical engineering. A degree in electrical engineering technology **is not** acceptable.

IMPORTANT NOTES:

- * Salary for New Employees.
- ** Salary for full-time Employees who have been working for NYC at least two years.
