DEPARTMENT OF ENVIRONMENTAL PROTECTION
Citywide Job Vacancy Notice

Civil Service Title: Senior Stationary Engineer/Electric D+	Level: N/A
Title Code No: 91639	Daily Salary: \$431.92 p/d
Office Title: Sr. SEE D+	Work Location: 1270 Victory Blvd., Staten Island, NY
Division/Work Unit: Bureau of Water & Sewer Operations/New Clove Pumping	Number of Positions: 1
Hours/Shift: 40 Hours a week/Days	Agency Tracking #: N/A

Job Description

The selected candidate will be responsible for the proper operation, inspection, maintenance, repair, testing and adjustment of equipment including generators, pumps, electric motors, motor controllers, switchgears, transformers, compressors, gauges, valves, and heating apparatus; operating three potable water pumping stations and two other facilities on Staten Island; supervising, coordinating, and overseeing the work of Stationary Engineers (Electric), Oilers, and other plant employees; preparing purchase requisitions for materials, services, and repairs; and will ensure compliance with all applicable Agency Environmental Health and Safety policies.

Qualification Requirements

1. Six years of full-time satisfactory experience within the last 10 years in responsible charge of the operation of plants or facilities utilizing high tension electrical equipment (600 volts or more), including troubleshooting and repairing such equipment, in one or more of the following: electrical generating stations, electrical switching stations, water treatment plants, wastewater treatment plants, water pumping stations or high volume ventilation systems, one year of which must have been in a supervisory capacity; *or*
2. Three years of full-time satisfactory experience as described in "1" above, one year of which must have been in a supervisory capacity, and a baccalaureate degree in electrical, civil or mechanical engineering from an accredited college; *or*
3. Five years of full-time satisfactory experience as described in "1" above, one year of which must have been in a supervisory capacity, and an associate degree in Science or Applied Science from an accredited college with a major in Water Quality Monitoring, Wastewater Treatment Plant Operations, Environmental Health, Environmental Control, Electrical Technology or Mechanical Technology; *or*
4. Three years of full-time satisfactory experience as described in "1" above, and four years of full-time satisfactory experience as an electrician; one year of this experience must have been in a supervisory capacity; *or*
5. Six years of full-time satisfactory experience within the last 10 years as an electrician, including three years of full-time satisfactory experience troubleshooting and repairing high tension electrical equipment (600 volts or more), as described in "1" above; one year of this experience must have been in a supervisory capacity; *or*
6. A satisfactory combination of education and/or experience which is equivalent to "1", "2", "3", "4", or "5" above. Education may be substituted for experience on the basis that one year of experience is equivalent to 60 semester credits from an accredited college leading to a baccalaureate or associate degree in one of the disciplines described in "2" or "3" above. However, all candidates must have at least three years of satisfactory experience as described in 1 above, except for candidates who qualify under "5" above, and at least one year of supervisory experience.

License Requirement- Must possess a Motor Vehicle Driver License valid in the State of New York. This license must be maintained for the duration of employment.
