**DEPARTMENT OF ENVIRONMENTAL PROTECTION**  
**Citywide Job Vacancy Notice**

<b>Civil Service Title:</b> Captain ( <i>Sludge Boat</i> )	<b>Level:</b> N/A
<b>Title Code No:</b> 91516	<b>Annual Salary:</b> \$79,124
<b>Office Title:</b> Captain	<b>Work Location:</b> Wards Island, N.Y.
<b>Division/Work Unit:</b> Bureau of Wastewater Treatment/Residuals Operations/Marine Section	<b>Number of Positions:</b> 1
<b>Hours/Shift:</b> 40 Hours/Day	<b>Agency Tracking #:</b> N/A

**Job Description**

Under the direction of the Supervisor of Sludge Vessel Operations, the selected candidate will take command of an assigned vessel and its crew and act as the department's representative in all matters concerning the vessel and its crew; and perform related work. Examples of typical tasks are as follows: exercise independent judgment under way; pilot the sludge vessel; assign duties and responsibilities to the licensed officers and crew; assume responsibility for the safe operation of the vessel at all times under way and in port; direct all personnel involved in mooring and unmooring vessel; proper loading and unloading operations and proper stowage and care of ship's supplies and equipment; keep ship's logs and make necessary reports; inspect the ship at frequent intervals; and maintain proper upkeep of vessel. In addition, candidate will instruct junior officers and crew in the proper performance of their duties and prepare them for assumption of higher duties; keep supervisor fully informed in all matters affecting the vessel and its crew; enforce all departmental and United States Coast Guard rules and regulations and those of other cognizant regulatory bodies.

**Qualification Requirements**

A valid U.S. Coast Guard License as Master of Coastwise Steam or Motor Vessels of at least 2,700 gross tons, or a higher license; plus a Radio-Telephone Third Class Operator's Permit for operation of a ship radio station issued by the Federal Communication Commission. In addition, all candidates must obtain a valid First Class Pilot's License on all waters sailed by the department's sludge boats within a year following appointment.

**Essential Skills**

Relative to current operation, it is specifically preferred for candidates to possess a USCG Issued license of Master of Steam or Motor Vessels of Any Gross Tons upon Inland, Near Coastal, or Oceans Waters, and a Marine Radio Operator Permit issued by the Federal Communications Commission.

In addition, all candidates must obtain a valid First Class [Pilot's License] Pilotage Endorsement to their USCG Master License on all waters sailed by the department's sludge boats within a year following appointment. These include but are not limited to the following: New York Harbor Upper and Lower Bay from Sea to the Battery; Jamaica Bay from Rockaway Inlet to include Head of Bay; Kill Van Kull from Robbins Reef to Elizabethport; Newark Bay from Kill Van Kull to the Junction of the Passaic and Hackensack Rivers; Passaic River from the Junction of the Hackensack River to Point No Point; Hudson River from Battery to the George Washington Bridge; East River from the Battery to Tallman Island.
