Title Code No: 91011	Annual Salary: \$34,597 / \$39,787 - \$50,605
Office Title: Watershed Maintainer	Work Location: 10 Walker Rd, Valhalla, NY
Division/Work Unit: Bureau of Water Supply/ Eastern Operations	Number of Positions: 5
Hours/Shift: 40 Hours a week/Days*	Agency Tracking #: N/A

Job Description

Working in the Eastern Operations Division, Catskill/Delaware Ultraviolet Facility (UV), the selected candidates, will perform duties related to the operation, maintenance, repair and inspection of water treatment facilities, equipment and lands in the watershed areas, reservoir, aqueduct and related systems of the City of New York. The selected candidates will operate motor vehicles, motor-powered equipment and perform related work. Under direct supervision of the Sr. Stationary Engineer Electric (SSEE) and Stationary Engineer Electric (SEE), the selected candidates will maintain, repair and inspect UV facility treatment equipment including lubrication, inspection and making minor adjustments to generators, pumps and ventilating equipment; operate generators, pumps, blowers and power gate devices and related stationary and portable equipment as well as operate hand and power tools needed to make proper adjustments and lubrication of operating equipment; and read meters and gauges and maintain logs and shop records. In addition, selected candidates will be responsible for compliance with all environmental, health and safety laws, agency policies rules and regulations.

Qualification Requirements

A four-year high school diploma or its educational equivalent and one of the following:

- 1) One year of full-time satisfactory experience in the operation and maintenance of equipment used in the controlling or purification of water at facilities in watershed areas, reservoirs, or aqueduct systems; *or*
- 2) Two years of full-time satisfactory experience as: a mechanic, journeyman, or helper in the electrical trades or mechanical trades; or technician in a chemical processing facility or chemical laboratory.

License Requirement- A Motor Vehicle Driver's License valid in the State of New York. This license must be maintained for the duration of employment.

Essential Skills

A valid New York State Grade IIB Water Treatment Operator Certification or the ability to obtain one.

Important Note

*Shift and/or weekend coverage may be required.
